WHY HATE US?

MRS. WIDAD KAWAR
AMMAN, JORDAN

An article was published in an April issue of Life magazine which caused me, a Christian Palestinian and graduate of American University at Beirut, to wonder: Why, we the people of the Middle East, should be so hated by some Americans? What have we done to arouse the kind of hatred spread over the pages of this magazine?

The title of the article conveys the sweeping impression that it is speaking officially for the entire United States but I for one cannot accept this. Surely there are many across the ocean who understand the facts about the problems which Arabs face and are willing to view those problems through eyes of truth and justice.

Featured as a "Report from U.S.," Life magazine claims to be expressing the "American Viewpoint on Israel." The viewpoint thus expressed is an insult to the entire Arab world and can only result in more misunderstandings and confusions of the kind that disturb some of us to a very great degree.

The article is causing a bad anti-American commotion. Its many wrong, sweeping statements known here to be false, are putting the United States in bad light. The personal attack on Jamal Abedel Nasser, whom all Arabs look up to and admire, does not improve the situation.

We who follow international news wonder if a studied effort is being made to build him up before the American people as a Hitler, to add fuel to hatreds against the Arabs, particularly in this instance, the Egyptians. If this is the aim, it is a serious mistake, if the nations of the West have in mind bettering conditions in the Middle East.

Such articles are very destructive of American policy in the Arab world. Many groups have translated it into Arabic and are using it to serve their communistic, anti-American propaganda in magazines and newspapers. Arabs who have wanted friendly feelings to exist between our people and the American people, are being turned the other way by what Life wrote and sent out from the United States.

It left many readers puzzled because they seemed to see American policies moving at cross purposes and in two different directions. They know that the United States government spends thousands of dollars on propaganda in the Arab world, to let Arabs believe that its policy is just, or at least neutral, and at the same time Life sends out pro-Jewish hate propaganda in such a blunt way. There are people here who do not know what to think.

Knowing from daily contact and associations, the terrors that Arabs have endured in the past and at the present time by the crimes of the Jews and Zionism, we are saddened by statements like these in Life:

"Americans have supported the right of Jews to create their own nation, helped them do so and were the first to recognize Israel's sovereignty."

"American public opinion has been crystalizing ... It may be expressed by saying that ... Israel is here to stay. It is going to stay. The American people who helped create Israel, who hold warm feelings of friendship for her are going to see to it that she stays. Until you, the Arabs, accept deep in your hearts the fact that Israel is here to stay, there can be no real peace in your lands or theirs."

Is it necessary for American editors to insult us, hate us, and take sides against us, after all that we have suffered?

If America, who is regarded as the initiator and savior of liberty, supports Israel in its theft of property: What is going to happen to Palestinians, the real owners of the land?

This is the eighth year since we have been driven out of our homes. A million of us are still homeless, jobless, without passports, vagabonds; this, besides the many physical, cultural and educational problems that rise in refugee life.

I am one among the few fortunate, for God has been good to me. He has heard my prayers and the prayers of my Christian parents, but only a few minutes from where I sit writing these lines, the cry of suffering refugees can be noted in camps to which the Jews drove them like cattle. Arabs have done everything possible to help these destitute and dispossessed people, but their condition, a million of them, remains tragic.

I must mention also the great suffering of the 180,000 unfortunate Arabs who remained behind in the territory now known as Israel. The measures adopted by the Jews for dealing with these people is most original. Offensive measures that exceed descriptive powers have been invented to humble, humiliate and exterminate along lines of racial discrimination and extreme intolerance.

These unarmed Arabs, who were reluctant to leave their homes or unable to do so when the armed Jewish invaders from Europe and America struck us, have been and are being subjected to imprisonment, to torture, to murder, to starvation, to violation, to sacrilege of holy places, to the restriction of civil liberty, to denial of right to travel, to the embezzlement of money, and to many other offenses which the Jewish mentality has proved able to invent.

The "American Viewpoint" says that Arabs must give up their just claims to the land and homes stolen by Israel. Is it wrong for the refugees who have been homeless these years to want back their furnished homes, their farms, their schools, their churches? Even their cemeteries have been turned into playgrounds and casinos. I am sorry that Life should call our claims unjust. What if the tables were turned? What if it was the property of its editors that had been stolen? How would they feel?

For the facts regarding our desperation, they would only need to turn to a book published in their own Country by the Henry Regnery Company of Chicago, "The Arab World," and read on page 217:

"The outcome of the establishment of a Jewish State in Palestine has been the displacement of the Arab population of the country. Close to a million Arabs have been torn away from home and hearth. They have been supplanted in their native land by an alien people.

"The refugees left everything behind them, and are living for the lost part in desperate conditions. Many of them live in tents which collapse under a strong wind and are hardly a shelter from the inclemencies of the weather—snow and bitter cold in the winter, burning heat in the summer. Some have found shelter in buildings, often crowded and sometimes dilapidated. A few took refuge in caves after having for some time lived under the shelter of trees."

The same source continues further over in the book:

"The Balfour Declaration, the British Mandate in Palestine, the alleged persecution of the Jews in Europe, the interference of outside powers, especially the United States under Zionist pressure, have brought about the conditions which have rent the Holy Land and wrought hatred and strife in the land which above all others should be dedicated to peace on earth and good will among men."

Let Americans try to imagine how Arabs feel when they read statements in the press like the one which follows, by their former President Truman, as reported on March 30th of this year: "I would make Israel the industrial country of the Near East, then let the Arabs raise the crops to feed Israel."

Are we to be thought of as slaves for Jews? What demon from the pits of perdition created such an idea? We too are human beings and have rights to be respected.

Until the governments of the Middle East took steps last year to change the condition, Israel had greater military strength than all the other countries combined, and it was known that they were preparing to strike with the aim in view of taking over the land of the Arabs from the Nile to the Euphrates. Would Life have approved this annexation of territory?

To compensate some at least for the injustice and false implications in Life's article, we were treated fair and in a truthful way in another magazine which we see over here, American Mercury, which has this to say:

"Putting aside their intransigence on this point, the Israeli are piling up against themselves a bitterness that is bound to increase with the years. This is the result of their treatment of some 900,000 Arabs who were pushed out of their homes in Palestine and are living, most of them, in camps, caves and huts on the barren lands along the borders, and getting along on the seven cents a day allowed by an international relief agency."

In closing, I would like to say as a Christian, that the prayers of others of like faith wherever these words are read, are earnestly sought. It is a sorrowful experience to be misrepresented and misunderstood, and knowing of the great power of Zionist propaganda, Arab Christians realize prayer is needed to deal with this evil influence that twists people's minds into accepting falsehoods as truth.

CHRISTIAN PATRIOTS CRUSADE

We had originally intended to discontinue the operations of the American Christian Patriots Party immediately after the November elections; however, after discussing the matter with the leaders of a number of other parties, we have decided that we can best aid the cause by disbanding the Party now and throwing our support to certain more established parties whose goals and politics are fundamentally the same as ours. Therefore, we shall channel our wholehearted efforts to the following parties: Christian Anti-Jewish Party, J.B. Stoner, Arch-leader, P.O. Box 48, Atlanta, Georgia; Nationalist Conservative Party, William B. Wernecke, Head, 6250 North Wayne Avenue, Chicago 40, Illinois; Nationalist Party of the U.S.A., West Hooker, Head, P.O. Box 95, Larchmont, New York; New Party, P.O. Box 4168, New Orleans 18, Louisiana.

From now on our own activities will be carried on under the name of the CHRISTIAN PATRIOTS CRUSADE. Mark this date! There are BIG THINGS ahead for the CHRISTIAN PATRIOTS CRUSADE. Address all mail and make all references to the CHRISTIAN PATRIOTS CRUSADE. A new era is dawning!

QUOTATION TO REMEMBER:

"Democracy! To hell with democracy! The mere word has become a stench; a bomb and deceiving weapon for those subversive, un-American, alien-minded imps of hell who thru organization, deceit and trickery - ever using "democracy" as their slogan - have brought this once free REPUBLIC to chaos, disgraced the Constitution and planted the seeds of civil war and revolution in this country." - Court Asher.

"An Abandonment of Desolation"

The laws of nature gave the fish of the water, the birds of the air and the beasts of the land an instinct to obey the Creator's command of segregation. But man, having been given the power of the choice between obedience or disregard of the laws of God and His nature, seeks to hybridize or mongrelize all that he touches, including his own posterity.

Then he talks himself into believing he has done it for the glory of God or the betterment of man. Finally man convinces himself that God made a mistake when He created three races of men, and he determines upon a crusade to rectify the error of God.

The men of Noah's generation tried it and all life was destroyed. The men of Egypt tried it and the first recorded civilization perished and the very name of Egypt implies in its spiritual definition false faith in the works of man. The men of Babylon tried to outdo God and make their own laws of nature; and the desire of man to establish physical unity where God intended spiritual unity, still breeds the abomination and desolation which destroyed ancient Babylon and according to prophecy will destroy modern Babylon. The wiser men of India created a caste system designed to prevent amalgamation of the races. But there were not three castes, one for each of the three races (white, yellow and black) but there were four principle castes; the fourth a caste for the "slightly lighter than black" with mixed blood in their veins. Over the centuries, that trickle of negroid blood began to seep into all the castes. And the trickle of negroid blood despoiled all the others so that there existed, by the time of Christ's appearance as man, a nation of brown men so engulfed in ignorance, superstition and poverty that one must marvel at any possibility of former grandeur in India.

Tom P. Brady, in his "Black Monday," (Association of Citizens' Councils, Winona, Mississippi; \$1.00 postpaid) comments:

"In the dark and gloomy jungles of Central America, in the land of the Caribs, in the Silvas of South America you can see the proof of what negroid blood can do, how in a thousand years, half the life of England, a race can be exterminated and retrogression can re-create a primitive savage. The mark of the beast is apparent today, even to the most casual observer, in the various types in Mexico, the Yucatan Indians, the Hondurans, the North Central Americans and Caribs. The proto-Negro sign with its accompanying destruction cannot be disputed. The same contamination and retrogression is apparent in Puerto Rico, Guatemala, Cuba and wherever in the western hemisphere the infusion of white and negro blood has taken place.

"Whenever and wherever the white man has drunk the cup of black hemlock, whenever and wherever his blood has been infused with the blood of the negro, the white man, his intellect and his culture have died. It is as true as two plus two equals four. The proof is that Egypt, India, the Mayan civilization, Babylon, Persia, Spain and all the others, have never and can never rise again."

The Anglo-Saxon-Celtic-Teutonic people of the caucasian race have resisted the cup of black hemlock through the ages, as God commanded that His chosen people should ("for they are not all Israel, which are of Israel."—Romans 9:6). And they have builded unto themselves a great and mighty civilization which they could share with the other races for the glory of all. But, rather than sharing spiritual unity, men seek to establish physical unity; which again will cause an "abomination of desolation." — (Reprinted from "Don Bell Reports.")

GUNS WON'T WIN SOUTH

(St. Petersburg Independent)

(St. Petersburg, Fla.)

In an effort to legally avoid mixing the races in its schools, North Carolina recently voted nearly four to one in favor of a plan which would abolish its public school system. This drastic action on the part of a border state further illustrates the determination of the South to postpone indefinitely the day when Negroes and whites will play together on the public school grounds.

However, the picture is somewhat different in Tennessee where the state's starry-eyed and politically ambitious governor made no effort to permit Tennessee's voters to express their opinion on the question. In the Volunteer state, near Sen. Estes Kefauver's home, a large group without waiting for an invitation to register its reactions moved in on the school grounds in an effort to keep a handful of Negroes from enrolling.

Without making any effort to ease the tension by transferring the few Negro students to another school Gov. Frank Clement sent the National Guard to the formerly peaceful little town of Clinton. Nearly 700 steel-helmeted guardsmen bristling with bayonets and reinforced with tanks swooped down in a manner reminiscent of Hitler's Elite corps. The boy governor's action at Clinton will be long remembered. After he leaves the Nashville mansion and returns to obscurity, the people of Clinton will retain in their memories the iron fist Clement used to carry out the abortive edict of nine Supreme Court justices who turned legislators in order to write a new law, instead of interpreting existing statutes. Historians will chronicle Clement's action and point out that the performance of his Clinton militia ignited the smoldering and growing tension throughout the South. The more recent trouble in Kentucky no doubt was inspired by the action in Tennessee.

Gov. Clement's one chance to fame is to be remembered as the Southern governor who voluntarily surrendered the last vestige of states' rights. The episodes in both Clinton and Sturgis, Ky., must have been quite impressive to the school children as

well as their parents.

The community's elders were no doubt baffled to see armored battalions ready to destroy their town in order to change abruptly the established custom of segregation which previous court justices had repeatedly ruled to be the law of the land. Of even greater significance, however, must have been confused reactions of the youthful observers who for the first time saw ugly group hatred in the eyes of their parents and their friends. In their eyes the protesting group was not composed of gangsters, mobsters, or extremists, but just average citizens—the ordinary homefolks who chased the carpet-baggers out of the South.

Unless Gov. Clement and Gov. Chandler are prepared to station permanently an army of occupation in the affected areas they should be ready for a surprise. The same homefolks who were sent scurrying by their rumbling tanks will still be around. Conditions will soon be about the same, except for the conspicuous absence of the spirit of brotherhood.

With every development on the racial front, the people of the South are distressed anew by this awkward situation in which military force is used to destroy the constitutionally established right of Americans to choose their associates, their customs and their social companions.

Integration will not work satisfactorily in the South so far as either race is concerned. We don't agree that integration is inevitable.

The handwriting on the wall is there for all to see. We hope the full significance of the bitter episodes in Tennessee, Kentucky and Texas will strike home to the Northern politicians and the NAACP before the South and the nation are pushed into a dark age of individual and group hatred which could last a hundred years.

In the final analysis, we think there are not enough available tanks and bayonets to enforce integration down the throat of the South in a manner which would not be permanently objectionable to the people of both races.

A man who complies against his will is of the same opinion still.

South Awakening to Jewish Menace

The nation's Segregationists, States Righters and Nationalists have been guilty of a most dangerous—possibly fatal—tactical error. We've been trying to solve the race-relations problem when we should have been trying to solve the so-called "Jewish problem!"

Like General MacArthur was forced to do in Korea, we've been trying to win a war by shooting down the bombers and repelling the ground attackers instead of trying to immobilize the air and supply bases!

But at last the Southland—America's last hope—is beginning to learn the truth. As evidence, here are excerpts from an article "Storm Signals," by William Stephenson, which appeared in "The Virginian," published monthly by the Virginia League, 310 53rd St., Newport News, Va.

"While the North Alabama Citizens' Councils do not exclude Jews as such, Asa E. Carter, Executive Secretary of the group, says that one qualification for membership is that the applicant profess belief in the divinity of Jesus Christ . . . Carter's defenders . . . say that more and more Southerners are coming to realize that what they call 'organized Jewry' is 100% behind the 'integration' movement. They point out that such all-Jewish organizations as B'nai B'rith have long been active in the integration field . . . pointing out that while B'nai B'rith accepts Jews from every country in the world as members, it does not accept native American Christians, and yet is very active in American politics.

" . . . Also cited by Southern leaders as an indication of things to come is the . . . testimony by D. A. Rose of the Anti-

Defamation League before the Senate Judiciary Subcommittee in 1955. Rose's testimony plainly indicated that the ADL favors legislation under which all **pro-segregationists** in the country could be jailed.

"Another storm signal pointed out by Southern leaders is the increasing knowledge in the South of the roles played by many prominent Jews in national politics. Sen. Lehman of New York has long been an outspoken enemy of the South. Simon Sobeloff, whom Eisenhower made a Federal judge over Southern States, is an avowed integrationist. Arthur Spingarn is president of the NAACP and has for many years been one of the guiding spirits in the anti-South movement. These men are also prominent in all-Jewish organizations, a fact that more and more Southerners are noting . . ."—(Reprinted from "Don Bell Reports").

Guard the Nation's Gates!

An organized minority is moving to break down the McCarran-Walter Act pertaining to immigration and deportation. This minority is demanding in effect that the gates of the United States should be kept open to permit the easy flow of unfit foreign human beings into the United States.

Not satisfied with the liberalized terms of the McCarran-Walter Act, which has permitted immigration to increase 23 per cent, the organized **minority** brings false charges against the law and the motives of Americans who insist that the national blood-stream shall not be further polluted. It has been tainted during the last 20 years, and must not now be poisoned by the entry of hordes of orientals who cannot be assimilated.

If there is one fixed decision it is that the United States will not submit to an inundation of immigration, with its accompaniments of crime, perversion, subversion and general unfitness. Therefore the quota rule adopted in 1924 and revised in 1950, will not be annulled in order to admit more Chinese Reds, Russian morons, or wealth grabbing Europeans. That rule has excluded many tribes that would have almost completely debauched American

life. It may be inequitable in some details, but to open it to amendment or repeal would work ruinous mischief by dividing the people on petty statistics. Of course, the quota for Europeans is larger than that which would admit cannibals. But why not? Some Europeans are assimilable, while cannibals may have their own ideas as to assimilation by or of Americans. The broad objective of maintaining American liberty by maintaining American ideals is attained by the quota rule. An attack upon the present immigration law is, in short, an attack upon Americanism itself—and the people will not tolerate abandonment of Americanism. (Reprinted from "National Republic".)

STOP JEWISH BARBARISM!

By F. Allen Mann

All through history the Jewish race has been known for its savage massacres. From the time of Ahashuerus through the present day the Jews have been directly responsible for the deaths of over 75,000,000 human beings, a great number of whom were Christians.

The combination of the evil Jewish mind and the satanic Jewish religion makes the Jew a sadist by his very nature. He is not content unless he is inflicting misery, suffering and torment. The facts show that the most vicious atrocities against mankind have been committed by Jews. These statements are clearly documented in Arnold Leese's book, "Jewish Ritual Murder."

Today in America the Jewish lust for brutality is being partially satisfied by the daily torturing to death of defenseless animals by Jewish ritualistic Kosher butchers. The depraved Jewish mind has devised the cruelest of methods for the slaughter of cattle.

The Kosher method, known as Shechita, is as simple as it is sinister. Hoisted by a hind leg, its throat slashed, THE FULLY CONSCIOUS, kicking, gasping, and sobbing creature is subjected to the cruel agony of being slowly bled to death. When the throat is cut, the wound in an ordinary case is 12 inches long and gapes 12 inches wide when the head is forced back by

means of a lever.

This Jewish barbarism must be stopped. It is the duty of every Christian American to protest against Kosher slaughter. There can be no room in our Republic for such devilish, uncivilized and fiendish Jewish rituals.

BRIEFS

Ku Klux Klan

Reports of Ku Klux Klan activities throughout the nation are becoming increasingly numerous. Just recently the Klan drew a crowd of over 3500 enthusiastic boosters in Stoney Mountain, Ga. This was one of the largest KKK gatherings in recent years.

Membership in the Southern states alone is believed to be well in excess of 300,000, according to a source close to Imperial Wizzard, E. L. Edwards.

Separate Blood

The South African Medical and Dental Society has approved a proposal to store blood donations of whites and negroes separately to prevent mixing them in transfusions, it was reported recently.

This sounds like a pretty good idea to us. Here, however, we should have, in addition, a separate blood-bank for Jewish blood. There are many good white gentile Americans who would rather die than to have unidentified blood pumped into them.

The Aerial Rights Division

Did you know that "bigotry" and "hate-mongering" flourish among birds? Why of course! Despite two generations of steady brain-washing, with an occasional heavy rinse thrown in, there are still many old fashioned blue-birds, sparrows, robins, crows and quail who will not share their nests with any but their own kind, nor will they educate their young with other species, nor mingle with them. Do these feathered friends feel "superior" or "anti-social?" This deplorable situation must be brought to the attention of the Aerial Rights Division of the Supreme Court, and compliance with "the law of the land" must be enforced with "all deliberate speed."—(Citizens' Councils.)

TWO MAJOR PARTIES NOT FOR CONSTITUTIONALISTS

By F. Allen Mann

The 1956 Republican and Democratic conventions are now a matter of history. Once again it was demonstrated that there is no longer a place in either of the two major parties for the Constitutionalists of America.

It should by now be quite obvious to all that these once great parties have been infiltrated and are presently under the domination and control of alien and subversive influences. The legitimate heirs of the GOP and the party of Jefferson have been driven into the background and replaced by One Worlders, radicals and outright revolutionists. They are no longer the parties of patriotic Christian Americans, but the political devices of powerful organized minorities.

What a sorry sight it was to see the Southern delegates to the Democratic convention pushed around and outvoted on every issue. Under the terms of "cooperate or get out" the South was forced to accept a wholly objectionable civil rights plank, and, under the guise of a "moderate," the A.D.A. South-hater, Adlai E. Stevenson. Then, to add insult to injury, the Northern delegates proceeded to nominate for the vice-presidency the scalawag, Estes Kefauver.

The situation in San Francisco was much the same. The true Republicans, the Taft Republicans, were shoved aside and forced to accept the edicts of the globalists and New Dealers who make up the party high command.

Although one of the Ten Commandments says, "Thou shalt have no other gods before Me," the Republican Palace Guard used the convention to further their efforts to build up Dwight Eisenhower as some kind of an untouchable god: an idol who remains aloof from politics; his mind on a higher plane than ours; conceiving magnificent new "social welfare" measures (communistic schemes) and ways to improve "international cooperation" (ways to further international communism and to further sacrifice American sovereignty). Every time this mighty Caesar's name was mentioned we fully expected the majority of the delegates to fall to their knees and face Gettysburg.

And how nauseating it was to witness the spectacles put on by such ignoble members of the Republican party as Gov. Knight, Gov. Craig, Gov. Hall, Sherman Adams, Gestapo Chief Brownell and Eisenhower himself. All of them a pack of America lasters; creatures from the murky depths of hell who darken the party of Lincoln with their infamy and treachery.

As usual the two conventions nominated ideological twins to oppose each other in November. Either way the election goes the enemies of our Constitutional Republic are assured of victory; and the American people are doomed to four more years of internationalism, high taxes, Federal usurpation of States' Rights, softness towards Communism, illegal race-mixing and mongrelization and other policies so un-American as to border on the line of treason.

The time is growing late. If America is to be saved we must return to Christ and the Constitution. May the spirit of Sam Adams lead us on to victory!

HOW MUCH AN AMERICAN LIFE?

A recent headline in the Chicago Tribune: "U.S. To Reds: Pay Damages." An article states: "The U.S. today charged Communist China with an unjustified attack on a U.S. navy plane and demanded damages for the loss of life..."

There were sixteen Americans aboard the plane. All were killed. Just how much does our government consider the lives of these men to be worth? Any red-blooded American would say that there isn't enough money in all of China to make up for this wanton murder of sixteen American citizens; but the people who run our government are perfectly willing to forget the matter if the Reds will turn over a few thousand dollars.

This makes over a half dozen American planes shot down by the Chinese devils. Scores of Americans have been killed. There was a time when American servicemen were under the protection of the American flag; but now they are left to languish in foreign prisons and to be shot down without provocation.

What if Eisenhower had been aboard the plane? Would it then have been considered the act of aggression it was?

We wonder what the government would do if the Reds bombed California. Another perfumed note, Ike?

JEWISH DOUBLE STANDARD

A year or two ago a group of Jews brought the owners of a number of Eastern hotels to court contending that these owners were discriminating against the Jews by advertising their hotels to be near churches. The courts upheld the Jewish contention. Needless to say, however, these same Jews think nothing of the evil Kosher markings on many foods. These secret markings (U, K) indicate that a specific product has been blessed by a rabbi, prepared to Jewish "standards" and "fit for Jewish consumption." If one case is a matter of discrimination, then certainly the other must be. What self-respecting Christian wants to be a part of a satanic Jewish ritual?

A JEWISH PRAYER

In Volume VIII of the Jewish Encyclopedia will be found the official translation into English of the prayer known as the "Kol Nidre" (All Vows) prayer. The official translation of this Jewish prayer follows:

"All vows, obligations, oaths, anathemas, whether called "konam," "konas," or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound from this day of atonement unto the next (whose happy coming we await), we do repent. May they be deemed absolved, forgiven, annuled, and void and made of no effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligatory; nor the oaths be oaths."

WESTBROOK PEGLER AND FRANK KIRKPATRICK ON REPS, DEMS AND ELECTION

Pegler - "The truth is that both the Democratic and Republican parties are socialistic and merely two rival gangs of fakers, both completely hostile to the Constitution because it provides plain impediments to their treacheries."

Kirkpatrick - "The general election in 1956 will be a sham battle between two political parties, the leaders of which have permitted socialist seizure of power, and who supinely accept dictation from their bureaucratic bosses. The Democratic and Republican parties now exist only to fool the American people with mock battles."

Eisenhower: The Great Pretender

(Editor's Note: The following article is reprinted from "The Church Times," Box 2, Oak Hill, West Virginia. The Editor of this fine publication is Stanley Neumann.)

Never was it truer than in our day that "Eternal Vigilance is the Price of Liberty." The happenings in high places in recent years have thrust home the truth that each and every person in either elective or appointive place is suspect. This is necessary because of the pressure groups and corruption of the times. Citizens must inquire into who sponsors a man, who his associates are, and who picks up the tab. Corrupt groups support both major political parties and in most cases promptly buy out the winner. In fact, most people elected to high public office are already sold out to money, pressure and influence before they even get their name on any ticket.

Take the case of Ike. He is the biggest fraud, hypocrite and Pretender of the day. A "controlled" man if there ever was one. A man of any principle would never have accepted the nomination obtained by such skulduggery as it was handed to him.

Ike, The Great Pretender, is a pretender through and through. In the first place, he is not, never has been, and never will be a true Republican. He doesn't have it in him. As a Republican, he is a bigger phony than Willkie was.

In 1952 the American people, desperate for an opportunity to strike a telling blow at subversion eating away the vitals of our Nation, were beguiled with fair promises that the opportunity they longed for was afforded in the product of the corrupt Chicago convention. Ike, The Great Pretender, predicated his campaign along these lines. He promised to clean up the mess in Washington; instead he added to it. (He actually opposed and hamstrung those who had been working to clean up the mess long before he ever got there, thus putting himself up as a protector of subversives.) He promised to lower taxes; instead, he asked for more. He promised to cut down waste; instead, he continues to squander our manpower and resources throughout the world. He promised a change in our State Department; instead, he installed Dean Acheson again in the person of John Fool Dulles.

As we view our national scene today our hearts echo the cry wrung from the heart and lips of the Prophet of old: "O my people, they which lead thee cause thee to err, and destroy the way of thy paths!"

And most of these destroyers pose as Christians. The Great Pretender never cared to join a church until he was advised to do so for the effect it would have on the American people. And he went in by the back door then. To this day he has never made any public confession that he claims and owns Jesus Christ as his personal Lord and Saviour. He has never been known to make a public prayer in Jesus' Name. In his public announcements concerning Church and religion he studiously avoids naming the Name which is above every name. He accepted the honorary chairmanship of a dubious organization which teaches false doctrine as Christian truth, and he has upheld this false doctrine in public, namely, the "Fatherhood of God and the Brotherhood of man." He drank intoxicants in Geneva with the servants of Satan.

Yes, Eisenhower is, most certainly, The Great Pretender!

OUR OPERATING EXPENSES have been steadily mounting due to rising costs and increased distribution. These summer months have been hard on us. We have accumulated tremendous bills which must be paid. Without these things we cannot carry on.

RACE-MIXING SCORECARD

To date, here is the scorecard on forced integration in the Southern schools. No integration and none in sight: Alabama, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, Virginia, (8); limited integration: Arkansas (three school districts; proposed constitutional amendment would put an end to all integration), Texas (only 10% integrated, there will probably be no more), Tennessee (Federal schools only; bigger riots will come if other schools are integrated), (3); partially integrated: Delaware, Kentucky (more riots in store), Maryland, West Virginia, (4).

Thus far the South has held its ground well. The mongrelizers have made very little headway. The only danger is this talk spread by the pro-Communists about the end of segregation being inevitable; that the Southern segregationist leaders realize this and are merely waging delaying tactics. This is utter rot. There is no reason why segregation shouldn't last until Jesus returns to this earth. As long as we call ourselves Christians it is our duty to carry out God's law of segregation. A great deal is at stake. We must all work to keep the Aryan race, God's REAL chosen people, supreme! For it is through this race that all nations are to be blessed!

FIERY CROSSES AND THE KU KLUX KLAN

Bonham, Texas (Reprinted from This Week in Prophecy) - Recently a fiery cross was found to be burning on the front lawn of the home of House Speaker Sam Rayburn, near Bonham, Texas. Later Rayburn told a newspaper reporter that he could not imagine why anyone would want to do a thing like this to him.

Let us remind Sam Rayburn that we can tell him why the cross was put on his front lawn: He has let the people of the South down pitifully in many respects at many times. We don't believe he deserves to hold the position he now holds. Through politics, influence, wealth, and other things, it seems that Rayburn has been perpetuated in office. But the good, common people of the South would not have it that way, if they knew the facts and could have their way about such things.

Rayburn, you had better be careful, or you might find a few more burning crosses on your front lawn!

Milwaukee, Wisconsin (AP) - A flaming cross was set up early yesterday against an east side Milwaukee apartment building in which two Negro families live.

Eugene Clark, 30, his wife and three children, were awakened by a brick thrown thru a front window of their home. Clark found the kerosene-soaked cross, about five feet high, leaning against a porch. He kicked it away and called the fire department.

He later found a crudely lettered note attached to his mail box. It advised Clark that "if you don't move, the next cross that burns will be tied to you."

Florence, South Carolina (Reprinted from The Georgia Tribune) - Klan memberships were sold at \$3.00 a throw as robed and masked speakers lambasted President Eisenhower and the NAACP at two Ku Klux Klan meetings in South Carolina recently.

An estimated 4,000 persons showed up for open-field rallies at Camden and Hartsville. A masked Klan official who would not reveal his identity said 800 memberships were sold at Camden alone.

Indianapolis, Indiana - Reports indicate that Ku Klux Klan activities in Indiana, Illinois and Wisconsin are on the upswing. Local dens are gaining a surge of new memberships.

PRISONER OF PEACE

(Reprinted from RIGHT) - "Prisoner of Peace" is one of the most tragic books ever written. A collection of letters between Rudolf Hess and his wife, this book points up the cruel internment of Hess, who is still alive, imprisoned by the invisible government as a "war criminal." If there had been more "war criminals" like Hess, who voluntarily sacrificed his career to try and stop the suicidal war between Germany and England, perhaps the West would have been able to withstand the onslaught of the East in the postwar years. Hess writes that even "Churchill did not have the power to act freely or to check the avalanche then sliding down upon us." Question: If Churchill had no power, WHO DID? What could Hess reveal if he was freed? \$2.00 from Britons Publishing Co., Beamish House, 74 Princedale Road, London, W. 11. 151 pps.

Abraham Lincoln and Negro Repatriation

Had Abraham Lincoln not been assassinated there is a good chance that today there would be no more than a mere handful of Negroes living in the United States. President Lincoln was the founder of the movement to repatriate the Negroes to their ancestral homeland. Said Lincoln:

"I have urged the colonization of the Negroes, and I shall continue until it is accomplished. My emancipation proclamation was linked with this plan. There is no room for two distinct races of white men in America, much less for two distinct races of whites and blacks. . . I can conceive of no greater calamity than the assimilation of the Negro into our social and political life as our equal. . . Within twenty years, we can peacefully colonize the Negro in the tropics, and give him our language, literature, religion, and system of government under conditions in which he can rise to the full measure of manhood. This he can never do here. . . We can never attain the ideal Union our Fathers dreamed, with millions of an alien, inferior race among us, whose assimilation is neither possible nor desirable."

After Lincoln's death, President Johnson was thwarted in his valiant attempts to carry out his predecessor's policies by the radical Republicans, who were interested only in bleeding the Southern whites to death and in using the Negroes for political gain.

Sen. William Langer has introduced a bill "To provide aid to persons in the United States desirous of migrating to Liberia." Edward Fields, of the Realpolitical Institute, writes: "Just think of it. With the passage of this Langer Repatriation Bill, the salvation of the white race can be under way next year. This is the beginning of a great a glorious new chapter in American history!"

The bill was introduced at the request of many Negro welfare organizations. The

leaders of these ALL NEGRO groups (unlike the NAACP which is made up of revolutionist whites and mongrelized half-breeds) assure us that the majority of the Negro people are behind the movement.

It is interesting to note that most of the opposition to Sen. Langer's plan comes not from the Negro, but from Northern labor bosses and organized alien minorities, who are using the Negro to foment internal strife.

Until we are able to settle all the Negroes in Africa, we must do everything within our power to protect the white race from mongrelization. Strict enforcement of segregation and absolute prohibition of interracial marriages are imperative.

There is no reason in the world why we should force Negroes to stay here when they would be happier elsewhere. Write your Senator; tell him you want him to support the Langer Repatriation Bill.

Lincoln on "Equality"

"I will say, then, that I am not, nor ever have been, in favor of bringing about in any way the social and political equality of the white and black races—that I am not, nor ever have been, in favor of making voters or jurors of Negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality. And inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I, as much as any other man, am in favor of having the superior position assigned to the white race."—Speech at Charleston, Ill., September 18, 1858.

HUAC HEARINGS REVEAL JEWISH OPPOSITION TO SECURITY LAWS

The House Committee on Un-American Activities has recently completed its current hearings into Communist opposition to anti-Communist legislation, particularly the McCarran-Walter Immigration Act. The results of this hearing clearly show that the opposition to this type of legislation is Communist inspired, and furthermore, that the vast majority of the Communist and Communist front organizations waging the fight against these measures are run and dominated by Jews.

The Chicago hearings by the committee were typical of the whole. Practically all of the witnesses who were identified as Communists and who were uncooperative with the investigators were Jews. Take for example the results of the first day's hearings. Eight witnesses took the stand. One was a Gentile, a former F. B. I. undercover agent, who cooperated with the committee. Another was a Negro preacher, who was identified as being closely associated with the Communist movement, and who repeatedly invoked the Fifth Amendment. Of the remaining six witnesses, ALL WERE JEWS, some with assumed Gentile names (and Yiddish accents), and all with belligerent, uncooperative, offensive, and surly attitudes.

If only every Christian American could have attended at least one session of these many days of hearings, there would be no doubt in anyone's mind as to who and what are behind the conspiracy to destroy our Christian Republic.

Your Creator's Message to You

I am your Creator. I gave you life. You are dependent upon Me, for by Me you live and move and have your being (Acts 17:28).

I know your history from the moment of your birth until this very day. I love you. I want to help you. I am able to supply all your needs. I am the Giver of good gifts. I am the Author of all laws (John 1:3).

The blood courses through your veins in obedience to My law. You have your

breath through My law (Job 33:4). Your sinful nature is the result of My law, for I said to Adam and Eve, "In the day that thou eatest of the forbidden fruit, thou shalt die" (Genesis 2:17). They ate, "and so death passed upon all men" (Romans 5:12).

Thus you were born with a sinful nature. You could not help it, but you need another nature. You could not live with Me in My heavenly home, without a new nature, a nature like Mine (John 3:3-7).

I have made a new law, so that every sinner can have a new nature. The law is the "law of the Spirit of life in Jesus Christ" (Romans 8:2).

You must be born from above, but this new birth is very simple. Adam and Eve put the law of sin and death into operation by taking the forbidden fruit. You put the new law into operation by taking Jesus Christ as your Saviour (Romans 8:4). You reach out by faith and lay hold of Him, and I will give you eternal life.

You deserve Hell. I give you Heaven. I do not allow you to give Me anything in return for this new life. It is a gift. "The gift of God is eternal life" (Romans 6:23).

The moment you accept Him as a gift, your name will be written in the Lamb's book of life (Revelation 21:27). My Holy Spirit will come and live in you. He will give you the power you long for, and will enable you to live a life of peace (Romans 8:15-17).

Just ONE thing to do—RECEIVE Jesus Christ.

"But as many as received Him, to them gave He power (authority) to become the sons of God, even to them that believe on His name" (John 1:12).

"He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (John 3:36).

"If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved.

"For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation" (Romans 10:9, 10).—C. B. M. C.

Ku Klux Klan

In 1939 Stanley F. Horn published a book in which he outlined the circumstances leading to the formation of the original Ku Klux Klan in 1866. This work, "Invisible Empire," has become a standard source of reference for information about the Klan during those formative years between 1866 and 1871.

Mr. Horn's remarks on the growth of the Klan are particularly pertinent in this era of tyrannical Communist-inspired Supreme Court decisions directed at the destruction of the white race, and in view of the apparent rebirth of the KKK and the establishment of kindred organizations in the South and elsewhere.

Although written in defense of the activities of the first Klansmen, the following words might well have been penned in reply to those misguided and deluded conservatives and others who abhor the positive actions of the Citizens' Councils, the modern Paul Reveres like John Kasper, and the newly reorganized KKK itself. Writes Horn:

"Such methods of relief from unbearable official oppression are by no means rare in the annals of history. There have been numerous instances of it in our own country on a small scale, dating as far back as when the outraged citizens of Boston staged their historic tea party.

"The members of the Boston Tea Party—and members of the Ku Klux Klan—were but following a precedent set for them in earlier days in other lands. England had known its Moss Troopers, who took drastic means of manifesting their disapproval of the iron rule of the Normans; the misrule of Louis XI of France had resulted in the formation of that powerful and mysterious organization known as the Free Companions; Italy had its Carbonari during the Napoleonic wars.

"Freedom-loving people everywhere, when overwhelmed by oppression against which they had no other defense, have never hesitated to resort to secret and, if needs be, violent organizations for relief."

Doenitz Goes Free

Grand Adm. Karl Doenitz, commander of the German navy at the end of World War II, has completed his 10 year sentence as a "war criminal" and has been released from Spandau prison in Berlin. He was sentenced by an international tribunal at Nuernberg, acting under ex post facto "law" invented for the occasion. The penalties prescribed were never legislated by any lawmakers, but by representatives of the victor countries who then took over the prosecution.

The presence of Adm. Doenitz among the defendants presented the victors with an unforeseen embarrassment. He was charged with having conducted unrestricted submarine warfare. The tribunal reluctantly admitted that, in assessing this charge, an order of the British admiralty, dated May 8, 1940, directing that all vessels in the Skagerrak should be sunk without warning, could not be disregarded.

The tribunal was also obliged to take cognizance of the undisputed fact that the United States, from the first day of the war, had also waged unrestricted submarine warfare.

The laws governing submarine warfare were clearly and precisely defined in the London naval treaty of 1930, which specified that attacks were to be confined to unmistakable vessels of war, and then only after seeing to the safety of all hands. The American navy, in its official report on the submarine campaign against Japan, admitted an indiscriminate campaign in which nine out of every 10 Japanese ships sunk were non-combatant vessels. Of 276,000 Japanese drowned in these attacks, 105,000 were civilians.

Under the circumstances, the Neurnberg tribunal was in no position to work up a production against Adm. Doenitz on the same grounds. Its decision that its judgment must weigh similar acts on the part of the allies established a novel prin-

ciple in jurisprudence—i. e., that whether a particular act was or was not a crime depended on whether the prosecution also had committed it. If the victors had committed it, it could not be a crime.

Nevertheless, the blanket charges against the defendants of planning, preparing, initiating, or conducting aggressive war were sufficiently broad to produce a finding that Adm. Doenitz was guilty of something—probably the crime of fighting, as a professional officer, in the service of his country. He got 10 years—a verdict proving once again that might makes right, and that hypocrisy can surmount all obstacles.—Chicago Tribune.

Famous Quotations on the Jews

Jesus Christ—"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it."

Martin Luther—"How the Jews love the book of Esther, which is so suitable to their bloodthirsty, revengeful, murderous appetite and hope. The sun has never shone on such a bloodthirsty and vindictive people, who cherish the idea of murdering and strangling the heathen. No other men under the sun are more greedy than they have been, and always will be, as one can see from their accursed usury. They console themselves that when their Messiah comes he will collect all the gold and silver in the world and divide it among them."

St. Justin—"The Jews were behind all the persecutions of the Christians. They wandered through the country everywhere hating and undermining the Christian faith."

BRIEFS

Purification

"Hitler did at least one good thing. The second day after being elected to supreme power in Germany, he gave the publishers and news stands 24 hours to get rid of their stock of Lifes, Looks, Sizzles, Push-Mes, and other illustrated trash. That

night the streets of Berlin were ablaze with the greatest book-burning of all times; as the city purified itself with fire—and overnight."—"Closer-Up."

Liberalism

"Liberalism is the enemy of national greatness, the virus that eats up national feelings. Liberalism gnaws away at the structure for which patriots and great leaders gave their lives and fortunes. To Liberalism, America is a "melting-pot," a dump heap for the world's human refuse. When the white race in Europe drives out the Jew, he goes to America where weak heads and inferiors who are jealous of that which they are not equal have laid down for him the red carpet of Liberalism, and on this carpet, the Jew has advanced to supreme power in the short half century since he first discovered that America is a fine host for an enterprising parasite. Liberalism is the inversion of that 100% Americanism which the Jew hates."—James H. Madole.

OPEN LETTER TO BROWNELL

Attorney General Herbert Brownell
U. S. Department of Justice
Washington, D. C.

Dear Sir:

You are the number one enemy of the white race. Every Segregationist you arrest is another black mark on your soul. We demand freedom for the white race to maintain its purity.

You are a traitor to the white race. You are a despot on the backs of all Americans. By our might and spirit we will crush you and your kind. The enslaved peoples of Hungary have spoken against the tyrants. The oppressed peoples of white America will one day arise.

Every U. S. Marshall and F. B. I. agent has become—an enemy of the people, like the Gestapo and the M.V.D.

For every white man arrested today, you will pay ten fold tomorrow.

Your persecution is uniting our forces. One day we will seize the upper hand and your evil reign will be at an end.

America for White Folk

Well over 300 years ago the first permanent settlers landed on the eastern shores of these United States of America. They were all white men and, for the most part, Christians. Mention might well be made here of the fact that Jews are not truly of the white race. They are, to varying degrees, mongrels. Benjamin Franklin called them "Asiatics," and warned that they should be forever banned from the United States.

It was the white man who braved the wilderness and established the first thirteen colonies; it was the white man who bled and died that his descendants might be free and independent from foreign domination, oppression, ideologies, and intrigues; it was the white man who, with the Divine Guidance of the Almighty God, created the most perfect system of government ever known to mankind; it was the white man who moved westward, surmounting the most perilous of obstacles; and it was the white man who built this into the greatest nation in the history of the world.

America rightfully belongs to the white man. Yet, during the past twenty-four years, with increased momentum during the last twelve, insidious elements have been engaged in an effort to destroy the United States as a white nation and to destroy the white race itself.

White men have been made to feel like foreigners. They have been reduced to servants in their own homeland. This nation of 130,000,000 white folk out of a total population of 160,000,000 is in the hands of the remaining 30,000,000 non-whites. America is represented abroad in foreign trade and relations by unscrupulous, dishonest, and scheming Jews. America's once proud and beautiful national capital is now a black metropolis of crime and perversion. The American State Department, press, radio, TV,

cinema, educational system, etc. are all Jewish controlled. Everywhere the white man turns in his United States there is a heavily accented Jew or a Negro (with a Jew behind him) screaming for his "rights."

The Jews and Negroes are both unassimilable aliens. As long as they remain here the white race is in grave danger, as are the white man's government, religion, culture, traditions, and way of life. This is not a matter of hate; it is a matter of God's law, self-preservation, and common sense.

It is time for the American white folk to begin asserting themselves in their own land. They have the right to one place on this heathen-infested earth where they can live and work with their own kind, without being continually harassed and dominated by people alien to their very being.

If the white race is to survive it must solve the Jewish and Negro Problems; **and the only way to solve them is to eliminate them.**
—F. Allen Mann.

A Fight to the Death

W. C. Daniel, Commander of the American Legion, recently told Georgia Gov. Marvin Griffin: "I hope it will never be necessary for you to call on me to fight, but if necessary, I will fight to uphold the traditions of Georgia."

That is just the way we feel. The South is the last remaining block to complete Communist control in the United States. It is the last refuge for God-fearing Christian white people. Northern white men must be ready and willing to join ranks with their Southern brothers to fight to the death for the dignity and preservation of the white race.

God bless Gov. Griffin and Commander Daniel.

BILL PROPOSES DEPORTATION OF HUNGARIAN REFUGEES

Washington, Jan. 16 — Rep. Burleson [D., Tex.] introduced a bill in the House today to halt the admission of Hungarian refugees into this country and deport most of those who have already been admitted.

Burleson, a member of the House Foreign Affairs Committee, said opening the doors to the Hungarians has been a serious mistake which will grow to "colossal proportions" unless Congress closes them.

His bill calls for a congressional investigation to determine the effect of admitting the refugees on the nation's unemployment, housing, and health problems and upon internal security.

In a statement explaining his bill, Burleson said:

"The Hungarian uprising deserves the commendation of all the free world. Those who remain in Hungary and fight their Russian oppressors deserve a hero's applause.

"At the same time, it is reasonable to believe that those who deserve the applause in Hungary may feel that the applause is going to those who have deserted them and their cause.

"Since the average age of the male refugees is 27 years of age, it would seem that these are the ones who should remain to fight for the cause which they say they espouse."

Burleson accused the Eisenhower administration of usurping an authority which does not exist in admitting the refugees.

Burleson submitted his proposal as the administration was preparing to recommend that more Hungarians be permitted to come to this country.

—Chicago Tribune

EDITORIAL

Rep. Burleson's Bill Good

The Revere heartily endorses Rep. Burleson's bill referred to on page two of this issue. There can be no doubt that the majority of the Hungarian refugees entering this country are undesirable. Mr.

Burleson is not suggesting that the 'genuine refugees' — the anti-Communist freedom-lovers — be deported. He is, however, and rightly so, calling for the expulsion and further exclusion of the 90% or so who are outright Communist agents, Titoists, political socialists, misfits, intellectual idiots, or opportunists — all of whom, if allowed to remain, would be a menace to this nation and our American way of life. Active support of this bill by Nationalists would seem advisable.

ZIONISM AND THE TALMUD

There is in the Library of Congress at Washington, D.C., an undeniably authentic edition of the Jewish Talmud, comprising several ponderous volumes in the English language . . . translated under the editorship of Rabbi I. Epstein, of Jews College, London, with a Foreword by Chief Rabbi Hertz, produced on the presses of a Jewish publishing concern, the Sonico Press of England.

The Talmud, consisting of writings by rabbis covering several centuries is the real bible of Jewry. It contains an insane code that inflates the Jewish ego and causes members of the race to regard themselves as demigods.

Rabbis spend their lives pouring over its contents. Jewish children are taught from its pages. Boys and girls, starting at the age of nine are now studying it, in the schools of Israel. The evil spirit of these writings spreads like a blight from synagogues, Jewish publications and an international network of Jewish organizations reaching into all parts of the world.

The twentieth century is indebted to the Talmud for both Zionism and Communism. For this reason anti-Semitism was made a crime punishable by death in Russia following the Communist revolution. The leaders who directed the movement against the Czar's government were practically all synagogue devotees, rabbis, relatives of rabbis or Talmudists of some other stripe.

Zionist Jewry is a destructive force in the world, reminding one of the frank statements of the Talmudist, Maurice

EDITOR'S REPORT

Chet Huntley and Beta Sigma Tau

Next to Edward R. Murrow and Drew Pearson, NBC "newscaster" Chet Huntley is one of the most blatant Zionist apologists and propagandists on TV. It is a rare occasion when he even half-heartedly attempts to conceal his pro-Jewish, anti-South bias.

Along with pro-communist Sen. Richard Neuberger (Zionist-Jew) and Harrison Dillard (Negro), Huntley is on the Board of Advisors of the notorious race-mixing Beta Sigma Tau fraternity. The January 1, 1949 issue of the now defunct Collier's magazine describes the fraternity in this way:

"Beta Sigma Tau, which formally calls itself an 'intercultural fraternity,' is a dramatic outgrowth of the barefist battle over discrimination which is being fought on American campuses. This fraternity draws heavily upon the One World philosophy of Wendell Wilkie and has attracted scores of college men to whom fraternities for 'white Caucasians' or 'full-blooded Aryans' are a little nauseating in this day. . . Beta Sigma Tau, a fraternity which opens its arms alike to Christian and Jew, to white and Negro, to rich and to poor."

Patriot Freed by Federal Judge

The Federal Government was handed a resounding setback in Chicago January 24 when U. S. District Judge Philip L. Sullivan dismissed an indictment charging that a 42-year old patriot threatened the life of the President.

Anthony J. Marino, P. O. Box 7851, Chicago 80, was arrested last fall by federal goons and charged with threatening the life of President Eisenhower. Realizing the government had no real case against Marino, U. S. Attorney Robert Ticken

attempted to railroad him into an insane asylum by having him declared mentally incompetent to stand trial. (Sound familiar?)

Ticken pulled all the strings he could, including a trumped up psychiatric examination of Marino by a couple of Jew psychiatrists, but Judge Sullivan wasn't having any of it. The good judge threw the case out of court and blasted the government's psychiatric report on Marino as confusing.

The report said, in part: "From a legal standpoint, he is considered mentally competent to stand trial. From a psychiatric standpoint, he is considered not mentally competent."

Tony Marino is now free to resume his anti-Communist activities, but there are scores of patriots who are still being persecuted by the enemies of our country. "Right" newsletter reports that there are "at least twenty-three patriots who are either in jail or undergoing persecution at the hands of liberals. The real figure is unquestionably many times this."

Outlaw Jury Trials?

In a recent lecture before 200 students and faculty members at Chicago Teachers College, Dr. Harry E. Barns, sociologist and criminologist, leveled an attack on jury trials. He referred to them as "one of the most harmful, most universally accepted, and never criticized abuses of our legal system"

The doctor suggested that the jury should be replaced by a panel of "experts"—physicians, psychiatrists, psychologists, and social workers—"who would select the **reformable criminals** and determine whether institutional **treatment** or close supervision by probation officers is necessary."

Of course, Dr. Barns' plan is just another scheme dreamed up by the organized crowd of communistically-minded headshrinkers, most of whom are Jews, to railroad patriots into jails and insane asylums.

According to recent decisions by federal judges, anyone who opposes integration is a criminal, and in the distorted and warp-

ed minds of the Jewish electric shock sadists, anyone who upholds the purity of the white race is automatically in need of psychiatric treatment. Just imagine the fate of a John Kasper at the hands of one of Dr. Barns' "panels of experts."

More Jewish Spies

From the Chicago Tribune of January 26: "Another Russian spy ring was smashed here today by the FBI with the arrest of Jack Soble, 53, identified as its leader, and two other foreign born residents of New York City. The others were his wife, Myra, 52, and Jacob Albam, 64."

Newscasters referred to the Soble spy ring as "the biggest since the days of the Rosenbergs."

So another Jewish-Communist spy ring is broken. Soble, his wife, and Albam are all Jews. The Rosenbergs were Jews. In fact, practically every Communist spy who has ever been arrested in the United States has turned out to be a Jew.

When are the American people going to wake up to the fact that Communism is Jewish? The Jews admit it; the facts prove it beyond any doubt. Yet there are millions of poor misinformed Gentiles who still are in the dark, still being lead into war and ruin by the Communist Jews.

Get rid of the Jews and you will stop communism in its tracks. Don't waste your energy on the Gentile stooges of the Jews — they can be replaced. Unmask the Jews, remove them from behind the scenes, take away their ill-gotten wealth, and you will destroy communism.

Know the truth and it will make you free!

Illinois KKK Plans Spring Revival

The office of the Grand Dragon, State of Illinois, has informed **The Revere** that the recently re-chartered Illinois Ku Klux Klan is laying the groundwork for a spectacular comeback.

Plans are now underway for a spring rally which will be aimed at bringing several hundred new members into the organization. The meeting will be open to the public, and the Klan expects to attract over 2,000 spectators. According to the Grand Dragon, several prominent Amer-

icans, including John Kasper, Joseph Beauharnais, Asa (Ace) Carter, and Joe McWilliams, will be invited to appear as guest speakers. The rally, tentatively set for the latter part of April, will be attended by leading Klansmen and Nationalists from fourteen states.

ZIONISM (con't.)

Samuel, made in his book "You Gentiles." He says: "We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we need a world of our own, a God-world, which it is not in your nature to build."

Such a "God-world" is envisioned by international Zionism. The Satanic genius of the Talmud, is the fact that its criminal code finds expression through the religious instincts of a hybrid race of people.

They can slaughter into the millions of Christians in a Russian revolution . . . rape, murder and terroize thousands of Arab women and girls in a single 1948 night in Palestine . . . drive a million Arabs from their homes into the squalor of Middle East refugee camps, where living conditions are worse than that of dogs in the back alleys of American cities . . . murder Count Bernadotte in cold blood . . . engineer an invasion of Egypt in collusion with France and England, bombing Egyptian cities, leaving thousands dead (including women and children), doing millions of dollars in property damage . . . take over by military force an Arab refugee camp in the Gaza strip, muster out 8,000 young men between the ages of 18 and 25 and shoot them down in cold blood . . . defy a world organization by attacking the armed forces of the United Nations on Egyptian soil . . .

Crimes, crimes without parallel in history, justified, glorified, unpunished because Zionists are (according to the tenets of the Talmud), a people especially **chosen** of God — their miserable, warped, twisted concept of God!

COMMUNISTS PLOT TO AFRICANIZE WHITE FOLK

The current calypso craze in the United States is the latest step in the Communist conspiracy to Africanize the American white folk. Although a little more restrained than "rock and roll" and other forms of African "pulse-pounding music," this recent addition to the American scene is designed to further destroy racial integrity and self-respect among white people, especially the nation's impressionable white youth.

The Communist press openly admits that the U. S. Reds are behind this Africanization scheme. One Communist tract states: "The Supreme Court is not our only weapon for breaking down racial barriers. Through sensuously stimulating rhythms derived from Negro music, we are able to bring together the white and colored young people. Step by step we shall make them equal - - and then as one."

The following revealing excerpts are from an article titled "Bongo Party" which appeared in the March, 1957 issue of "Ebony," a Negro magazine:

"Beating savagely on their drums, dancing wild native capers and shouting African jungle chants, the Afro-Californians drive listeners to wild, hysterical antics. At one recent party, a well-known movie siren worked herself into such a frenzy that she passed out. . . . 'Everybody feels free to mingle with each other. I figure it's because bongo music makes for a relaxed atmosphere. Nobody has trouble getting along with the other guy, if everybody's relaxed.'"

America for white folk - - Africa for Africans! Let's keep African jungle music out of our America!

THE CHICAGO JUNGLE

THE JUNGLE BEAST THAT WALKS LIKE A MAN AND KILLS LIKE A BEAST

CHICAGO MAN BEHEADS LOVER;

BY ALEX POINSETT

From his Chicago jail cell last week, 29-year-old laborer Marshall Abraham seemed totally unconcerned over the grim fact that he had hacked off his girl friend's head with a hunting knife—only disturbed over reports that news stories had given inaccurate details of his grisly crime. Newspaper accounts had indicated that he had very carefully cut off the head of 34-year-old Anna L. Jones, then lugged it four blocks before finally depositing it in a trash can. "But that wasn't true," complained the unemployed construction worker. "I was misrepresented. I didn't carry her head no four blocks like they said. It was six." Then he named in quick succession the streets along the six-block route of his post-execution journey.

For a man whose own doom now seemed certain, Abraham was not at all reluctant to discuss his version of the crime he had committed in the late near-midnight hour before Easter. He had beheaded her, he said, "because I promised her I would. She had squandered money, he said, which he had given her periodically in amounts varying from \$20 to \$25 since their first meeting last June in a tavern. She had, at times, visited him in his apartment, he added, but would not agree to live

Marshall Abraham

with him because she feared loss of public charity checks which she received for support of her three children. On the night of the slaying it was an argument over her refusal to visit him that led to the grisly execution. In fact, as Abraham explained it, Miss Jones had teased him about it, as well as boastfully taunting him about her romantic excursions with other men.

"I don't play that," he said indignantly, the angry jealousy rising within him. And apparently he

REMAINS UNMOVED BY SLAYING

was not in a playing mood either when he rapped on Miss Jones' apartment door about 11 p.m. on Easter eve. She was at home with a son, James, 11, and a daughter, Ethel, 9 (another son, Charles, 10, was visiting an aunt). It was James who heard Abraham order his mother to leave with him. "But I've got to stay with my kids," she argued.

Abraham left alone. He went home, doffed his white sport coat and cream colored trousers, and slipped on a pair of old blue jeans and a sweat shirt—the kind of clothes he wore when he went to work. This time his only work tool was a well-sharpened Sears-Roebuck hunting knife.

In a short while he returned to Miss Jones' apartment and broke down the door when she would not admit him. He faced her, he said, knife in hand. "I told you I was gonna kill you," he said angrily, then lunged at her.

"I grabbed the back of his shirt," recalled young James, "and tried to pull him back. Then he got after me and Ethel with the knife, too. But we ran too fast for him."

Miss Jones was not so fortunate. Abraham, who admitted that he had fortified himself with six drinks of whiskey before his visit, said she swung at him with an iron bar. "She didn't trip over a curb like the newspapers said," he explained. "I knocked her down. Then I stabbed her a bunch of times here and there (he pointed to his shoulder blades). Then I cut her head off."

One witness, who preferred to remain unnamed, thought she was having a terrible nightmare, when, from her living room window, she saw Abraham astraddle Miss Jones, pounding her in the back.

"I thought he was hitting her with his fists," she said. "It was dark and you couldn't tell. Then I phoned police. When I looked through the window again, it looked like he was struggling to pull up something. He got it free in about five minutes. I could see then it was the woman's head. I couldn't stand to look anymore."

What happened after that on Abraham's six-block trek

through the neighborhood with his girl friend's head tucked under his arm remained for other witnesses to fill in. About five blocks from the scene of his self-styled execution, Abraham stopped at a tavern, laid aside the head for a moment just outside the door, then walked in, lit a cigarette and ordered a glass of beer.

"I served him right away," recalled bartender Romero Berni. "Then some woman asked him 'how come you so bloody?' The guy says, 'I just cut off your girl friend's head. You wanna see?' She didn't believe him, so he took her outside and lifted the thing off the sidewalk. She nearly fainted."

From there, Abraham went on his way, found a trash can, dropped the head in and headed for home. But he had forgotten to leave his bloody sweat shirt and knife. When he returned a short while later, police were already on the scene. They scrutinized him, asked him casually if he had killed the woman. "Yeah, I killed her," Abraham admitted.

"What were you going to do if we hadn't arrested you?" police wanted to know.

Abraham shrugged. "Go home. Take a bath, change clothes and get some sleep, I guess."

Does he regret committing the crime? "I'll be frank," he reflected in jail. "I never gave it no special thought." Then, when reminded that he had been declared sane and is charged with murder, he summed it up thusly: "Murder is murder. I guess I'll die if I have to."

The above photographic reproductions are from the Negro magazine, "Jet." This heinous crime which was committed right in the streets of Chicago's famous "Loop" was given no publicity in the Negro-catering newspapers of that corruption-ridden city.

The guilt for this crime cannot be placed entirely upon the shoulders of the killer. After all, the Negro is an emotional, amoral, semi-primitive. In the dark jungles from which he comes, when one Negro becomes angry with another he simply goes into his enemy's village, seeks him out, chops off his head, and shrinks it. We must not forget that the Negroes of America are not far removed from that state. To the Negro, the only solution to a problem is the solution of the savage.

And these are the type of people that the de-segregationists want to mix with little white children in the schools; the people who should be our social equals; the people who should be allowed to move into respectable, crime-free white neighborhoods and communities.

JEWISH RITUAL MURDER

"The two principal feast-days associated with Ritual Murder have been (1) Purim, and (2) Passover, the latter at Easter and the former about one month before it. When a Ritual Murder occurred at Purim, it was usually that of an adult Christian who was murdered for his blood; it is said that the blood was dried and the powder mixed into triangular cakes for eating; it is possible that the dried blood of a Purim murder might sometimes be used for the following Passover.

"When a Ritual Murder was done at Passover, it was usually that of a child under seven years old, as perfect a specimen as possible, who was not only bled white, but crucified, sometimes circumcised and crowned with thorns, tortured, beaten, stabbed, and sometimes finished off by wounding in the side in imitation of the murder of Christ. The blood taken from the child was mixed either in the powdered state or otherwise into the Passover bread.

"Another festival at which it is thought that Ritual Murder has sometimes been indulged in is Chanukah, which occurs in December, commemorating the recovery of Jerusalem under the Maccabees in B.C. 165.

"Examples of Purim murders are those of Damascus, Rhodes, Xanten, Polna, Gladbeck, and Paderborn.

"Although hate is the principal motive, superstitious traditions are also involved, one being the association of blood-sacrifices with the idea of atonement; some Jews have confessed that Jewry cannot be saved or return to Zion unless every year the blood of a Christian is obtained for the purpose of ritual consumption."

"1823, Velisch, Russia - On Easter Sunday, a 2½-year-old boy disappeared. His body was found in a marsh one week later; there were punctured wounds all over the body and a bandage had been tied around the legs. The body had been undressed, washed, and again dressed. No blood was found near the body, which was drained of blood. Doctors gave evidence on oath that the child had been tortured to death. Some years later, five Jews were arrested together with three Russian women who had become Jewesses; these three women confessed that they had, one week before Passover in 1823, been made drunk by a Jewess who kept an inn and that the latter had bribed one of them to procure a boy. One of these converted Jewesses described how the boy had been forcibly circumcised by the Jews and rolled about in a barrel until his skin was scraped all over. The boy had been taken to the school where a number of Jews were assembled, laid in a trough, and all present had made stabs with a nail in his side and temples. When the boy died under this torture, his body was taken to a wood by two of the converted Jewesses; and the third woman took a bottle of the blood of the boy to the Jewess innkeeper aforesaid. Next day, the Rabbi's wife took the three women again to the school where the Jews were gathered; bottles were filled from the trough by means of a funnel, and the Rabbi dipped a nail into the blood and dropped a little on to a number of pieces of cloth, one piece of which was given to everyone present."

"1255, Lincoln, England - A boy called Hugh was kidnapped by the Jews and crucified and tortured in hatred of Jesus Christ. The boy's mother found the body in a well on the premises of a Jew called Joppin or Copinus. This Jew, promised by the judge his life if he confessed, did so, and 91 Jews were arrested; eventually 18 were hanged for the crime. King Henry III himself personally ordered the juridical investigation of the case five weeks after the discovery of the body, and refused to allow mercy to be shown to the Jew Copinus, who was executed."

The above quotations are from Arnold Leese's book, "Jewish Ritual Murder," (50¢ from C.P.C.) published in 1933. Unfortunately, similar atrocities continue today - and right here in the United States. Next month we hope to be able to send to subscribers a sensational pamphlet bringing this shocking issue up to date, exposing a number of Jewish Ritual Murders committed in the past two years. This will prove to be the most important document in over a decade and will wake up millions to the Jewish menace.

SHOULD YOU OWN A GUN?

"Should You Own A Gun?" is the title of an excellent article appearing in the April, 1957 issue of American Mercury magazine (250 W. 57th St., New York 19, N.Y., 35¢ per copy, \$4.00 per year). All the arguments for restricting gun ownership are thoroughly debunked by writer Karl Hess. We feel sure that any intelligent patriot who does not now own at least one firearm will seriously consider going out and buying a gun after reading this. One can never tell when the day may come to fight, yes fight, right in the streets of America!

ZIONIST PROPAGANDA UNMASKED

The contrast between Christian and Jewish values has never been more strikingly evident than in the founding and furthering of the Jewish State of Israel. The tragedy is that most Americans who read Zionist propaganda reports ("Israel is as American as your home town") will never investigate further. Few will take the trouble to learn, for example, that very much unlike your home town, Israel is a state where 85 per cent of the land is the outright property of the central government. However, there is little need for our American system of "a backyard of your own" because family life is all but eliminated by Israeli social legislation. In the Jewish farm communities children are taken from their parents after birth and raised in separate areas. At determined intervals, parents are invited to visit the children's barracks to watch the communal progress of their offspring. When they reach the age of 14, most of the young Jews are through with school, and all, both girls and boys, spend their next, most formative years (until they are 20) in the Israeli Army. The sight of a truck-load of 15-year-olds with guns and live ammunition strapped to their shoulders - an everyday scene in Israel - would hardly remind the average American of the high school pastimes of his youth. Yet the hoax continues!

In conjunction with the Israel-can-do-no-wrong propaganda, there has been a determined program to keep Americans unaware of the gross injustices, by our standards, which Israel, with Jewish standards, has perpetrated in the Middle East. When the United Nations, that town meeting of world Jewry, first decided to hand over the Holy Land as an autonomous state for the Jews, there was no time lost in dispossessing and expelling every indigenous Arab who was in the way. So messy did the affair become that even a small group of U. N. people (Gentiles, of course) thought that something should be done for the unfortunate Arab "refugees." The gentleman who dared propose this plan, Count Bernadotte of Sweden, was promptly shot by the Israelis.

The number of new Arab refugees resulting from the Zionist police state's latest aggressions, in Gaza and the Sinai Peninsula, has not yet been calculated. But we are assured that there will be no Jewish remorse over the situation. Speaking recently in Boston, Russian-born Golda Meir, Israel's Foreign Ministress, said very plainly that if the decision to invade Egypt were once more hers to make, then, "As I did it before, I would do it again!" --Reprinted from "The Point," 12 Bow Street, Cambridge 38, Mass.

PLOTTERS AGAINST HEALTH

The health of a nation is one of the most important factors contributing to its strength. The Jews know that they can materially reduce opposition to their satanic plot to destroy our Christian America by ruining the health of the Gentile population. For how, correctly reason the cunning Jews, can the Christians fight the Jewish-Masonic-Communist-Zionist conspiracy when their strength and vitality are being slowly sapped from their bodies by Yiddish-connected poisons like the Salk polio vaccine, fluoridated water (brain deadener), and food colorings?

Through their Federal propaganda agency, the U. S. Public Health Service (run by Russian Jews), the Christ-hating children of the devil work to undermine the health of the Gentiles by propagandizing their fiendish, deadly poisons -- falsely selling them to the American people as safe and effective measures for the cure or prevention of various diseases and afflictions.

If we are to stop this diabolical Jewish scheme we must work to smash the gigantic medical trust operating in the United States, run at the top by Jews, and including, in addition to lesser organizations, the American Medical Association, the Public Health Service, and the chemical lobbies. Its stranglehold on the American people and the honest members of the medical profession must be broken.

Everyday this trust remains in power, the health of this nation will continue to deteriorate. Just as to destroy our health is one of the prime targets of the Communist Jews, so must fighting this objective remain foremost in our plans. A healthy America can defeat the Jews; a weak, sick America will be enslaved by the Jews. Which will it be?

ARREST AND PROSECUTE PRESIDENT EISENHOWER FOR HIGH TREASON!

The following resolution adopted - this the 27th day of Sept., by members of the CITIZENS COUNCILS OF KENTUCKY, INC.

RESOLVED:- That President Eisenhower is guilty of high treason against the Constitution of the U. S., and should be forthwith arrested and brought to trial under the provisions of Section 2381 Title 18 of the United States Criminal Code which in part states:

"Whoever, owing allegiance to the United States, levies war against them, or adheres to their enemies, giving them aid and comfort, in the United States, or elsewhere, is guilty of treason and shall suffer DEATH."

Under the criminal statute above quoted - we charge and indict Dwight David Eisenhower with the following high crimes;

1) He has levied and is waging war against the Sovereign State of Arkansas.

2) He invaded the sacred soil of an independent state of this Union, terrorized and bullied its unarmed and defenseless citizens in open violation of the Constitution and laws of the U.S. and his solemn oath of office to defend that Constitution.

(3) He has actually sent armed forces into the classrooms of Central High School in Little Rock to force 2,000 White children to surrender their rights to the wishes of 9 Negro students and to carry out the Communist program of race-mixing, embodied in the illegal, unconstitutional and void Supreme Court opinion.

4) Under Eisenhower's administration an order has been issued to alert other military units for similar illegal and despotic invasions of other sovereign and independent states and communities throughout the South.

5) As top European Commander in World War II, he forced the withdrawal of U.S. troops from thousands of square miles of hard won territory to make way for the Communist atheist murderers to set up their brutal dictatorship in East Berlin, Prague, and Vienna - the cradles of Christian Civilization.

"If I were Governor and he (the President) came in, I'd give him a fight such as he's never seen before. I'd proclaim a state of insurrection and I'd call out the National Guard and then we'd find who's going to run things in my State..."--
-Sen. Olin D. Johnston.

Victim of storm-troopers of Eisenhower, the Zukov of America

6) He has given official sanction to the perfidious high crimes of his predecessors, in regard to entangling of this nation in the U.N. and N.A.T.O. and other organizations which undermine the independence of this republic.

7) He has taken no effective measures for the release of American prisoners held by the Red Chinese gangsters in violation of the agreement at Panmunjom, Korea.

(continued on page 2)

THE REVERE

(continued from page 1)

8) He has publicly boasted of his friendship for Zukov and other Communist officials who are part of the world conspiracy to destroy this nation.

9) While pretending to be opposing Communism, he has sought to establish it on the ruins of this Republic.

In the name of the CITIZENS COUNCILS OF KENTUCKY, INC., we charge Dwight David Eisenhower with all this villainy.

We ask for his forthwith arrest and trial for treason in the name of the Constitution and laws of the U.S., which he has caused to be violated and subverted.

We ask for his arrest and trial in the name of the people of this republic, whose national honor he has disgraced.

We ask for his arrest and trial in the name of the White Race, against whom he has declared and is waging relentless war.

Such crimes necessarily flow from an evil, bitter and malignant mind, and reveal an inveterate blackness of heart, dyed in the grain with malice, vitiated, corrupted and gangrened to the very core. -

Attested by - - CITIZENS COUNCILS OF KENTUCKY, INC., Millard Dee Grubbs, Chairman, 1427 South Sixth Street, Louisville, Kentucky.

EDITOR'S NOTES

● President Eisenhower, the Supreme Court, Attorney General Herbert Brownell, and the federal judges who have ordered the Supreme Court's illegal and unconstitutional integration edict to be obeyed are undoubtedly guilty of high treason. They should all be removed from office, brought to trial, and, if convicted, "publically hanged until they are dead, dead, dead," as John Kasper would say and in accordance with U. S. law.

Such actions would be entirely justified in the eyes of God, but by themselves could only temporarily alleviate the situation.

If we are to solve the negro problem we must first get to the heart of it. Eisenhower, Warren, Brownell, etc. are only pawns, willing tools of the real conspirators - THE JEWS.

Just as the Jews are behind everything that is totally evil, so they are behind the negro problem.

Communism is Jewish; it is a Jewish plot for enslaving the peoples of the world and destroying

the White Race; integration and mongrelization are part of the Communist program and are, therefore, also Jewish. All integration movements are Jewish inspired. The NAACP is a Jewish-front, run by Jews.

The Jews are the manipulators behind Eisenhower and his partners in treason. The Jews are the ones who rule in secret and issue the orders. The Jews are the ringleaders and the arch enemies of the White Race.

Unmask the Jews, remove them from behind the scenes, seize the money power from their hands, strip them of their ill-gotten wealth, and deport them to a small isolated island.

Then the Negro problem will be solved once and for all time, and the members of the white and black races can live together in peace and harmony - segregated - as the Almighty Creator intended.

● A veritable reign of terror exists in Little Rock. Contrary to what the controlled press has reported, the federal troops have ravaged the entire city. Scores of defenseless white citizens have been beaten and severely wounded by savage hate-filled paratroopers, many of whom are Negroes. Military censors have suppressed the shocking facts on the number of rapings and other assaults that have occurred since the Eisenhower-Brownell-Warren-Frankfurter storm troopers invaded and occupied Little Rock.

As frightening and incredible as all this is, it is just a sample of what the alien traitors and international gangsters in the White House have in store for the white people of the South. A total occupation is being planned. Hundreds of thousands of FOREIGN NATO troops are being alerted for emergency duty. RECONSTRUCTION IS HERE AGAIN!

● Reports reaching this paper at press time reveal that the South is swarming with F.B.I. agents. They are believed to be the advance guard of agents who will move into that area to police the new "civil rights" law. Under secret instructions from Attorney General (Gestapo Chief) Herbert Brownell the F.B.I. is gathering "evidence" which the government hopes to use to railroad Southern patriots into federal concentration camps. RECONSTRUCTION IS HERE AGAIN!

● Something we might all take into consideration: Blown up school houses can be rebuilt; the White Race, once contaminated by Negro blood, will be forever destroyed. RECONSTRUCTION IS HERE AGAIN!

THE REVERE

● Informed sources in Washington, D.C. say that President Eisenhower jumped the gun by two days when he sent federal troops to Little Rock's Central High School on September 24. The behind the scenes manipulators had originally scheduled the act for September 26 -- the first day of the Jewish new year.

THE 'GATORS'LL GET YOU-IF YOU DON'T WATCH OUT

Alligators are protected and coddled by the state of Florida, so they grow to be enormous monsters. One 11-foot specimen recently chewed up a 9 year old boy and then left the body to rot for a future meal as these reptiles prefer their food after it is very decayed. The bereaved parents were not allowed to kill this sacred creature, but must perforce humbly petition their masters of local police power to do so. It is said that every dog is "allowed one bite", so it seems also that every Florida 'gator is allowed one human morsel. Then, when and if, this misdemeanor may be discovered and reported, the law (if the local peasants raise enough fuss) may eventually seek to determine which monster killed which human and may even destroy the brute, with great reluctance.

In a larger sense, U. S. patriots and our rights and liberties are also being thrown to the international 'gators who lurk in the muddled political and economic waters of present day America.

American Generals and Admirals who oppose or expose our alien 'gators are immediately shoved to the reeking jaws of these brutes, whilst we erect memorials and libraries and sacred shrines to the 'gator attendants who stoop to do their bidding.

Congressmen and Senators who oppose these slimy hidden 'gators are quickly pushed into the scummy, swampy quicksands and never rise again.

A Mitchell, Lindberg, McCarthy, or MacArthur who raises his voice in protest soon becomes 'gator bait.

Meantime the 'gators of Mental Health, Foreign Aid, Foundations, Flouridated Water, Status of Forces Treaties, United Nations, World Health Organization, Civil Wrongs, Unrestricted Immigration, Brotherhood and Democracy grow in size, cunning and strength until they can grab and devour any others of us peons who deviate, who do not conform, or even prove to be slightly mentally disturbed at discovering these hidden-hand Dinosaurs. - Anon.

AMERICA SALUTES

THE HEROES OF NASHVILLE

White America looks with pride upon its brave and courageous sons who battle for racial purity in Nashville. You made a great show of strength and determination. We congratulate you Patriots who fought against the Communists Judges, crooked politicians and lying newspapers. Your demonstrations have encouraged the people of Little Rock and other places to stand firm and rise up against the mongrelizers. Round one of this life and death struggle is over.

Only by police brutality in Nashville, and Federal bayonets in Little Rock are the integrationists making any headway. Integration is slowly grinding to a dead stop.

We must take over every town and state in the South, Legally and politically, then we can meet Eisenhower's troops with forces of our own. Then we can arrest Communist Federal judges for disturbing the peace, vagrancy, loitering, etc. With the State guard and police on our side we will tell Eisenhower to go to HELL!

Eisenhower is starting a Civil War against all the White South. Federal bayonets in the backs of our sweet innocent little children is a crime against our people, which demands justice and vengeance. United, the Whiteman has the strength of steel, the cry of our Freedom Fighting Forefathers was, "The Redcoats are coming." In the same Spirit of '76, our cry will be "The Red Courts are coming." Let this warning awaken the workers and farmers, to crush the invaders as was done by George Washington and Robert E. Lee. - Dr. Edward R. Fields.

"We still mourn the destruction of the sovereignty of Hungary by Russian tanks and troops in the streets of Budapest. We are now threatened with the spectacle of the President of the United States using tanks and troops in the streets of Little Rock to destroy the sovereignty of the State of Arkansas." - Senator Herman E. Talmadge.

"The people of these United States are the rightful masters of both congresses and courts, not to overthrow the Constitution, but to overthrow the men who pervert the Constitution." - A. Lincoln.

THE REVERE

WE NEED A RUNNYMEDE

Of the many American lawyers who assembled at Runnymede, probably not one in ten had ever read the Magna Carta. Our Chief Justice may have brushed up on it for the occasion. It is not a document easily found in book stores and libraries. In fact, in some large libraries it takes time to locate a copy. It is discussed in encyclopedias but generally not quoted in full.

The barons and bishops who forced the Charter from the hands of King John not only wanted freedom from the unbridled will of the King, but they also demanded freedom from the financial power of the Jews - a power too often used by the King himself. By threatening the Jews, the King could replenish his exchequer.

It must be remembered that the Christians of that day were not allowed to accept interest - that field was left wide open for the Jew. The Jew used it until he had enslaved the debtor. All that was corrected by the Charter.

The Kings following King John pledged allegiance to the Charter and reissued it generally following the original text. The feeling against the Jews, their trickery and usury grew until the coming of King Edward who settled the matter by giving them six months to leave the English shores. How much simpler would be the problems facing England today if the policy of King Edward had been adhered to. But wars bring the Jew back into power. His money is sought for and to get it concessions must be made. With the coming of Cromwell came the return of the Jews. Their appeal to return was referred to a commission of merchants and devines appointed by Cromwell - "The Protector" and although they reported against it, Cromwell connived to let them return. Like a growing cancer they have penetrated throughout the soft spots of the English race. But the English basic stock is still sound, fully capable of purging the nation of the Jew notwithstanding the fact that his sons and daughters have married into English wealth, aristocracy and royalty.

Today they have a powerful influence on all English policy just as they have throughout the United States. They were the deciding factor in our recognition of Israeli eleven minutes after it had been declared a state by U.N. Forrestal had opposed the recognition of Israeli. Due to his opposition the Jews were after his scalp and he was on his way out as a cabinet officer. When four Ambassadors of the Middle East appealed to President Truman not to recognize Israeli, but to abide by the promises made by President Roosevelt to the Arabs, President Truman is quoted to have said - "I am sorry, gentlemen, but I have to answer to hundreds

of thousands who are anxious for the success of Zionism. I do not have hundreds of thousands of Arabs among my constituents." That fixed the Jewish vote for the time.

We need a Runnymede in the United States to free ourselves from the growing power of the Jews in finance and politics. It is reported that our Secretary of State has said that he trembles at the growing power of the Jews throughout the world. The wisdom of the statement credited to Benjamin Franklin when he urged the framers of the Constitution not to grant suffrage to the Jews, stands proved. All the effort today to prove that Franklin made no such statement is beside the point. The fact remains that such a recommendation by any delegate would have been wise for the importance of the facts involved stand 100% true no matter who might have voiced them.

Although there are over thirteen million Jews of all classes in our Republic they have not, as yet, entered the life blood of our race so seriously that a purge is impossible. Let us work and pray for that day when an aroused Congress loyally backed by forty-eight legislatures representing the determined will of the great majority of our Christian citizens, frame a charter which the President of that day will be forced to sign, issue and execute. Such a charter should give the Jews a limited time in which to close their affairs and leave our shores, at home and abroad.

Nothing less will save the United States of America. - George Van Horn Mosely.

CHICAGO IN THE HANDS OF FIENDS

Today Chicago stands disgraced in the eyes of the world. The most brutal series of child murders in the history of this country is unsolved. NOT ONE CLUE HAS BEEN DISCOVERED! Is this really true? Is it possible to kidnap and murder children in the heart of a great city, without anyone seeing or hearing anything? There have been rumors of a coverup since the current series of child murders began in 1955 with the slaying of the Schuessler children and their companion, young Robert Peterson. The three bodies of the children, drained of blood, were found in a remote section of the city. When the father of the Schuessler boys began to mention the possibility that his children had been killed in the manner described in Arnold Leese's historical work, "Jewish Ritual Murder," he was kidnapped, taken to the Steinfeld Sanitarium in Des Plaines, and murdered. This murder was promptly hushed up by the authorities. A few months later, after aroused Des Plaines citizens demanded that the murder sanitarium be investigated, Dr. Steinfeld disappeared. A few weeks later his body was found hanging in a hotel closet in Switzerland. The verdict was suicide, although this interesting development was ignored by the *Chicago Press*.

MORE CHILDREN MURDERED

When the Grimes children were murdered in the same manner, their bodies drained of blood and cast contemptuously aside, we witnessed a vile attempt by the *Chicago Press* to smear these innocent little girls as hardened prostitutes. The intent was to muffle public indignation over the crime and to convince the public that it was a sex crime, thus concealing the fact that it was a Jewish ritual blood sacrifice such as have occurred throughout European and American history, attested to by papal records in the Vatican and in many Christian countries.

Jewish Sheriff Lohman, acting for Jewish political boss Jake Arvey, a fanatical Zionist, arrested an illiterate Skid Row character named Bennie Bedwell. A fantastic confession was written for Bedwell, stating that he had spent several days in various flophouses with the Grimes children and engaged in intercourse repeatedly with them. Bedwell was intimidated into signing this confession, and Jews of the area began to breathe easier. A few days later, the confession was shown to be false by the fact that the Grimes girls were found to be virgins, and also food found in their stomachs proved that they had been murdered several days before the Bedwell confession claimed they had been with him. Also, two older girls were found who proved to be the ones whom Bedwell had actually been involved with.

BEDWELL PERSECUTED

With this phony "confession" shattered, Jewish Sheriff Lohman had no alternative but to release Bedwell. However,

he made a vicious attempt to dispose of him by initiating a trumped-up charge of rape in a small Florida town which Bedwell had visited some months before. This attempt also failed, but one can only pity the unfortunate Bedwell, for Lohman must dispose of him to save his own skin. It will be interesting to see how Lohman finally accomplished his goal. Once Bedwell is disposed of, Lohman can always claim that Bedwell actually murdered the Grimes girls and thus cover up the blood ritual angles of the case. Lohman today still declares that Bedwell is the killer, in the face of a mass of evidence to the contrary.

INNOCENT GIRL SMEARED

When the body of Judith Andersen was found, it was discovered that the body had been drained of blood before being cut up, although only one Chicago paper, the *Daily News*, passed this information on to its readers. The other papers apparently felt that this clue pointed too definitely to a certain group, and hushed it up. Instead, they began an abortive and horrible campaign to smear the name of this innocent little Christian girl, just as they did in the Grimes case. The smear was printed that Judith Andersen was in the habit of getting into the automobiles of strange men, thus indicating that she was a part-time prostitute. After doctors found that she had not been molested, had never had sex experience, and that there was no possible sex angle to the crime, the papers were forced to abandon their vicious smear. Everything known about this child proves that she was an innocent, lovable little Christian girl, just as the Grimes girls were, but the press will never apologize for their efforts to throw readers off the scent.

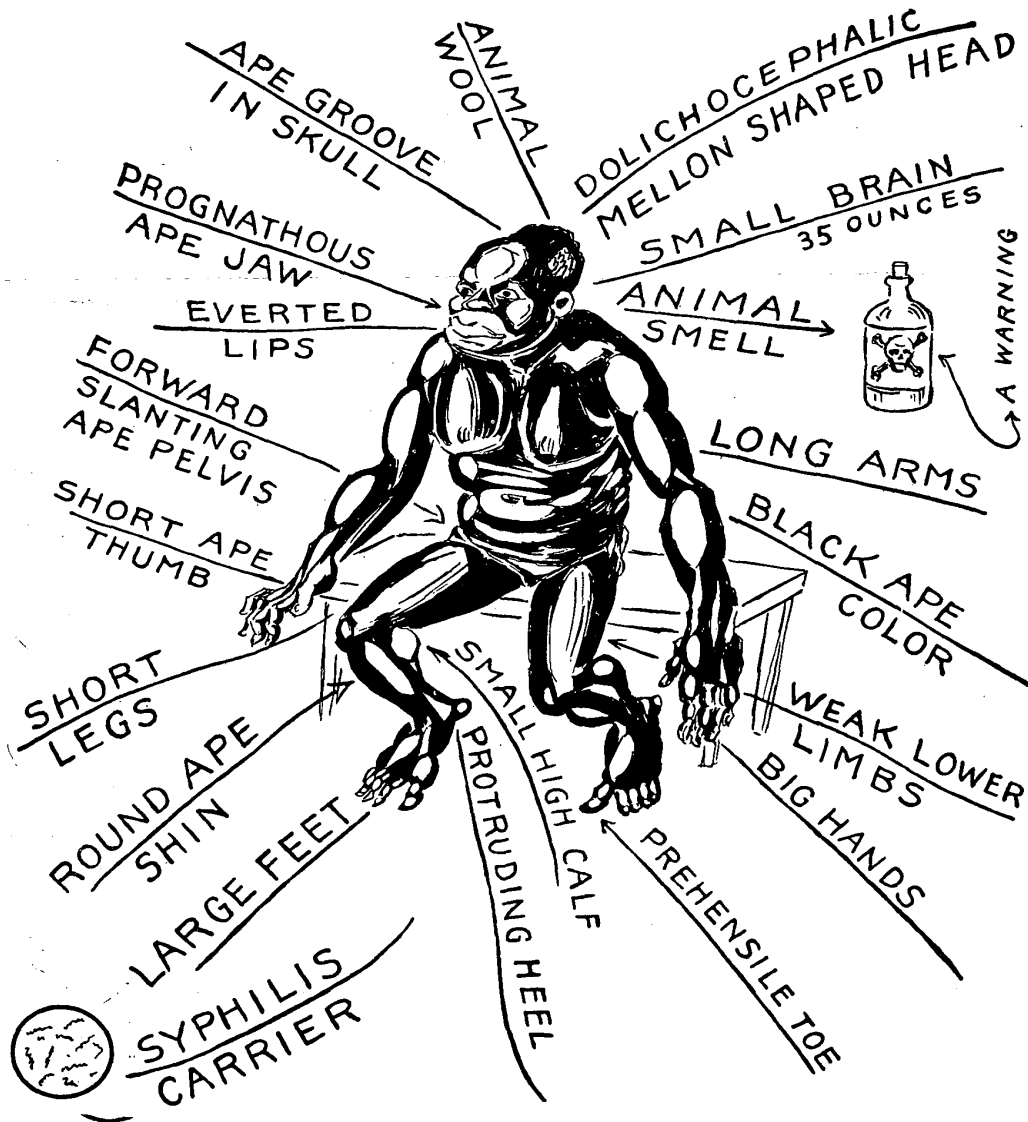

Now, read back over the sentences of this story. Is not this the most shocking, the most degrading, the most incredible record ever compiled in a supposedly civilized area? Go back into history and try to find a city in which children were indiscriminately seized and murdered, their blood drunk, and the drained white bodies flung on dungheaps. There were cities in Europe in which this happened until the people rose up and drove the Jews out, but no city in Europe was ever so completely in the hands of the Jews as Chicago, where the press prevents the people from learning the truth, and whose government is so completely in the hands of the Jews, covering up these foul murders so that the people would be powerless to act even if they did learn the truth.

What will you do to protect white Christian children from the blood-drinking fiends? If all the facts of this case are presented in a single pamphlet, will you promise to see that the parent of every teen-age child in your neighborhood reads it?

The NEGRO

(Africanus)

The Negro's head shows the archaic form. The front of the Negro's skull is much smaller than the white man's thus giving the Negro less room for the higher faculties, such as affection, self control, will power, reason, judgement, apperception, orientation and a feeling for the relationship of personality to environment.

Formation determines the amount of intelligence that will be reflected just as the size and shape of a glass pitcher determines the size and shape of the water in it. If this were not so there would be no law governing intelligence and one organism would reflect as much mind as another regardless of its construction.

The Negro's whole skull capacity is much undersize so that the black brain weighs 35 ounces as against 45 ounces for the Caucasian brain.

In the Negro the cranial bones are very thick and the cranial sutures unite early in life. This checks the development of the brain and explains the sudden stunting of the Negro intellect shortly before puberty.

The Negro's hair is flat and without a center core or duct. It is not a true human hair but resembles the wool of the lower animals and it can be felt.

The Negro's eyeball is tinged with yellow as is the ape's. The jaws protrude so that the facial angle of the Negro is 70 degrees as in the ape. The white man's facial angle is 82.

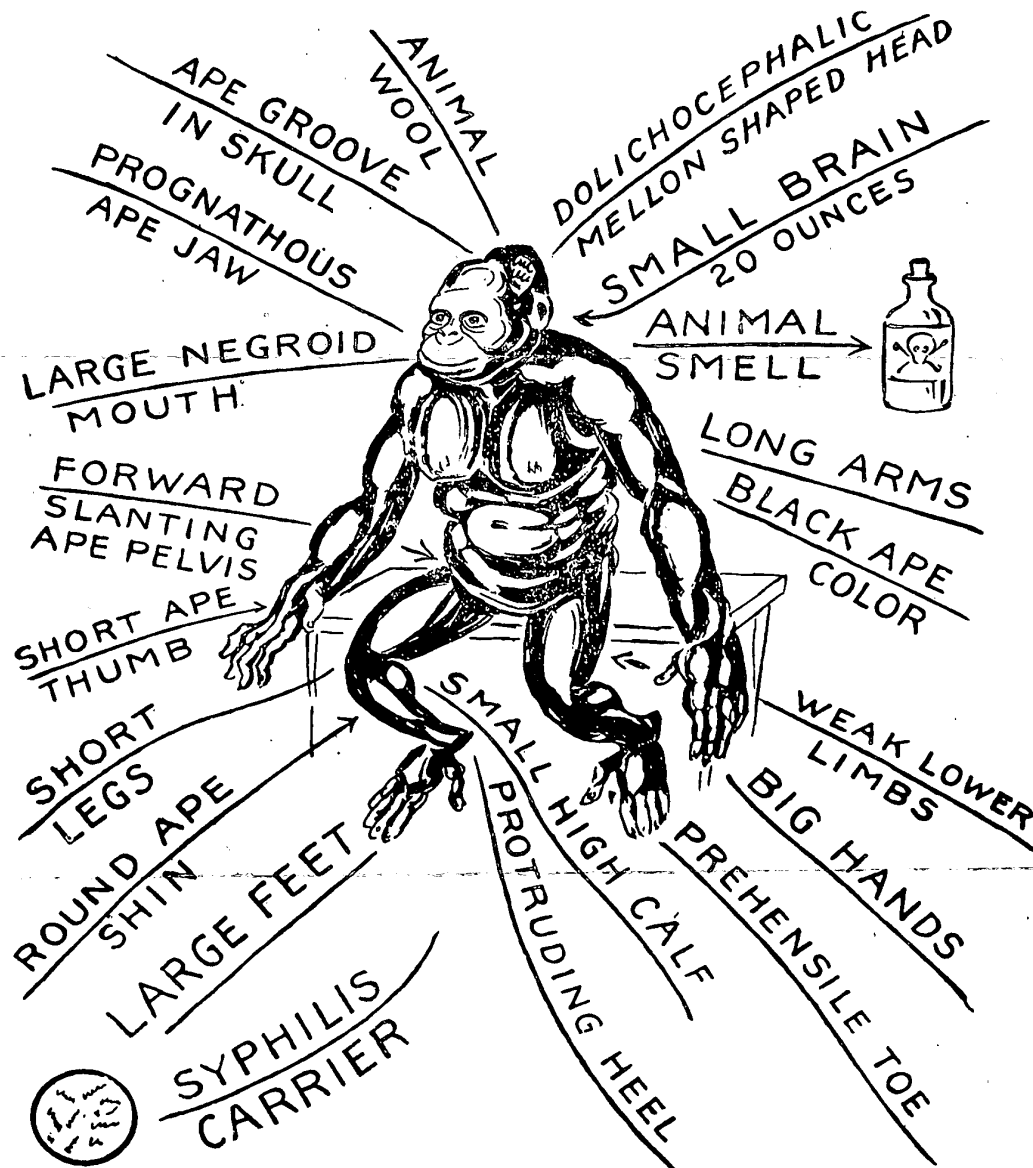

The Negro's nose is concave at the bridge as is the ape's. The nostrils turn up and show the red inner lining. The lips are everted and show the red mucous membrane.

In the white man the alveolar arch and palatine area of the mouth became shortened and widened and the tongue became shortened and more horizontally flattened which allows for greater refinement in pronunciation while the Negro palate and tongue remained ape like (macrodon) and he is unable to pronounce sibilant sounds. Sibilant sounds are unknown in Negro dialect.

The Negro carries stench glands as does the dog and in his natural state these may serve as a means of identification in place of a name. This stench (from extra sweat glands) is partly under control and is put out when the Negro is excited.

(over)

The APE

The black skin of the Negro has nothing to do with climate. It is caused by animal coloring matter between the true and the scarf skins. It is proven the world over that black and yellow skins are signs of mental and spiritual inferiority and that no tinged race can create a civilization.

A few mulattoes may appear to be brilliant but this brilliance never allows them to invent or create which shows they have not bridged the gap between the black and white, for no archaic form can become modern.

While the Japanese are great imitators they have never been known to produce a great inventor or creator because they are a white race that has become polluted by Negro blood at some time in their history.

The Negro is much closer to the ape than any other race physically and consequently mentally for form must determine mental and moral qualities and like must produce like. Every race is different physically and thereby mentally. With the Negro, the body - hence mind - is the lowest of all.

No amount of imitation and apeing will instill a creative or inventive instinct into the Negro nor will education or sympathetic aid.

The Negro has had just as long as the white man to develop. Tens of thousands of years have passed by and the Negro has not produced a civilization. Where is his art, his science, his religion? What single aspect of civilization has he contributed to present day culture?

The Negro has no morals. He is not immoral but non-moral. Without the white man to control him the Negro reverts to savagery and practices torture, cruelty and witchcraft. The Negro is a natural cannibal and on his native doorstep may be found choice cuts of human flesh. In Africa the Negro even sells his dead relatives and will eat human flesh after it has become decomposed.

As the black genes of the Negro are more powerful than white genes - the Negro has thereby destroyed every white civilization that he has come in contact with or has left that civilization stagnant and rotting and dependent upon the last drop of white blood from outside to keep it going.

Negro blood which differs from all other human blood and has a sickle shaped cell has destroyed Egypt, India, Carthage, Greece, Rome; and caused the deep animal sleep to fall upon China, Portugal, Spain and Turkey.

Unless the Negro race with its deadly sickle celled blood is separated from the white race it will completely destroy America.

WHO IS THE REAL ENEMY?

by The Patriot

The smug, self-satisfied American, constantly reminded of his million-dollar school-buildings, deluged with literature and "information", ignorantly believes he knows what is happening in this crazy, mixed-up world in which we live today. While the mysterious powers controlling this barrage of propaganda try to keep the American occupied with sex, sports, and something-for-nothing, still we see daily that some sinister invisible power is dragging our great nation down, down, down.

SO EVERYTHING IS ALL RIGHT?

While we are taxed as have been no other people in history, we are daily reminded how virtuous we are to submit to this ever-increasing legal robbery. We see our bankrupt Federal Government generously handing out lavish foreign gifts and vast domestic subsidies, which seem to create only further excuses to justify more and more crushing taxation and Federal seizure of all power. We have been forced to fight three bloody wars for which our nation gained nothing but gigantic debts and victory for World Communism. We are being mysteriously conquered by the Illuminati House-of-Cards, that is struggling desperately just to maintain its frightful oppression over some billion most unwilling subjects, who could be easily aided to overthrow their hated Red Masters. Yet our government squanders the fabulous monies, which it extracts from us in the name of defense, only to aid Communism to swallow the world! We are daily subjected to movies, television programs and literature that continuously belittle the strong, intelligent White Men and glorify the weak, the effeminate, the depraved, the Jew, the Negro, the Chinese and the Hindu. We are frequently told that the magnificent White Race that created modern civilization is doomed to subjection by the unimaginative, complacent, docile coloreds whom we could easily exterminate in toto if we so had a mind.

SALUTE THE JEW

DESPOILER OF MANKIND

WHY?

Who has decreed that the greatest people in the world should just lay down and die! These questions have been seriously investigated by a dedicated handful of inquisitive patriots who refused to believe that they must submit without a fight to degradation, mongrelization, and slavery in its most hideous form. The reasons behind all these illogical "bunglings" always stem ultimately from the same source, the fantastic conspiracy of an alien minority to persuade humanity to enslave and destroy each other! This exceedingly clever, diabolical scheme is rapidly approaching complete achievement, and YOU are in dire peril. THIS IS RACE WAR TO THE DEATH!

JEWISH RACIAL DISCRIMINATION

You are continuously cajoled that race is a myth, yet the Jews who bombard you with this stupendous lie deny it in their every act! There

THE REVERE

has never in all history been such a bigoted, race-conscious group -- their every act from cradle to grave is guided first, last and always to preserving and advancing the Jews at the expense of all others. Do they integrate? Do they practice brotherhood toward you? Do they aid needy Gentiles with the fabulous tax-free donations to Jewish "charities?" What Jews do you know who are in need of charity? Their bureau of propaganda, the American Jewish Committee, and their secret police, the Anti-Defamation League, are they charities? Why are donations to their trouble-making, hate and strife-creating NAACP permitted to go tax-free? Did you know that the Jews have cold-bloodedly murdered since 1917 over a hundred million of the best non-Jews trapped in the clutches of their horrible Communism, in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality? Did you know they are openly discussing forced mixed marriages? (White-Negro)? Has it ever occurred to you that while the Jews fumed and breathed fire and hatred about their Nazi "exterminators" and pushed us into total war to make the world safe for the Jews, yet to your knowledge not one of the many Jews you know ever joined in the bloody fighting against their alleged "liquidators"? How could the Jews almost to a man escape front-line duty? What mysterious power effected this outrage against the Gentiles? Have you ever stopped to wonder? And while you and your kin were suffering and dying, millions of Jewish "refugees" (invaders) poured into this country as though no immigration laws existed, while Gentiles found it almost impossible to come to America. While you fought and bled, the Jews bilked our people of billions of dollars in crooked war contracts, their "sacrifice on the Home Front!"

THE ROLE OF THE NEGRO

The Jews publicly pretend to be champions for the Negro, yet you should know that they try hard to conceal the fact that they despise the Negro as much as they despise us. Why? Because they find the Negro a most useful tool to use against us. The childish Africans are even more susceptible to their brain-scrambling propaganda than you are, and are completely incapable of leadership. They are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro Zombies to protect them in Washington, the center of government, and in New York, the center of Jewry; just in case we wake up before they take our guns away from us.

THE END OF THE WHITE RACE?

The Jews repeat daily that the White Race is on the road to oblivion -- that the black savages of Africa, and the pitiful masses of India and China will do away with the White Man -- and you meekly believe it, for no one has ever told you the truth! The time has come to assess the situation honestly! The European White became the dominant race of man because our leaders possessed the intelligence, imagination, courage, energy, and the morality to seize destiny in their own hands. Now that we have built a wonderful new world, shall we meekly permit a small band of effeminate pirates to despoil and destroy us?

THE ACHIEVEMENTS OF THE MODERN WHITE MAN

The people originating in the island of Great Britain have, with invaluable contributions by the other White Men of European origin, created modern civilization. The Negroes have always been completely incapable of contributing to civilization. The Asiatics almost ceased contributing nearly a thousand years ago. The Jews have contributed only microscopically, in spite of their insistence upon mental occupations. Einstein and Freud, their most publicized "scientists" were highly imaginative speculators who have contributed more confusion to the orderly progress of science than they have useful knowledge; Salk, after being subsidized extravagantly by the Jewish-controlled Polio Fund, has produced a vaccine of questionable value. Yet the Jewish controlled Press hails them as the greatest scientific geniuses in history. You poor vilified Anglo-Saxon and Celt, the Jews have yet to produce a Newton, Watt, Bell, George Stephenson, Fulton, Edison, or any Wright brothers. And you good Christians whose forebears came from the European continent, the Jews have yet to produce a Herschel, Pasteur, Arrhenius, Lavoisier, Gutenberg, Galileo, Leeuwenhoek, or a Marconi. If the Jews are so smart, then why have they not been able to contribute more to modern civilization?

SPECIALIZED PARASITES

A Jew from a tender age is trained to be a parasite, a despoiler, an exploiter of men. He is a specialist in deceit, trickery, and exploitation of the "stupid *goyim". Elias Howe devised the sewing-machine, but Isaac Singer robbed him of his invention and pocketed millions. Hazel Bishop developed an improved lipstick, but her Jewish "partner" pirated it away from her by tricking her into signing a fraudulent assignment and is mak-

THE REVERE

ing millions. Daguerre, Eastman, Edison and other White Gentiles combined inventions to make the motion picture possible, but a clique of Jewish financiers now own the movie industry.

*Goyim: cattle.

HOW ARE THEY DOING IT?

The Jews long conspired on the principle that through control of the purse they could rule the world, but to their sorrow they learned that after they had bought control in a country, its infuriated king would forcibly eject the unwelcome "vermin." So the Jews conspired to remove the rulers of all countries and turn government over to the brainless mob, which the conspirators found much easier to dupe (Democracy). At a meeting in 1870 Jewish leaders decided that, since they were always expelled when the Gentiles realized what happened, they must keep their victims in complete ignorance of what was happening so the Jews must gain absolute control of the Press!

CONTROL OF THE PRESS

With their unquestioned domination of European finance they readily accomplished this goal in Europe. Next they invaded the United States, since this country by then had been made safe and comfortable, and they set to work like termites to undermine us. As we developed such new media of communication as radio, motion pictures, and television, the Jews stepped in with their superior financing, their ruthless piracy, and Jewish discipline (they are ruled with an iron hand) and took possession of all means of mass communication. They proceeded in deadly earnest to scramble our brains, corrupt our morals, and prepare us for slavery.

CREATED DEPRESSION TO SEIZE POWER

Through their complete dominance of "Wall Street" they broke the stock market in October 1929, by unloading their vast holdings of stocks and bonds. By withholding billions of dollars from circulation, they threw the economy of this country into utter chaos. As they have done often, they created a disaster and then obligingly offered to save us -- for a price -- the price of our Constitutional Government which they have completely destroyed. "Miracle-man" Roosevelt was actually an arrogant front-man, who was obliged to have Sam Rosenman even write his speeches and who, following the orders of his Jewish bosses*, convinced us that we could no longer take care of ourselves. We have now been degraded to a despicable caricature of our strong, brave, self-reliant, thrifty, moral ancestors. *Bernard Baruch,

Sidney Hillman, Felix Frankfurter, Henry Morgenthau.

INVISIBLE ENEMY

We are taxed far past the point where all other people of the world have revolted! and we raise not a finger, because we do not even know against whom to revolt! We let the Jews slander, ridicule, and vilify us daily, while we are not even allowed to hint that any Jew could possibly do wrong. Has any Jew ever been sent to the penitentiary for the billions of dollars of income taxes we know they have evaded? We let the Jew destroy all our real leaders who could lead us in a revolt against Jewish World Enslavement. What do you think happened to Charles Lindbergh, Sen. McCarthy, Rep. John Rankin, James Forrestal, Gen. Moseley, Gen. MacArthur, Taft, Wheeler, Larry Duggan, and Gen. Patton? They each tried to combat the Jewish Conspiracy, which many people still naively believe is Russian "Communism".

SUPPRESSION OF THE TRUTH

Why are patriotic American newspapers unable to print the truth about the Pharisaic Conspiracy? Because all newspapers depend for non-local news on the Jewish-censored wire services. In less than an hour after a paper telling the truth about the Jewish chicanery hits the street, raging representatives from the B'nai B'rith will have the luckless editor backed up in a corner threatening to withdraw permanently all Jewish advertising (most of the paper's revenue), cancel all Jewish subscriptions, cut off his supply of paper (they now have a monopoly on this item!) deny him recourse to Jewish financing (which now enjoys a strangle-hold in an ever-increasing number of cities), and call a strike through Jewish-controlled labor unions. Any reporter who writes the truth about the Jews is fired and his story "killed".

If we are so demoralized, so stupid, so depraved as not to care, then we shall pay the awful penalty of this most hideous crime against our forebears and our posterity—our race of people will disappear from the earth! If we can liberate our country from the deadly clutches of the Pharisaic "cultures", Kibbutzim Communism throughout the world will fall, along with its architects, like an over-ripe apple. The enemy capital has always been New York, not Moscow!

STOP JEWISH BARBARISM!

All through history the Jewish race has been known for its savage massacres. From the time of Ahashuerus through the present day the Jews have been directly responsible for the deaths of over 200,000,000 human beings, a great number of whom were Christians.

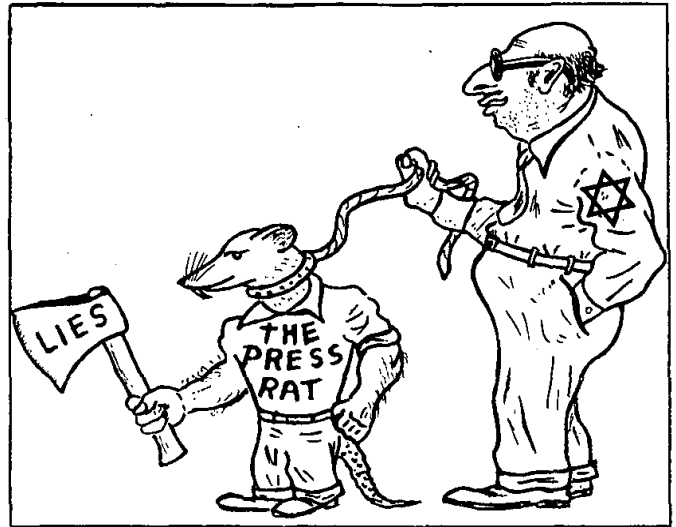

The combination of the evil Jewish mind and satanic Jewish "religion" makes the Jew a sadist by his very nature. He is not content unless he is inflicting misery, suffering and torment. The facts show that the most vicious atrocities against mankind have been committed by Jews. These statements are clearly documented in Arnold Leese's book, "Jewish Ritual Murder."

Today in America the Jewish lust for brutality is being partially satisfied by the daily torturing to death of defenseless animals by Jewish ritualistic Kosher butchers. The depraved Jewish mind has devised the cruelest of methods for the slaughter of cattle.

The Kosher method, known as Shechita, is as simple as it is sinister. Hoisted by a hind leg, its throat slashed, THE FULLY CONSCIOUS, kicking, gasping, and sobbing creature is subjected to the cruel agony of being slowly bled to death. When the throat is cut, the wound in an ordinary case is 12 inches long and gapes 12 inches wide when the head is forced back by means of a lever.

This Jewish barbarism must be stopped. It is the duty of every Christian American to protest against Kosher slaughter. There can be no room in our Republic for such devilish, uncivilized and fiendish Jewish rituals.

SATAN VS. CHRIST!

The Jewish leaders admit that Christ has been the only great threat to the Talmudic conspiracy in two thousand years, because He was totally good. Only the totally good person can prevail against the totally evil Jew. Christians who practice the teachings of Christ one day each week can never prevail against the Jew who is evil seven days of the week, and who goes to the synagogue on Saturday to renew his vows of hatred against Gentile society and the murdered Christ.

Each day the drama of the Garden of Eden is re-enacted in our lives. The Jew is the serpent sent by Satan to offer us the forbidden fruit. Daily he tempts us and daily to some degree we succumb to his temptations. The Jew deliberately appeals to the vilest aspects of our nature. Over the span of many generations he has learned how to excite our lusts, our greed, our fears, and our superstitions in order to gain power over us. For the Satanic Jew can only exist as a parasite on the body politic. When the Gentile is able to resist the temptation of the synagogue of Satan, the Talmudic conspiracy fails. If we are clean and free from our lusts, the Jew is powerless over us.

We must remember that the Jews hate us only to the extent that we are good. If we are highly moral, if we uphold the principles taught by Jesus Christ, we are slandered and attacked by the Jews as "intolerant hate-mongers and fascists."

Nowhere in His life can we find that Christ was tolerant of evil. He was intolerant of Satan. He denied Satan and the Pharisees the right to gnaw at His bowels — and for this they crucified Him. He would not tolerate evil and for this they crucified Him.

In sad contrast to this, how many of our religious leaders today snatch for the gold which our modern Pharisees, the international bankers, hold out to them! Despite the fact that this gold still reeks with the blood of the murdered Christ, these false servants of our Lord fall at the feet of the Jewish bankers with out-stretched hands.

If we tolerate the Jews, if we look at their dirty television and their filthy movies and let our children read their dirty comic books, then we are not really evil, and neither are we very good. Therefore the Jews hold us in contempt, because we live and breathe and tolerate an atmosphere of evil.

But if we become as evil as the Jews themselves, if we wholeheartedly join with them in their treacherous conspiracies against society, if we renounce all hope of the good life and dedicate ourselves to perverting our fellow-Christians into the Satanic Jewish mold, then the Jews seize upon us and praise us to the skies. We grow fat and rich as the Jewish press lauds us each day as "great men," "elder statesmen," "disciples of brotherhood," "democratic," "anti-fascist," "tolerant," and "liberal."

Because General Marshall played such a prominent part in delivering 400,000,000 unfortunate Chinese to Jewish Communism the Jewish press consistently referred to him as the "greatest living American." And because Senator McCarthy exposed General Marshall in all his naked infamy, the Jewish press attacked McCarthy as a liar, a crook, and a malicious slanderer.

Nothing is too white for the Jews to blacken and nothing is so black that they will not attempt to whiten it. Lies which revolt us to the depths of our being are presented by the Jews as enlightened philosophies, and truths which are deep-seated in our blood are attacked by the Jews as prejudices and intolerances.

As an alien who can exist among his hosts only by lying and cheating, the Jew is the perfect agent for Satan. This outcast, who was dispersed over the world by God to remind Christians in every country of Good Friday and the murder of Jesus Christ, is intended as a lesson for us all. The evil countenance of the Jew daily reminds us of the presence of Satan on earth and the crucifixion of God's only begotten Son. For many centuries, good Christians always made the sign of the cross whenever they were in the presence of a Jew, in order to ward off the contamination of the sinister and malicious spirit of Satan which taints the Jewish bloodstream.

Today the Satanic Jews are using every instrument of public opinion to turn people away from Christ. They have had the effrontery to infiltrate our churches and from altars and pulpits they preach desecration and blasphemy. They have rewritten the Bible in a "modern" version which contains hundreds of heresies against the manifestation of Christ and the Virgin Mary. Many religious leaders are secret Communists. Stalin himself was converted to Communism while studying for the priesthood in Russia.

The battle against Satan goes on every day. We must each do our bravest and our best in the fight for Christ. We must choose between good and evil. That is the great challenge of life. On the one hand is the Satanic Jew, who offers us every luxury and pleasure, who dangles before us his philosophy of Communism, a scientific materialism which promises everything to everybody, and which is ashes in the mouths of those who have embraced it. On the other hand is Christ, who offers us the beatitude of the spirit. The choice is ours to make. — Eustace Mullins

THE COMING AMERICAN TRIALS

THE MERCURY proposes that the American people promptly start—in this country—an American citizen's trial.

We propose that a Constitutional Freedom court—made up of a solid cross-section of taxpaying citizens—try for treason and subversion the following:

1. The international bankers and their associates, who plotted the communist revolution in Russia and who then financed and supported that godless government run by murderers.

2. The real planners and promoters of the various wars into which this country has been pushed. This will include the treasonable acts before Pearl Harbor, during the Korean War and since.

3. The master-minds behind our big foundations who are undermining our Nation—including Carnegie, Rockefeller, Guggenheim, Ford, Filene (20th Century Fund) and others.

4. The "invisible government" which has caused our nation repeatedly to make the wrong decisions—both in our foreign and domestic policies.

5. The financial bandits who have robbed our people and loaded them with astronomical debts. This group previously has organized theft through depressions. They are now robbing our people through inflation.

6. The lawyers, educators and others who operate the springs that constantly feed poison into the blood-stream of our nation. Those who ignore our generous immigration laws and illegally have flooded seven million people into these United States. Those who promote dual citizenship, and who are removing religion and discipline from our schools, so they can teach communism in our universities.

7. Those who carry out the enemies' plan which is actually DISINTEGRATION—the destruction of the unity of the American people. Those who control and direct a large part of our press and other communications media. Their actions are directed at confusing the issues and undermining public confidence. After disintegration their plan is to control our divided nation. Thomas Jefferson said, "Disobedience to tyrants is obedience to God." — Reprinted from AMERICAN MERCURY Magazine.

SPECIAL PRIVILEGES

The announcement by Postmaster General Arthur E. Summerfield that a 4 cent stamp will be placed on sale at Washington July 4 has brought protests from interested organizations and individuals. The officers of the United States Flag Foundation and of the United States Flag committee and others have written to Washington and to the daily papers.

The protests call attention to Public Law 829, Sect. 4, which reads: "The Flag should never have placed upon it, nor any part of it, nor attached to it, any mark, insignia, letter, word, figure, design, picture or drawing of any nature." The view is held that cancelling the flag stamp would break that law.

Postmaster General Summerfield may have anticipated the protests, for he delayed the announcement and did not release the design until after the stamps were printed. Plates were put to press April 30, but the public was not informed until May 19 that such a stamp was being considered.

It is not unusual for a government to flout laws which restrict ordinary citizens, but the postmaster general has been asked to justify his action.

JEWISH "PATRIOTISM"

Exhaulting Yiddish "patriots" of the American Revolutionary war period, most of whom were unscrupulous money-lenders, who never helped anyone, except for profit, and then usually both sides, is a favorite pasttime of the Jewish press. Writing in the East Coast Jew rag, the AMERICAN EXAMINER, Harry Simonhoff has this to say about the great Jewish "patriot," Joseph Simon:

"Naturalized in 1749, Joseph Simon was a loyal patriot in the Revolutionary cause. He furnished supplies to the troops and waited patiently for the impoverished government to order payment."

What patriotism! No Valley Forge for Simon. Only a big loan to the government. And just think, "he waited patiently for the impoverished government to order payment." Shall we all stand and sing "God Bless America"?

Racial integration means racial amalgamation. There can be absolutely no question about it. George E. Schuyler, Negro columnist and one of the most prominent and vociferous of the integrationists, frankly admits, "AS INTEGRATION WIDENS THE NUMBER OF INTERRACIAL MARRIAGES WILL INCREASE."

There is probably nothing more repulsive -- and at the same time more pitiful -- than the product of an interracial marriage. Not belonging to any race, the mulatto most certainly is the creation of the devil himself.

The white race is on the threshold of destruction. Speaking before the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952, Rabbi Emanuel Rabinovich said, "I can state with assurance that the last generation of white children is now being born. Our control commissions will, in the interests of peace and wiping out interracial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, the white men with dark women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory."

Insidious forces, working within the Supreme Court, the federal government and elsewhere, are seeking to create a civilization of raceless slaves, a society far more terrifying than the great George Orwell even dared imagine.

Integration OF EVERY KIND must be HALTED IN ITS TRACKS; and all who have nurtured this hellish plot against the white race must be SEVERELY PUNISHED for their wickedness.

Now is the time to FIGHT! If we falter for even a moment, all will be lost. White Americans -- North and South -- the future of the white race IS IN YOUR HANDS. Unless you do something about it NOW, your very descendants will be BROWN SKINNED MULATTOES! Join forces NOW! FIGHT FIRE WITH FIRE! Use EVERY means at your command to stem the tide of mongrelization. SAVE THE WHITE RACE. Your own actions will determine whether or not Rabbi Rabinovich's sinister prophecy will be realized.

THE FUTURE OF WESTERN CIVILIZATION

Why does a white person hate his own kind, and why does he wish to destroy his own kind by intermarrying with Negroes?

The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the white man, but for the degradation of all races to a subhuman animalistic level.

Our educational system produces people who are stripped of moral courage and filled with self-hatred and disgust. A twelve-year course of carefully-planned and executed brainwashing in the public schools destroys their pride and their will to live. They enter into public life as racial zombies, able to fulfill a robot role in factory or office, but unable to exercise or live up to their duties as American citizens.

The most vicious of these robots enter into our political system. They welcome each new act of self-degradation as a badge of honor, and they wallow in filth to assure themselves that they are indeed the lowest of their kind. These judges and parliamentary scum hate civilization, and wish to destroy it.

When these democratic politicians, in conclave assembled, act to tear down the last vestiges of our great Western civilization, which has been built at such cost by so many generations of white men, a few of us are shocked. But most Americans accept as a matter of course the dictate of these politicians that our civilization must be destroyed, and that we, as a sort of half-Negroes, shall sink to a lower form of existence, so amply represented by the squalid inter-racial nations of Brazil and Haiti.

But there are a few of us who are still white men. We are not robots, we have not been affected by the brainwashing in the public schools, and we despise our subhuman politicians. We, this historic few, say now to this scum -- We will fight! (We are the same stock as the legions of Caesar, the Vandals who sacked Rome, the sailors of Sir Francis Drake, and the Confederate defenders of the white race!)

We well know the role which history has prepared for us. Although we have been born into a moral squalor worse than that of any nation in the world, either now or in older times, we arise untouched from this filth to assert ourselves and our outrage.

This is our racial instinct as white men. We will not fail to fight for our civilization, which was built by many white men before us.

Because of our power and our purity, we are like elephants walking through a swarm of ants. This mass of corrupt robots, what resistance can they offer? Destiny has forced us, the white fighters of America, into a more brutal and more demanding pioneer existence than that of our forefathers who hewed this nation from raw forest and rock.

Our enemies now are not Indians, disease or wild beasts. Our enemy is the mass of non-whites, and by non-whites we mean all those who think and act as Negroes even if they have a white skin.

White people cavorting to African rhythms, taxing themselves to support their Negro brothers, giving their children to Negroes as sexual playmates, these are worse enemies of our culture than the Negro could ever be.

This does not mean that we wish to harm the Negro. We are conscious that in this country the Negro has suffered the greatest damage any people could endure. His tribal origins and traditions were destroyed by forced intermarriage. The Negro who was shipped to this country as a slave was an individual. Each one was a member of a tribe which had preserved its character intact over a period of many centuries. When the representatives of these various tribes were mixed helter-skelter for centuries in this country, the result was that the Negro's pride of origin, his sense of belonging to a tribal group, his knowledge of his traditions, all were destroyed or perverted to a terrible sense of confusion and hopelessness.

This explains why the Negro in America commits more savage crimes than he does in his native habi-

tat in Africa. The knifings, head-choppings and other sordid crimes which are daily committed by Negroes in the inter-racial jungles of our big cities are the inevitable result of what has been done to the Negro in this country.

We can help the Negro by returning him to his own country and to a more congenial atmosphere. Nothing else can save him.

And nothing can save our Western civilization except the harshest measures against the non-whites, those whites who have abandoned their identity and their traditions through self-corruption, who have given up all hope, and who now exist as diseased and cancerous protoplasm awaiting our scourge, which will either restore them to vitality or return them to earth as fertilizer.

The Great God of the non-whites is Dwight D. Eisenhower, a pathetic creature who has spent his entire life warring against, enslaving and killing white men. This vicious fellow has become the symbol of an era's tragedy, when desperate men banded together to destroy all known civilization and to herd all human beings into a common squalor, in which all decency and all culture should be systematically driven from the minds and consciousness of men, never to return.

But this dream of the non-whites will not become reality.

We say here that white men will again take up the weapons of their might and the tools of their civilization. No longer will non-whites have dictatorial powers over whites. The world will enter a higher period of civilization than man has ever known, once the Eisenhower non-whites are flushed down the sewers of history.

-- George Thomas Adams.

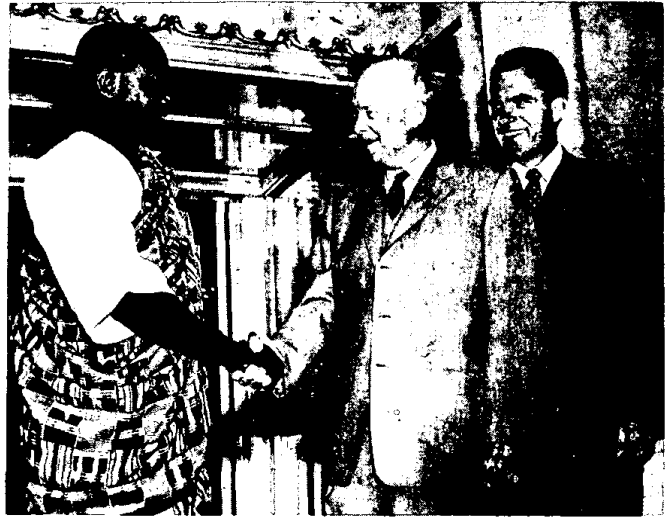

BRIEF

● The New York Anti-Defamation League of B'nai B'rith (Bad Breath) recently issued a statement that "there is nothing in the record of Mr. Nixon to indicate in any way that he is anti-semitic". How odd!! We could have told the ADL that years ago.

--Gothic Ripples.

EDITOR'S REPORT

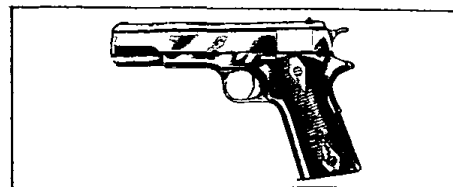

● A number of wonderful articles have been written exposing Billy Graham to be the demagogue and colossal fake he really is. There can be no doubt but that he is a dyed-in-the-wool race-mixer and Jew-lover. "Be ye not deceived."

● The above picture is a typical pose for our golfing traitor President and his associate in selling-out America and the white race, Tricky-Dick Nixon. There is a lot more to this than meets the eye, for our two illustrious heads of state are merely doing their Jew-master's bidding. It is quite significant that "Ike" is always "too busy" to receive patriotic delegations, but has plenty of time to go about glad-handing with the nearest foreigner or African or Jew. Of course, Tricky-Dick is right is character. Very few people will bend so low to lick a Jew's boot as will Mr. Nixon.

● Our new Attorney General, Mr. Rogers, is just another stooge and can be expected to carry on his predecessor's treasonable policies. He was hand-picked by Dirty Herbie and actually helped in formulating the civil wrongs legislation passed in the last session of this congress. The negro press has heartily endorsed Mr. Rogers.

Of course, the real manipulator in the Attorney General's office is none other than, naturally, what else?, a full-blooded Yid, one Louis J. Lefkowitz, the Assistant Attorney General.

The Voice of the South

Today, we in the Southern States are embattled in defense of honor, sovereignty, institutions, and freedom to live unshackled under the Constitution. Tomorrow the rest of the 48 States will have the fight on their hands.

We fear for the Republic—BUT OUR CONCERN NOW IS FOR THE SOUTH. When Southern sovereignty is lost, where will the voice of freedom speak? Not from Washington, D.C. Not from the White House where the NAACP turns the thumb-screws—and a lame-duck President gets his advice, spoon-fed between rounds of golf, by his shallow-pated palace guard.

When the voice of the South is stilled, who will speak for liberty?

Not the Federal Supreme Court where wizened intellects reason that their own "legal idolisms" are superior to the Constitution and should supplant the legal realisms of that great document.

ARE WE BLIND to the colossal conspiracy of Communism which has penetrated the ancient citadels of our freedom—the government, the press, the pulpit? Are we to surrender to the NAACP, ADA, URBAN LEAGUE, and other Communist infiltrated or controlled "front organizations" and let them destroy the power of the States and take the government away from the people?

ARE WE BLIND to the aims of race-mixers who think the only way to "improve" or "advance" an inferior race—the negro race—is to "absorb" that race into our blood-lines? THEN LET'S GET OUR EYES OPEN! If the negro "dies" into the white race—then the white race dies with him.

WE REJECT BAYONET-EQUALITY! We deny national authority exists to regulate our daily lives in the matter of how or where we educate our children, seek our recreations, protect our habitations.

If we want to preserve our racial purity; if we want to protect our liberties; if we want to keep our free institutions, then we MUST defend the people's right to make the laws by which they are governed. We MUST fight for the right of the States to regulate their domestic affairs in all fields not expressly given to the national government. The police power of the States MUST be held inviolate within the domain of State lines.

We MUST be firm and undistracted in our purpose. We dare not sacrifice our young—and our unborn—to the cult of equality-in-slavery, and to rule by self-annointed, one world, one race, mad moralists.

-- The Southerner.

A G.I. REPORTS

(Editor's Note: One of the primary objectives of the Jews and communists is to destroy the white race, not only in this country but throughout the entire world. With their sinister strangle-hold on our armed forces the Jews are using American negroes to accomplish this goal by encouraging interracial marriages between negroes and European white women and between negroes and American white women and by carrying on a satanic program of brainwashing within the services to destroy the moral values and racial integrity of the white men and white women.)

It was not enough that the American Army gave full cooperation to negro soldiers in Germany marrying white women, the American military leaders, including Army chaplains, seem to appreciate marrying white German girls to negro soldiers, according to an Alabamian released from the armed services. This soldier reports the N.A.A.C.P. has a powerful membership within the Army. "I've seen negro soldiers just get away with pure blood murder." . . .

"In downtown Mannheim, 14 negro boys went into the Mbiß-Stuben Bar with their switch blades drawn and jumped on white boys and tried to drag their white girls away from the tables and off the dance floors. Three white boys were killed and one negro. The Germans got hold of him and beat him in the head and threw him in the river. . . . "The Stars and Stripes" gave a whole page to the great, tremendous, terrible riot that was at the University of Alabama where no one was hurt, but nothing was said about these boys being killed.

"You are now beginning to hear about some of the dynamiting and the raping that is being done by these negroes overseas. The Army mixes one negro and one white, one negro and one white. They make them sit together in classes. At the integrated schools little children in kindergarten and grade schools are persuaded to play and dance together. The G.I.s don't like it. I've never talked to one who appreciated it one bit. Most of the boys from the North hate it too.

THE REVERE

"The negro soldier has the backing of the whole Federal Government. The N.A.A.C.P. has become very powerful in the Army. An awful lot of the officers and chaplains must be members of the N.A.A.C.P. The Army, which is the Federal Government overseas, forces little children and high school boys and girls to go to school together and are teaching them that to intermarry with the negro is perfectly all right. The negro soldiers are marrying white women by the thousands. If you are a negro and not married to a white woman over there, you're just not in style. My sergeant, from Gadsden, Alabama, was a negro. He was married to a white girl. The Army gave him a mighty fine apartment and they married him right there in the chapel."

— The Alabamian.

Since the dawn of Christianity, the Christian faith never met as much opposition, hate and enmity as from the Jewish community. In fact the history of Jews after dispersal consists mainly of bitter hatred and hostility to Christians, for they never missed an opportunity to fight the Gospel and the Church; They tried to fight Christianity by force; but on failing to do this, they resorted to insults, calumnies and libellous reports.

The long series of Jewish crimes begin with the Crucifixion of Christ. This was followed by many horrible deeds involving individual murders and extensive massacres: The Disciples of Jesus were either flogged or put to death, e.g., Jacob, Christ's brother and a crowd of Christians; in 117 they killed St. Simon, Bishop of Jerusalem. The false Messiah and notorious Jewish murderer <Barkoba>, slew many Christians because they would not deny Christ; he also flogged and stoned Christian women. Moreover, Jews often urged Roman magistrates and councils to order terrible massacres of the followers of Christ.

In the third century A.D. the Jews in Jerusalem perpetrated a number of massacres against Christians whom they used to kill under church lights. In 608 A.D. the Jews of Antioch attacked Christians and burned them in the streets including the bishop Anstas. In 614 the Jews led by Benjamin of Tiberias burnt Christian Churches and monasteries. When Emperor Herclius reconquered Palestine and brought the Jewish murderer for investigation, he asked him why he had committed such atrocities against Christians, whereupon the latter replied because they are the enemies of my faith.

St. Justain, who was killed by Jews in 615 said, "The Jews were behind all the persecution of the Christians, they killed Christians whenever they could, and wandered through the country everywhere hating and undermining the Christian faith."

St. Basil who died in the fourth century said: "In the past heathen and Jews used to fight but now they both fight Christianity." St. Clement warned the Christians of Corinth against the intrigues of Jews which had caused the death of thousands of Christians.

In short, Jews committed numerous massacres and were responsible for countless individual murders of Christians.

In the 20th century the Jews seized the opportunity of the Communist revolution of 1917 to renew the old massacres which they had committed against the followers of Christ in the early Christian period. In November 1919 Patriarch Tekhon of Moskow and all Russia addressed the following appeal to the Christian world:

"Jewish Bolshoviks are falsely accusing Bishops, nuns, and clergymen of being the enemies of the revolution. They have killed them in large numbers and have crowned these barbarous acts by preventing them from taking the holy communion before death and by denying them a burial in accordance with Christian rites."

M. Dawia, Consul general of Belgium in Russia during the Communist revolution of 1917, says in his book "Moscow with no Curtain": "Those ruling Russia at present are not Russians. They are a group of Jewish international terrorists who in the first years of the rule killed and mutilated the bodies of many monks and clergymen as well as closed and plundered numerous churches, converted them into clubs, barracks and stables."

Describing Jewish atrocities, the French magazine "Old France" published the following account of their crimes in No. 195 of the Magazine:

"The Jews in Petrograd killed three thousand Christians in retaliation for the death of the Jew Oritzki. The atrocities of Jewish murderers of both sexes reached unbelievable limits. They killed Christians in accordance with the rituals prescribed in Jewish religious traditions which brought to mind the ancient massacres perpetrated against Christians by Jews in Cyprus and Cyrenaica when Jews massacred 150 thousand Christians, disfigured their bodies and sucked their blood."

JUNGLE TERROR IN INTEGRATED NORTH

The 'blessings' of racial integration are upon us. The fanatical, criminally insane race-mixers have succeeded in bringing about the realization of the fondest dreams of the international Christ-hating conspirators and revolutionaries.

From the interracial jungles of Brooklyn, Washington, D.C., St. Louis, Chicago, Kansas City and elsewhere in the integrated North come the daily reports of Negro violence and terrorism -- shocking accounts of Negro thugs roaming the corridors of the public schools and the streets of these cities, committing the most brutal and savage crimes imaginable, in what can be described only as A WAVE OF JUNGLE TERROR.

FROM BROOKLYN -- The situation in this lawless coon-paradise is so far out of hand that late in January Principal George Goldfarb of Brooklyn's John Marshall High leaped to his death from the roof of a six-story apartment building, after appearing before a grand jury. His school has been the scene of numerous rapes, including that of a 13-year-old White girl on January 21 by a depraved black sex fiend and the later assaults on a policeman and a recreation director.

Even the police are virtually unable to prevent assaults, extortion, and rapes in the Brooklyn schools. This startling fact was revealed in testimony regarding the vicious rape of a White girl by an African in a Brooklyn junior high school, a rape that took place when a policeman was on duty in the school. The Superintendent of Schools, William Jansen, admitted:

"As deplorable as this situation is, it does not appear that the presence of a policeman in a school can prevent a thing like that."

Acts of Negro violence have become so widespread in the Brooklyn schools that a boycott has been proposed. Asked one grand jury member:

"Is there anything in the law that could prevent thousands of mothers and fathers from having their young children boycott the schools until something is done?"

TRENTON, N.J. -- Commenting on the rounding up of a number of the Negro thugs in Trenton, the TRENTON EVENING TIMES editorialized:

President Eisenhower's use of naked force in Little Rock last fall was designed to spread the blight of integration--with its murder, rape, assault, and extortion--into the South and to break down the last stronghold of constitutional government. Our senile, demented, traitorous, dying, puppet President seems to be feverously working for the day when the entire nation, not just the North, is a Negroid jungle--the day when the Jewish World Dictatorship engulfs us all and makes slaves of the Aryan peoples of the world.

"A wave of lawlessness has been apparent in Trenton for several months and there have been many evidences that the crimes have been the work of vicious youngsters. This conviction on the part of hard-pressed police officers has been sustained by the rounding up of a gang of twenty whose criminal instincts have been expressed in many ways.

"They have admitted beating and robbing drunken victims, looting parking meters and committing burglaries. THEY ARE ALSO ACCUSED OF ATTACKING WHITE SCHOOL CHILDREN FOR NO APPARENT REASON. These youngsters, WITH THEIR WELL-DEVELOPED CRIMINAL INSTINCTS and the parents who have neglected them, leaving the responsibility for their support to the city and state, constitute the most urgent and difficult of Trenton's social problems."

WASHINGTON, D.C. -- Washington, D.C. is the capital city of a predominantly White nation. Yet, it is overrun with teeming hordes of savage blacks. (Savage or otherwise, they don't belong in Washington.) Even the WASHINGTON EVENING STAR admits that STARK TERROR RULES THE STREETS OF THE NATION'S CAPITAL AFTER DARK.

Washington was recently the scene of a congressional investigation into the failure of integration in the public schools. The results of the hearings were tragic and appalling.

ST. LOUIS -- For the picture in St. Louis, we quote from THE WHITE SENTINEL:

"A conspiracy of silence exists concerning any information unfavorable to integration. Board of

Education members and employees, the newspapers, radio and TV stations seldom report race friction in the schools.

"Last October, as a culmination of constant trouble between Whites and Negroes at Beaumont High, a White student was stabbed by 2 Negroes. Hundreds of White students left the school in protest. Even after police and teachers were able to persuade most to return, tension remained. Police, both uniformed and plain clothed, converged on the area. No cars were permitted to stop within a block of the school nor were any bystanders allowed to remain in the area. A representative of THE WHITE SENTINEL was prevented from taking a picture by police and told to leave. Yet, not one word of this appeared in either paper nor was mentioned on any radio station. This is but one example.

"White students being terrorized by Negroes and made to pay for 'protection.' White girls complain of being touched and deliberately fondled. But to school officials, integration is a 'continuing success.' "

FROM CHICAGO -- In Chicago it's getting to the point where it is hardly safe for armed policemen to be out in the streets alone at night, much less White women and White girls. One official told a reporter:

"The rapes of Whites by Negroes have risen so sharply, especially in schoolyards and involving teenagers, we dare not release the complete figures to the public."

Unbelievable racial incidents taking place in the schools have been carefully hushed up, although the number leaking out and being reported in the newspapers is mounting steadily.

Even Chicago's 'brotherhood' press has been carrying vivid accounts of recent Negro crimes. THE TRIBUNE (the foul rag that during Brotherhood Week commented: "Children are born without any rigid ideas about race, religion, or nationality. If they acquire any, THE BLAME is on their elders.") In other words, we should all be brown, one-religion one-worlders. Imagine such an utterance in the late Colonel's one-great paper!), for instance, while sometimes not actually using the word "Negro", often prints graphic photos of Negro offenders. They usually give the appearance of being wild beasts who should be chained up, not allowed to intermingle with civilized school children.

FROM KANSAS CITY -- TIME magazine recently had this to say about the situation in Kansas City:

"SINCE THE PUBLIC SCHOOLS OF KANSAS CITY, MO. WERE INTEGRATED FOUR YEARS

AGO, THE BOARD OF EDUCATION HAS TRIED TO HUSH UP THE UGLY RACIAL INCIDENTS.

"At Central Junior High (64% Negro), teachers patrol the lavatories during class breaks to prevent gang attacks, often frisk the pupils for switchblades and razors.

"Teachers at Central Junior lay much of the blame for the classroom combat on a small core of Negro bullies whose methods are soon picked up by other students.

"The lid blew off a fortnight ago when Preston Young, 16, a Negro pupil at Central Senior High, punched Richard Powers, 28, a gym teacher."

And so it goes, everyday worsening. Jungle terror in its rawest form -- the DIRECT RESULT OF RACIAL INTEGRATION. The North's Negro thugs and hoodlums have been developed and encouraged by the race-mixers and 'brotherly love' advocates, all tools of the Jews, the real instigators behind integration and mongrelization.

Contrast the explosive atmosphere of the integrated North with the comparatively peaceful, congenial state in the segregated South.

Up until the Jewish-inspired Supreme Court decision of 1954 there was little if any racial strife in the South. Even today there is significantly little compared to that in the North, and what there is of it is brought about by Northerners, coming into the South to mix the races and stir up the same kind of trouble the North is presently experiencing.

In the South there is no jungle terrorism; no Negro thugs attacking White children, no rapes, no assaults around either the White or Negro schools.

The South is following God's Plan of segregation of the races, and reaping the rewards. The North is acting in accordance with the devil's plan of amalgamation of the races, and chaos and degeneracy are resulting.

• In January, one of the real Nuernberg War Trials criminals, Dr. Douglas Kelly, 45, killed himself by swallowing poison. Kelly served in the capacity of chief of U.S. psychologist at the infamous trials. And so another of the ruthless barbarians who took part in persecuting and torturing to death the leaders of the defeated German Reich meets with a violent death. A just end for an accessory to murder and butchery.

ARE YOU AFRAID TO DIE?

Are you afraid to die? Or would you rather continue to live in a Communist-dominated country?

In coming months, many cesspools of Communist subversion will be dynamited, crosses will be burned before the homes of professional Communist revolutionaries, and prisoners of communist treachery will be rescued from jails.

These activities require men of courage, men such as those who threw the English tea into Boston Harbour, lynched Tories in Virginia, rammed bayonets into the bodies of hired soldiers sent here to destroy freedom. Luckily, the times are with us. This is a ripe period for those of us who have been driven to the point of desperation by Communist persecution. Suffering under an administration whose secret police harass patriots everyday, an administration which applauded the slaughter of the Hungarian patriots, an administration whose sole purpose is that we shall live and die under Communism, what choice is left to us? Our blood is not so dear that it cannot be shed in the cause of freedom. Let us be dead patriots rather than live slaves. We will not die in vain.

From this day forward, let every decent American enlist himself in the battle against Communism. Do not be frightened when the FBI agents come to your door and threaten to imprison you for life because you are against Communism. Many of them are not FBI agents at all, but are Communist secret police armed with forged and seemingly acceptable FBI credentials.

A willingness to die in the cause of freedom does not mean that one should throw his life away. Patriots must not sacrifice themselves needlessly, and any risk must carry a clear opportunity of winning a round for our cause. If one is shot down by secret police while dynamiting the headquarters of a Communist cell, this dramatizes our struggle and brings more recruits. On the other hand, beating a Negro who marries a White girl means that all the apparatus of Communist secret police will be mobilized to imprison the offender, and since the purpose is to wipe out the Communist government which makes it mandatory for a Negro to marry a White girl, beating one Negro will not materially contribute to this aim.

If we must die, let us die in such a manner that future generations of FREE AMERICANS will revere us with the same reverence we feel towards the brave founders of our country.

A VOICE FROM THE PAST

In 1926 the Anti-Bolshevist Publishing Association in New York City published the first edition of Major-General Count Cherep-Spiridovich's book, "The Secret World Government or The Hidden Hand". In spite of the fact that the book sections of the nation's largest newspapers and magazines made hardly even a reference to it upon publication, the book went through several editions and thousands of copies of it were sold. It became a "text-book" on subversive movements, and ranks with such basic works as "The Cause of World Unrest", "Reds in America", and the works of Nesta H. Webster. It is, perhaps, the most complete expose of the Jewish Hidden Government ever put into print, for it shows the real cause of all wars, revolutions, and depressions, from the time of the American Revolution down through World War I. General Cherep-Spiridovich even predicted the attack upon the United States by Japan. He quotes from some of the best source material published both in this country and abroad.

General Cherep-Spiridovich was one of the leading figures of the Czarist government of Russia. He was a military commander of the Russian Army and Chief of the Imperial Court Agency, and warned of the dangers of a Communist revolution.

This book has been out of print for the last 30 years, but now a very limited reprint of the first edition is available. The price is \$5.00 per copy, postpaid. Order from the Christian Patriots Crusade, P. O. Box 147, Hinsdale, Illinois.

CARIBBEAN ANTI-COMMUNIST FORTRESS

In November, I visited the Dominican Republic.

Two leading American magazines, LOOK and LIFE, have devoted much space within recent months attacking Generalissimo Rafael L. Trujillo, the head of the government there. The Christian Science Monitor and New York Times delight in attacking this country and their leader. I just returned from the Dominican Republic. I am convinced that Generalissimo Trujillo is a sincere anti-communist, whose concern for his own people has brought about the most admirable progress imaginable.

Under the leadership of this man, the people have something they never had before . . . pride. The government has built fabulous buildings . . . fountains . . . universities . . . centers of culture and learning . . . hospitals. To a country that never had these, such changes are even the more appreciated. I saw the people happy . . . to say the least, their love of their country is marvelous!

Trujillo has taught his people to read and write. In his twenty-eight years of leadership, literacy has been increased 60%. In 1947, he outlawed the Communist Party and all communist front movements. He has set an example for the free world in erasing all national indebtedness in his country.

It is easily understood why so many liberals hate him. The Communists hate him, because he shut the door on them. They can't spread their venom in his domain. *The world bankers hate him because he won't borrow their money and become indebted to the manipulators of world currency.* Our socialist friends hate him because he is 100% for free enterprise and 100% against neutrality.

I get a big kick out of the propaganda barons in America today. They glorify a communist rat like Sukarno of Communist Indonesia, or a cow-worshipping pacifist like Nehru of poverty stricken India, and try to destroy a Christian leader like Trujillo who leads a progressive country of people engaged in a war against hunger, ignorance, and sickness.

SEEK LABELING OF BLOOD FOR TRANSFUSIONS

Atlanta, Feb. 12 (AP)—A bill to require racial labeling of blood taken in Georgia for transfusions unanimously passed the senate today. Sen. Quill Sammon of Lawrenceville said, "This is not a prejudice bill. It is a precaution to preserve the dignity and identity of each race and prevent the mixing of the races."

He said that there is a disease known as sickle cell anemia which is peculiar to the Negro race alone and has no known cure. He quoted medical authorities as asserting that this disease is found in persons having a mixture of Negro blood.

MORE ON THE KKK-INDIAN AFFAIR

On February 14 Simeon Oxendine, leader of the Lumbee Indians who broke up the Robeson County, N.C. KKK rally with gunfire last January 18, spoke before the Chicago Loop post of the JEWISH WAR VETERANS. He was applauded by the "veterans" for his "courageous stand against intolerance".

An old story. Do something low and underhanded, un-American and subversive, and the Jews will surely herald you as an enlightened disciple of democracy and brotherhood and burden you down with awards and dinners. (The Jews have sent out invitations for a testimonial dinner for two of their favorite stooges, Sen. Lyndon Johnson and Rep.

Sam Rayburn). Nothing is too vile for the Jews to praise.

From "Closer-Up":

The following note was received from a friend shortly after the KKK vs. Indian affair which received nationwide attention. No comment is required, we simply quote:

"Have looked in half a dozen news stands and they only have the replate edition. Finally found 2 copies in a place that had 2 in a pile of 25 - on the bottom. Lady in charge said they were in earlier delivery. Replenishments, new edition. Showed her the pictures and she said anyone who knew 'niggers' could not mistake they (the 'niggers') were 'niggers'."

Ever see an American Indian with kinky hair? LIFE did.

"We Jews, who come to the nations, pretending to escape persecution, are really the most deadly persecutors of men." - Words of the Jew, Samuel Roth, taken from a patriotic leaflet by Ernst Goerner.

THE JEWISH WAR AGAINST HUMANITY

PROLOGUE

Jewish intolerance for all other men has brought them to a lot of grief since the Pharisees forced their hateful frauds upon the Jews a century and a half before the coming of Christ. Their hatred toward their fellow man has grown to such a fever that they are not satisfied with anything short of eventual extermination of all the rest of the human race! YOU are in far graver danger than you probably realize.

JEWISH SEIZURE OF POWER

Woodrow Wilson was our first President obviously a puppet of the Jewish rulers. During his administrations Jewish international bankers seized control of our monetary system by sneaking into our laws the Federal Reserve Act. These alien invaders further violated our Constitution by ballyhooing into law the Income Tax Amendment, a pet scheme of their great strategist, Karl Marx.

On March 8, 1917, the fateful Russian Revolution began, and as a result, on April 2, 1917, President Wilson called a special session of Congress to demand war with Germany. The principal excuse used to justify the United States' aggressive Declaration of War on Germany was the sinking of BRITISH ships! Our Jewish-controlled Press kindled a phony fire of indignation over the sinking of the BRITISH ship LUSITANIA, with the loss of 113 American lives. Yet for the loss of 330 times as many American lives in Korea, the same United States could NOT be moved to declare war on Red China!

THE ATTACK BY THE UNITED STATES ON GERMANY WAS ALL THAT SAVED THE AMERICAN-JEWISH-FINANCED-AND-LED RUSSIAN REVOLUTION FROM BEING DESTROYED BY GERMANY! Can you see now what Wilson's Jewish bosses meant by "making the world safe for DEMOCRACY"? JEWISH WORLD RULE! And for THIS the United States went 50 billion dollars in debt and suffered 264,000 casualties! How many Jews were among them?

Under the last real Americans to head our Federal Government, Presidents Coolidge and Hoover, remarkable progress was made in reducing the Federal debt, and the Pharisaic conquest was temporarily delayed.

DEFEAT BY DEPRESSION

However, the Jewish rulers were not to be frustrated so easily, for they effected a devilish trick to render our great nation helpless before them. By dumping their huge holdings of stocks and bonds on the market, withholding from circulation the cash received from their immense sales, and causing Germany and other European countries to default their bonds, they created the Great Depression, thereby killing FIVE birds with ONE stone: 1. Reaping fantastic profits by selling at the top of the market, and later buying back at a fraction of what they sold for. 2. Ruining most of their Gentile financial competition. 3. Taking the United States off the gold standard. 4. Again electing THEIR puppet to the Presidency. 5. So occupying the rest of the world with its own financial woes that it failed to notice their pitiless grinding of the unfortunate Gentiles caught in the gory clutches of THEIR hideous Communism to the lowest level of life which man has suffered since the Stone Age.

One of the first acts of their new puppet, Roosevelt, was to recognize the blood-soaked Red Terror of the Soviet Union as a civilized government!

With the Great Depression in full swing, the Jews attempted to repeal our Constitution outright, but the wisdom of our long-departed founding fathers asserted itself from the grave: the Supreme Court declared unconstitutional many of their assaults upon our freedom. So through their silver-tongued puppet the Pharisaic rulers attempted to force the enactment of their nefarious Supreme-Court-packing scheme, which even a blind fool could see through. As our people had not yet been sufficiently demoralized, this trick failed, but ten years of depression and a quarter-century of relentless brainwashing has broken once and for all the self-reliance of the once fiercely independent American people!

THE DESTRUCTION OF THE ANTI-COMMUNISTS

When Germany, Italy, and Japan signed the Anti-Comintern Pact and threatened to conquer the Soviet slave-state, the nations the Jews controlled went blindly to war again for the Pharisees to crush these last-remaining obstacles to Jewish world rule.

About thirty million Gentiles lost their lives to insure the enslavement of their own flesh-and-blood. How many Jews died fighting in this second installment of the War to Enslave the Gentiles?

The Pharisaic rulers tried desperately to force the United States into this Second Great War, although neither the Anti-Comintern Powers nor the American people had the slightest desire for plunging into such a suicidal blood-bath. Finally Japan fell victim to their treacherous tricks and provided the incident the Pharisees had so feverishly schemed to create. After Japan's idiotic attack on Pearl Harbor had united the American people for war, our efforts were directed not toward the attacker at all, BUT TOWARD GERMANY! who once again had the Red Revolution on the verge of defeat!

Now all we hear about World War II is how THE JEWS suffered, which should cause a few wry smiles among you men who fought at the front, you who operated the DP camps, and those who sailed the ships bringing the millions of Jewish invaders (misnamed "refugees") to prey on us. While we Gentiles were fighting and dying to save THEIR Communism, the six million Jews, whom they loudly proclaim to have been gassed and cremated by the Nazis, were being shipped over here remarkably alive to insure OUR enslavement. Those Jews already well-established here were busy fleecing our suffering tax-payers of billions in rigged government war contracts! While the Gentiles of the world suffered irreparable losses, out of these two World Wars in which they did not fight at all, the Jews have gained control of nearly the entire earth!

JEWISH FINANCIAL PIRACY

At the close of World War II the United States turned vast populations of Europe and Asia over to the tender mercies of Jewish "Communism". During and after the war the Jews caused the United States to embark upon an insane program of supporting THEIR international world-socialism, justifying ruinous taxation by humanitarian appeals!

You see, friend, the Jewish control of our government is so complete that they and their stooges, the Negroes, DO NOT PAY THE INCOME TAX like us discriminated-against White Christians. Consequently we are constantly losing possession of our country, while the fat Jews are always loaded with ready cash, taking advantage of any and all distress sales as you and I go broke paying our confiscatory taxes! Who do you think owns most of those big banks and nationally-known corporations NOW? JEWS!!

There are no Gentiles left here on Wall Street but hired clerks, stenographers, and errand boys! The mighty Ford Motor Company recently fell into their

hands in one of the most ruthless examples of Pharisaic fraud on record. They are like pirates now, systematically picking out, ruining, and then buying up for a song first one and then another of our big corporations.

Jewish control is so complete that they can cut off a company's supplies, strike its plants (they control most of the labor unions too!), boycott its products, and deny it credits and government contracts till the poor Christians' business is ruined. Then the fat Jew boys step up lively with a fistful of cash, buy the ruined business dirt cheap, call off the union pickets and the boycotts, and business becomes mighty fine!

Farmer, they are steadily collectivizing your farm. Word from Russia is that there is seven days hard labor per week for Gentiles when the Pharisees complete our enslavement. They will not allow you to celebrate their Sabbath (Saturday), only Jews can do that! and Sunday is the first day of the work week!

JEWISH MURDER OF OUR BOYS

The Jews forced us into a "Police Action" in Korea for the sole purpose of seeing how many American boys could kill how many Chinese, and vice versa. They aroused their pitiful puppet Truman out of bed at two o'clock in the morning to issue the order for our Air Force to return to Korea, which Red Dean Acheson caused them to evacuate a few months earlier. Seven top generals returned from Korea to testify that they were ordered NOT TO WIN! Neither were they allowed to withdraw our boys, but just to force them to stay there in that forlorn country and BLEED!

THE HATCHETMEN

THE GANGSTERS the government is always winking at, THE MURDERERS they refuse to execute, and THE NEGRO SAVAGES with whom they are mongrelizing us will be the enforcers for the Jews when they make "Communism" official here. You do not think the Jews are going to fight, do you? Do not be a simple schmo; there are plenty of Gentile fools and goons around to fight for them!

JEWISH WORLD GOVERNMENT

Just what do the Jews plan to do when they have destroyed all resistance to them throughout the world? They intend to make the United States their headquarters, since we are the land of milk and honey and we are not wise to the Jews yet like the wiser Gentiles in Europe and the Near East. With all the world's Jews concentrated in the United States and Israel, surrounded by a protective cordon of carefully selected zombies, the pitiful human

products of their brain-destroying techniques, they plan to rule the world by remote control, using the atomic and hydrogen bombs to destroy utterly any people on the globe so reckless as to dispute their world mastery. They plan to destroy their principal threat, the Gentile Caucasians, through selecting for slaughter all intelligent White families and mongrelizing the culls with the Negroes through FORCED MIXED MARRIAGES!

Even now all the Pharisaic rulers have to do in order to clamp complete military dictatorship on us is to order their Russian slaves to drop one bomb on the United States (remember Pearl Harbor?). They have the orders already printed! They will take control of all funds, businesses, travel, printing, radio, t.v., and jobs. You will not be allowed to travel or quit your job. ALL WEAPONS WILL BE CONFISCATED, and by that time it will be TOO LATE! Your sons may be in the Armed Forces helpless to do other than obey their commands to kill or enslave you.

CHOOSE YOUR SIDE NOW

THE TIME TO FIGHT WAS YESTERDAY! But we ARE organizing for the fight for our right to live as human beings. What do you think YOU can do after the prison door has clanged shut on us? The prison door is swinging shut at this very instant!

BE A PATRIOT. Join us to fight for the right to live as HUMAN BEINGS. On whose side will YOU fight? Or have you been rendered too soft to fight at all?—"The Patriot."

"The two Internationals of Finance and Revolution work with ardor; they are the two fronts of the Jews' international. . . . There is a Jewish conspiracy against all nations; it occupies almost everywhere the avenues of power—a double assault of Jewish revolution and Jewish finance."—Rene Groos, Jew, in Le Nouveau Mercure, Paris, 1927.

PRISON FOR A PATRIOT

On March 14, Ku Klux Klan Grand Wizard, Rev. James W. Cole, became another victim of communist persecution. On that date Rev. Cole was sentenced by renegade Judge Clawson L. Williams to 18 months to two years for allegedly inciting a riot at a Ku Klux Klan rally at Maxton, N.C., last Jan. 18.

The rally scheduled as a closed meeting on private property, was broken up by a howling pack of drunken Indians and a few Negroes, armed with rifles and shotguns. The disturbance was secretly engineered by local Jews.

An appeal by Rev. Cole would probably be fruitless, for the higher the court, the more firmly entrenched are the communist judges.

So its off to prison for Rev. Cole. His crimes: Exercising his constitutional guarantees of free speech and assembly and devotion to constitutional government and racial integrity.

TWO PLANS

Irving Kupciner, Jew gossip columnist for the CHICAGO SUN-TIMES, had this to say in his March 10 column:

"U.S. Rep. Jimmy Roosevelt (D-Calif.) is planning to spring this motion in time for Israel's 10th birthday celebration next month: Because Haym Salomon, the Jewish patriot who shelled out \$250,000 to help finance the American Revolution, was never repaid, Roosevelt will recommend that Uncle Sam now make amends by purchasing Israel bonds for the amount of the loan. The quarter-million-dollar loan 181 years ago, figured at 4 per cent compounded interest, comes to approximately \$300,000,000!" (Ed. Note: That's 300 MILLION, Nudnick, 300 million for 250 thousand -- to be given to a pack of bloody Christ-haters. Good old Jewish usury!)

Exhaulting Jewish "patriots" of the American Revolutionary war period, practically all of whom (we don't know of any who weren't) were unscrupulous money-lenders, who never helped anyone, except for profit, and then usually both sides, is a favorite pastime of the Jews and their groveling stooges. In this case, old Haym made a bad speculative venture.

As to Rosenvelt's ludicrous proposal, the U.S. should appropriate 300 million dollars, all right—to wipe the bastard state of Israel off the face of the map and to drive into the sea the sub-human refuse squatting there, defiling this land stolen by force and violence from the Arabs. JUSTICE DEMANDS THE IMMEDIATE DESTRUCTION OF ISRAEL.

REPORT FROM SAN FRANCISCO

I live in what is called the Western addition or the Fillmore district, and have since the fire of 1906. There were at that time no Negroes here: there are now about 70,000. The main street, Fillmore, is mostly Negro.

If a merchant refuses to hire Negroes, they put a picket line in front of his place, led by communists, with a sound truck. The merchant is compelled to hire them or go out of business--which many of them are doing.

Five theaters have closed their doors; three of them have been converted into churches, where the Negroes preach their noisy religion, sometimes putting loudspeakers in the entrances to give their neighbors the benefit of their message.... These three places are now off the tax list.

Our sidewalks abound with garbage, drunks, prostitutes, and pickaninnies, many of them illegitimate. Dr. J. C. Geiger, our former health officer, wrote in The San Francisco News that of the illegitimate children born in the County Hospital 70% are Negro--which poses a financial as well as moral problem, as the mother of fatherless children is paid \$110 a month for each child's support.

The crime rate is very high; theft, robbery, hold-ups, and murder are common. Of the 16 persons living in this house, five have been held up and robbed by Negroes. All of these people were 65 years old or more.

The manager of one Safeway store caught a Negro walking out with stolen groceries. The Negro stabbed him, putting the man in the hospital. Our butcher was so badly beaten by two Negroes that he had to be taken to the hospital. He never reopened his store. A watch repair man was shot and killed by three Negroes. Officer McGoldrick, in trying to stop a fight between Negroes, had his face slashed from mouth to ear, and I saw a Negro cut a woman's throat, leaving a big gash.--Selected.

● The recent bombings of Jewish centers in the South show that the White people of that area are awakening to the Jewish menace and are taking positive steps in the direction of curbing it. SUGGESTS COMMEMORATIVE STAMP

Congressman J. Floyd Breeding has introduced a resolution calling for the annual issuance of a special postage stamp to commemorate the birth of Jesus Christ. This resolution, H.J. Res. 462, reads, in part:

"Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Postmaster General shall issue a special postage stamp, for the year 1958 and for each year thereafter, to commemorate the birth of Jesus Christ."

Write to Rep. Breeding (House Office Building, Washington, D.C.) and tell him you support H.J. Res. 462. Also write to as many other members of Congress as you can. A concerted campaign of letters and telegrams might very well result in passage of this most worthy measure.

"To be Jewized is to be fitted with emotional response patterns preventing the casual thought required for self-protective discrimination"--Selected.

SHEDDING THE BLOOD OF CHRISTIANS

The greatest triumph yet achieved by the Pharisaic Conspiracy to subjugate the world is to transform Christianity into the instrument of ITS OWN destruction!

Have today's corrupted Christians strayed so far from the TRUTH that we are actually ASHAMED of Jesus, dying in agony on the Cross for US? Are we EMBARRASSED because His sacrifice reminds us of WHO caused Our Blessed Savior to be crucified? and why THEY committed this Satanic atrocity? Are we so blind in our arrogant ignorance that we fail to see that a living Red Hell is gradually being drawn around US right here on Earth?

THE WARNINGS OF THE MARTYRS

Let us heed the undeniable words of St. John the Apostle: "For this purpose the Son of God was manifested, that he might destroy the works of the devil." I John 3:8.

"Ye (Pharisees) are of YOUR father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." John 8:44. Christian, would YOU dare deny these indispensable words of wisdom with which Christ Militant exposed the Pharisaic Conspiracy? words which for 1,600 years protected His followers from the evil conspiracy of the Synagogue of Satan!

In addition to the repeated warnings on this all-important subject contained in the canonized books of the New Testament, the other early Scriptures of the Church are steeped in this theme. "Wherefore the Son of God came in the flesh for this cause, that he might fill up the measure of their iniquity, who have persecuted his prophets unto death, And for the same reason also he suffered." General Epistle of Barnabas 4:15.

To explain to our modern, Judaized, brotherhood-blinded Christians, who are no longer able to grasp the penetrating significance of this revelation, we repeat a portion of the most fearless words of

TRUTH ever spoken, Jesus' point-by-point exposure of the Pharisaic Conspiracy--THE 23rd CHAPTER OF MATTHEW!

"Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, and say, 'If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets.' Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" Matthew 23:29-33.

The early Fathers of the Church understood full well the treacherous tricks of the Pharisees. St. John warned Christianity for all time, "I KNOW the blasphemy of them which say they are Jews, and are not, but ARE the synagogue of Satan." Revelations 2:9. No organization has EVER had a synagogue but THE PHARISEES!

Those who call themselves Jews would have you believe that their religion is based upon the Laws of Moses. But, read what Talmudic Professor Louis Finkelstein (the same who taught "Jewish Law" to Earl Warren, Chief Justice of the Supreme Court) wrote in "The Pharisees", published in Philadelphia, Penn., by the Jewish Publication Society of America, in 1946:

"PHARISAISM BECAME TALMUDISM, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name inevitable adaptation of custom, and adjustment of Law, THE SPIRIT OF THE ANCIENT PHARISEE SURVIVES UNALTERED."

To bring you up to date we present these words of enlightenment from THE JEWISH ENCYCLOPEDIA under PHARISEE: "Henceforth Jewish life was regulated by the teachings of the Pharisees; the whole history of Judaism was reconstructed from the Pharisaic point of view, and a new aspect was given to the Sanhedrin of the past. A new chain of

tradition supplanted the older, priestly tradition. Pharisaism shaped the character of Judaism and the life and thought of THE JEW FOR ALL THE FUTURE."

Nicodemus, the same who assisted in the burial of Jesus, wrote: "O SATAN, prince of all evil, author of death, and source of all pride, thou shouldst first have inquired into the evil crimes of Jesus of Nazareth. Why didst THOU venture, without either reason or justice, to crucify him?" Gospel of Nicodemus 18:12-13.

St. Ignatius, a disciple of St. John the Apostle and second Bishop of Antioch, wrote several epistles of final instruction while he was en route to his martyrdom in Rome. Several of these epistles are identical as to subject matter, standing as an undeniable Rosetta Stone translating early Christian terminology.

"It is absurd to name Jesus Christ, and TO JUDAIZE. For the Christian religion did not embrace the Jewish, but the Jewish the Christian. These things, my beloved, I write unto you; not that I know of any among you that lie under THIS ERROR; but as one of the least among you, I am desirous to forewarn you, that ye fall not into the SNARES OF FALSE DOCTRINE." Epistle to the Magnesians 3:11-12.

"Not that I know there is anything of this nature among you; but I fore-arm you, as being greatly beloved by me, foreseeing the SNARES OF THE DEVIL." Epistle to the Trallians 2:6.

"But if any one shall preach the JEWISH LAW unto you, hearken not unto him; for it is better to receive the doctrine of Christ from one who has been circumcised, than JUDAISM from one who has not. Flee therefore the wicked arts and SNARES OF THE PRINCE OF THIS WORLD (SATAN); lest at any time being oppressed by his cunning ye grow cold in your charity." Epistle to the Philadelphians 2:6, 8.

"But I arm you beforehand against CERTAIN BEASTS IN THE SHAPE OF MEN whom you must not only not receive, but if it be possible must not meet with. It will therefore become you to abstain from such persons; and not to speak with them neither in private nor in public." Epistle to the Smyrnaeans 2:2, 18.

St. Ignatius' restatements of this same idea in slightly different words leave no doubt whatsoever that PHARISAIC JEWS, THE DEVIL, and SATAN were used interchangeably by the early Christian

Fathers, and that these "beasts in the shape of men" posed the most crucial danger to Christ's Church. These are interdictions FORBIDDING Judeo-Christian brotherhood!

St. John likewise FORBADE brotherhood with the anti-Christ (II John 9-11). Every Christian MUST study the First and Second Epistles of John in order to comprehend the damnable PRESENT-DAY perversion of Christian brotherhood by the SAME Synagogue of Satan!

Let us marvel at the commandment of Barnabas PROHIBITING brotherhood with the Pharisaic Conspirators: "Thou shalt not keep company with such kind of men (human hawks) as know not how by their labor and sweat to get themselves food: but injuriously ravish away things of others; and watch how to lay snares for them; when at the same time they appear to live in perfect innocence." General Epistle of Barnabas 9:4.

For those who fail to understand about WHOM Barnabas wrote thus, we repeat more words of wisdom from the Master Himself:

"For they (the Pharisees) bind heavy burdens and grievous to be borne, and lay THEM on men's shoulders; but they THEMSELVES will not move them with one of their fingers. Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation. Ye outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity." Matthew 23:4, 14, 28.

THE SUBVERSION OF CHRISTIANITY

That today's great infiltration into Christianity by the Pharisaic ensnarers has reached an advanced stage SHOULD be self-evident to all who have eyes with which to see. THE REVISED STANDARD VERSION OF THE BIBLE is a Pharisaic alteration of Christian Scriptures "for partisan purposes", a victory about which the anti-Christ bragged esoterically in the NATIONAL JEWISH POST, Feb. 22, 1957, page 13. The National Conference of Christians and Jews is nothing more than a one-sided feast of the Lion of Judah upon the Lamb of Christ!

That the ensnarement of the clergy of the Christian Churches is a vital objective of the American Jewish Committee is expounded in their secret annual budget reports, copies of two years of which have been captured by soldiers of Christ. We quote from their 1953 BUDGET:

"CHRISTIAN religious education, a subject OF MAJOR CONCERN to the American JEWISH Committee within the past few years, has likewise enjoyed a phenomenal development.

"As the church gains strength, new responsibilities obviously devolve upon OUR (Interreligious Activities) Division if WE are to help influence the attitudes of Americans through their church experience. The religious school, which now embraces a substantial segment of American youth, bears even more careful examination than in the past. As a result of our closer associations with religious educators, we are in a better position to encourage them to assume greater responsibility, both for eliminating prejudicial material and for making constructive intergroup (inter-racial!) education a part of their programs.

"OUR (!) Christian educators have come to regard OUR agency as having special competency in intergroup education and have no hesitation in calling upon us for counsel.

"The Production and Magazine Division (of the AJC) frequently supply us with materials for use in Protestant and Catholic press; stories and illustrations for curricular materials, etc. (OUR SUNDAY SCHOOL LESSONS!!!)

"The Radio and Television Division (of the AJC) furnishes guidance in religious programs and alerts us to objectionable material used by these media in programs having religious content, particularly during Christmas and Easter.

"The Legal and Investigative Department from time to time furnishes us with information sought by church groups, particularly those confronted with the problem of reactionary opposition to social action programs (COMMUNISM!).

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions—Christian Life and Work; and the Division of Christian Education.

"Our primary Catholic contact is with the National Catholic Welfare Conference, particularly the departments of Education and Press. We also work with the National Catholic Biblical Association, Catholic University of America, other Catholic universities, and individual chanceries.

"Other resources include the World Council of Churches, State and City Church Councils and Ministerial Associations, the Religious Education Association, the Catholic and Protestant press, the

Protestant Film and Radio Commission, National Council of Christians and Jews.

"We are concerned, therefore, not only with what is taught in Christian education, but with the attitudes of the educator who trains the teacher, and of the teachers themselves. The environment surrounding the learning process also concerns us.

"Thus, what WE are concerned with is not simply CHANGING what is said about Jews and Judaism in the literature of Christian education, but INTRODUCING A NEW and positive view of Jews and Judaism into the dynamics of Christian education. Our approach seeks to take advantage of the group life fostered by church organizations.

"Meetings with top Protestant leadership have now been established on a REGULAR basis. The SUCCESS of our meetings with Protestant leaders on a national level points to the desirability of extending this effort locally."

Remember the words of Our Lord Jesus when he said to the agents and dupes of the Conspiracy, "And because I tell YOU the truth, ye believe me not." John 8:45. The agents of the anti-Christ will "piously" denounce as unChristian (!) this undeniable documentation of their evil chicanery. Should your minister remove these vital words of TRUTH from your church, you will KNOW whom he serves! Any man who seeks to suppress this word HATES the TRUTH! — "The Patriot"

"MASTERS OF DECEIT"

In all of the decadent, alien-infested city of Washington, D.C., there was one place where patriotic Americans had reason to hope the light of decency and Americanism still flickered, even if so dimly, and that was in the office of the Director of the Federal Bureau of Investigation. But on March 10, with the publication of the much heralded "Masters of Deceit", all such hope was crushed and any light which may have been, was no more.

In the past, although never refraining from exposing the all too frequently employed gestapo tactics of the FBI, THE REVERE has never made any unfavorable remarks about its Director, J. Edgar Hoover. There was always the possibility that Hoover knew the score and that he felt by remaining silent he could maintain a hold on the organization and keep its directorship from being turned over to a Jew.

Now, however, it little matters whether or not a Jew heads the FBI, for Hoover himself has come out with one of the most diabolical and cleverly deceitful books of the year. It is patterned after the old communist technique of expending an entire literary effort, even one purporting to be anti-communist, in an attempt to "plant" into people's minds one or two basic and important seeds of UNTRUTH.

A number of Hoover's statements in "Masters of Deceit" unquestionably label him either mentally deficient, a captive of the invisible government or a willing apostle of the "masters of deceit". His praise of the infamous ADL, the B'nai B'rith, the American Jewish Committee and "a host of other Jewish groups" for their "effective opposition to communism in the United States" is an unpardonable example of that.

Even the notorious communist-ridden NAACP comes in for a splash of Hoover whitewash.

"Masters of Deceit" ranks with the most abominable of the Jewish-communist propaganda efforts.

THE ANTI-DEFAMATION LEAGUE

Taking into account the many sinister organizations drawing the acclaim of J. Edgar Hoover in his new book, "Masters of Deceit", perhaps the Anti-Defamation League of B'nai B'rith (ADL) stands out among the rest as being the most vicious and un-American of the lot, if, indeed, any one can possibly be singled out as being any more so than the others.

It would require several volumes to set forth the odious and satanic record of the ADL. Seldom in the annals of history has there been an organization quite so downright rotten and evil.

The ADL is a richly endowed terrorist outfit, consistently directing attacks upon opponents of communism, using vilification, misrepresentation and character assassination as its chief weapons.

Writes Rev. Kenneth Goff:

"The ADL is a police agency. Only three or four members of the House and Senate have ever dared to resist its power. It admits to maintaining a force of 2,000 expert investigators in cities across the continent, and thousands of helpers.

"The ADL keeps files, listing the names and containing the records of every man and woman in whom, for any cause the Jews might have the least interest."

Besides acting as a Gestapo, the ADL is also active in promoting race-mixing and mongrelization. A recent ADL resolution stated, in part:

"The Anti-Defamation League was proud to have been one of the national organizations which petitioned the U.S. Supreme Court to abolish segregation in the nation's public schools."

Just last March the TAX-EXEMPT ADL invited every member of Congress to a lavish dinner in Washington's Mayflower Hotel. The highlight of this "Dinner with Congress" was the presentation of an award to the 85th Congress "for its distinguished contribution to the enrichment of our heritage of freedom in passing the Civil Rights Act of 1957."

It is indeed a shocking state of affairs when the Director of the Federal Bureau of Investigation lends his support to, as one writer has aptly characterized it, a "League of Bigots, Blackmailers, Thieves, Character-Assassins and Subversives." Perhaps it would be well to institute an investigation to determine just what the ADL has on Hoover to make him sell out to the Jews, assuming, of course, that he hasn't always by his own choice been an agent of the enemies of our Christian Republic.

FBI SEEKS TO REPRESS PATRIOTISM

Dear Fellow White Christian:

The FBI is being used to investigate an organization, headed by a man calling himself The Patriot, which they allege is "plotting to overthrow the government by force and kill all the Jews."

What is so vicious about this use of the FBI to repress the active opponents of World Enslavement and genocide of the Gentile White Race, is that the Pharisaic Masters of the studied lie are forever accusing their opponents of thinking about EXACTLY WHAT THEY (THE PHARISEES) ARE ACTUALLY DOING RIGHT NOW!

Those who know the truth realize that the alleged mass murder of six million Jews is the greatest hoax of ALL time. Yet on the strength of a 100% Big Lie they ordered our aviators to murder untold legions of German women and children! They ordered OUR aviators to drop the first atomic bombs on a nation ALREADY trying to surrender! They tried (Talmudic-style) and imprisoned and executed a large number of German officials merely for defending their people against the invasion of the entire Pharisaic-controlled world. (According to Talmudic Law the goyim are ALWAYS guilty.)

If our Anti-One-World organization were actually plotting to overthrow the United States Government, then wouldn't we be ridiculously belated in our efforts? Not only has our Constitutional Government ALREADY BEEN overthrown, but the Pharisaic World Enslavers are well along to eliminating not only the States that were once United, but to eradicating all vestige of the once-proud nation known as the United States.

There is one and ONLY one reason that our truth-disseminating group must maintain secrecy: FREEDOM OF SPEECH AND OF THE PRESS IS GONE! Telling the truth about The Conspiracy is now about the most dangerous business in the entire world, a truth Jesus well-understood! The FBI has never sought a criminal with one-thousandth the effort with which they will be required to hunt us. There is only one thing which can protect us: THE

REFUSAL of patriotic Americans everywhere to become active accomplices to their own crucifixion. We are sacrificing our lives that you and yours will not become helpless, hopeless victims of World Enslavement. Won't YOU help us?

If, by some miracle, we are successful in thwarting the hideous plans of The Conspiracy, then those who actively aided these alien enslavers in their attempt to reduce the once-free Americans to a raceless, faceless, hopeless, homeless, Godless, spiritless mass of sub-human zombies would be in a well-nigh intolerable position. In light of the precedent set by The Conspirators THEMSELVES at Nuremberg, Germany, then liberated America would be almost bound to hold treason trials.

If on the other hand The Conspiracy triumphs over prostrate Humanity, the NEXT group to be liquidated after the liquidation of the opponents of the Pharisees ARE THE GENTILE AGENTS OF THE CONSPIRACY, for they know too much and are subject to overwhelming pangs of remorse.

Mr. FBI agent, and Mr. Policeman, you should do some serious thinking about YOUR OWN crucifixion. In 1937 ALL GENTILE Soviet Secret Police were KILLED and replaced by 400,000 blood Pharisees and 200,000 convicted Gentile CRIMINALS, bondslave hatchetmen! An ordinary Gentile catspaw for THE CONSPIRACY TRIUMPHANT has a normal life of FIVE YEARS! Then he is AUTOMATICALLY "liquidated"!

You may plead that you do not know these things. Then perhaps you DO KNOW what happens to all the anti-communist, anti-American information YOU uncover. You well know that it is filed away to be used only for ridiculous mock trials that are held occasionally "to convince" the misinformed American people that "their" government is not truly already in the grip of the Pharisaic Conspiracy. For instance, what happened to your information concerning the Communists at Fort Monmouth? because of which Sen. Joseph McCarthy died!

We do not doubt for a minute that, if you really try, you will discover us. After you have played the part of Judas, the Sanhedrin will take over, and YOU will live out YOUR role of Judas to the bitter end. You too will despise yourself for the traitorous part YOU played in insuring the end of our people, YOUR people, **YOU!**

If the American White Christians have sunk so far down the drain of human degradation as not to care, then no power on earth can save us from the fate the Pharisees are hell-bent to impose. In that case, then God is truly using The Conspiracy as a form of Scourge of God to punish irrevocably a people so demoralized, so despicable, so undeserving. It has happened **BEFORE! MANY TIMES!**

The time has come to choose sides. This is truly race war to the death, **AS THE PHARISEES DECLARED** long before any of us were born! They are determined that **OUR White Race** must go!

WHOSE SIDE ARE YOU ON? -- The Patriot

THE JEWS AND THE FBI

Just who are the **REAL "Masters of Deceit"?** J. Edgar Hoover, traitor to every real Christian American, knows, but he is not telling. He is too busy spreading Jew-communist propaganda and misleading Pharisaic double-talk.

Last month a number of patriotic publications, including **THE REVERE**, exposed Hoover's new book, "Masters of Deceit" (probably written by some foul-mouthed, Christ-hating Talmudist in the New York offices of the American Jewish Committee), as one of the most diabolical and cleverly deceitful books of the year, a real masterpiece of **PRO-JEWISH, PRO-COMMUNIST** fabrication.

The Jews have a strangle-hold on the FBI, just as they have on every other branch of our government. It should be clear to all that there is a close relationship between organized Jewry and its terrorist arm, the Anti-Defamation League of B'nai B'rith (ADL), and the FBI. The ADL and the FBI are working hand in hand, as they have been for many years, in a conspiracy of intimidation and persecution of patriotic Christian Americans. Our land is swarming with Jewish secret police and FBI agents, all of them snooping and prying, coercing and bullying.

We are living in the not so early stages of a Jewish World Dictatorship. Many of our fellow

Americans are so brainwashed that they do not yet realize this. But they will wake up -- most of them too late, unfortunately -- when the **BLOOD BATH** begins, when the Jewish Gestapo seizes them in their homes and drags them off to be tortured and tormented by Jewish fiends in mental health holes or murdered by Jewish executioners -- **Kosher style.**

BOMBINGS

In 1934 diplomat J.W. Girard warned of mass pogroms if the American people should ever find out that communism is Judaism.

Well, the majority of the American people are yet unaware of the Jewish plan for world domination through communism, and any pogroms which may be coming are still some way off, but, as we said in April, the recent bombings of Jewish centers in the South show that the White people of that area are awakening to the Jewish menace and are taking positive steps in the direction of curbing it.

Although the newspapers have recently given coverage to a number of these bombings, most notably those in Jacksonville, Miami, Nashville and Birmingham, they have not even begun to give the whole story. The fact of the matter is that **WELL OVER 45 JEWISH CENTERS HAVE BEEN BOMBED WITHIN THE PAST 16 MONTHS.** (Quite a record!)

Apparently the Jewish press barons feel that a little publicity on the subject might stir up some misguided sympathy and bring in a few dollars for Israel Bonds from the more Judaized goyim, but fear that too much publicity might start a chain reaction and set off a real drive against their temples and dens of subversion and race-mixing.

KHRUSHCHEV IN THE NEWS

NEW YORK--Nikita Khrushchev is reported by the American Committee for Liberation, which monitors Soviet radio broadcasts, to have commented that "half the members of the presidium" of the Communist Party of the USSR have Jewish wives. Khrushchev was speaking extemporaneously at a Polish Legation reception.

SPECIAL--In a recent article in **LOOK** magazine Soviet Premier Nikita Khrushchev is quoted as saying "Why should I dislike Jews? I have a grandson who is half Jewish."

CHRISTIANS, AWAKE!

It was intended that ours should be a Christian Nation. Its government, its way of life, its society was based on fundamental Christian precepts.

Because our Nation has lost its way, it faces the horror of the coming Red Terror. If we are to save our Nation, we must return to the Christian Way; there can be no compromise, no co-existence with the forces of evil. And we must understand that these forces of evil are not concentrated in some far off Continent awaiting the order to attack. Those forces of evil are in our very midst, posing as friends and brothers and advisers. And we accept them, aid them in their preparation for our own destruction.

The key to salvation, as a nation and as individuals, is to know the truth. Once the people know the truth, as Abraham Lincoln said, the people will know what to do.

But—to know the truth, we must shake off the mental torpor and spiritual lethargy induced by centuries of brainwashing and soul seducing.

THE PHARISEE ATTACK

When organized Judaism began its campaign to "sell" America on the ideal of Universal Brotherhood; both in the things which are Caesar's and the things which are God's; the line of attack became quite simple: "Anything which is pro-Christian is, per se, anti-Jewish."

Who can dispute the truth of that statement? Jesus testified to its truth when he said, "He who is not for me is against me." Christ held no Brotherhood meetings with Rabbis and Pharisees. He witnessed before them as individuals; but when they organized that first Conference of Christians and Jews on the mount of Olives, He told them:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it."

In a Christian America, anti-Jewish from the very start, the first work of the Judeo-political sons of the devil was, therefore, to eliminate that word "Jew", except when used as a word of respect and praise. So, they coined a new word: "anti-Semite"—eternal insult to those true Semites of the Middle-East whose ancestors walked with Jesus, praising Him instead of seeking to stone Him.

So now the action-slogan read: "Anything which

is pro-Christian is, *per se*, anti-Semitic."

THE CHRISTIAN COUNTER-ATTACK

If anything pro-Christian is anti-Jewish, it follows that anything pro-Jewish is anti-Christian. It's as simple as that. So, let's fight the devil's fire with the fire of the Holy Spirit.

For half a century we have been re-making Christianity into a lukewarm philosophy of mortality which can be practiced *without offending the Jew!*

Have you the courage, under God, to admit that any kind of Christianity which does not offend the Jew has no right to be called Christianity?

Christ so offended the Jews that they considered the only fit place for Him was on the cross. From then till now the Jew has hated Christ and has taught his children to hate Him.

Today in America, when we do Christian or patriotic work, they say we are discriminating against the Jew, that we are anti-Semitic; and the concentrated force of the hate-mongering ADL and a dozen other anti-Christ organizations is hurled against us.

If we are witnessing for Christ, can we expect less? If we stand up for the God of our Fathers, can we expect less?

Like Peter before being endued with the Holy Spirit, we have been denying Christ. That's the reason our beloved Country is in the shape it's in! That's why we prepare for the coming of the Red Terror!

Now; let's quit denying and start fighting back armed with the full armor of God! Let's have our own anti-defamation league and speak out at every occasion against the defamation of Christ!

It is no longer enough to "come out from among them" and be separate, and touch not the unclean thing. (See II Corinthians 6:14-18.) We must clean out the temples of the Lord.

Remember always, we fight not against the individual. For that is not the way of Christ. But, whenever two or more are gathered together in the name of Liberalism, or Modernism, or Brotherhood, or any of the other names under which the anti-Christ disguises his followers; the devil himself is in their midst.

A NEW ERA FOR FRANCE?

There is encouraging and heartening news for the Christian Nationalist Movement coming out of Algeria and France these days. It is too early to say for sure, but events would indicate that perhaps at long last the French people have had their fill of JEW-MOCRACY and are about ready to overthrow their Jewish Masters.

The years since the Jewish inspired and financed French Revolution have been hard and bitter ones for the French people. Their once proud nation has been taken over by the Jews and corrupted, looted and rendered but a mere shell of her former magnificent self.

No wonder the Jewish controlled press in America and elsewhere throughout the world refers to the French situation as "the French crisis." It is indeed a crisis FOR THE JEWS because they are in danger of losing their power there.

The French upheaval is primarily a revolt against Jewish intrigue and domination, but you don't read that in your papers. You don't read that that provincial towns and cities of France are being flooded by a stream of Nationalist literature exposing the Jew menace, charging the 700,000 of the best French dwellings and apartments are occupied by Jews and that BILLIONS OF FRANCS HAVE BEEN SMUGGLED OUT OF FRANCE TO ISRAEL.

Yes, the French people are waking up and with their traditional enthusiasm taking steps to do away with the Jewish parasites and vipers. God Bless General De Gualle and may He guide the General in the Noble and Worthy Cause of leading his nation out of the hellish darkness of Jewish subjugation.

"MENTAL HEALTH" NOTE

The following news item, headed "Psychologist To Address Unitarians", from a Chicago suburban newspaper should be of interest to all patriotic Americans:

"Dr. Ben A. Joshel (Jew? The "mental health" movement is Jewish motivated and dominated.) clinical psychologist, will address the congregation of the Hinsdale Unitarian Church today (Sunday). He will discuss the study of "Psychological Prisons" and how religion can enslave the mind. (To the uninitiated this offers a seeming paradox. A Jew head-shrinker lecturing in a "church" on the menace of religion!)

"At present, Dr. Joshel is chief psychologist and director of the Community Mental Health Clinic of Des Moines, Iowa, and is associated with the Broadlawn General Hospital of that city." (Just imagine the number of poor souls who must have been victimized, until they were electric shocked to death, and the still others who must today be under the control of this man.)

The two primary goals of the organized "mental health" movement are: (1) The destruction of Christianity and (2) the enslavement of all peoples in a raceless, one world society, under the control of the Pharisees. "Mental health" today means BRAIN-WASHING, RACE-MIXING, ONE WORLD AND LIQUIDATION OF THOSE WHO STAND IN THE WAY OF THE JEWISH WORLD DICTATORSHIP.

THE GREAT AWAKENING

We are very happy to see so many of our Negro friends falling away from the clutches of the Jew-controlled NAACP and waking up to the Pharisaic Conspiracy against all races. Many of these good Negro people have a better understanding of the race question than some of our White brothers who spend their time spreading hatred against the Negro race, completely ignoring the real plotters and instigators of racial disorder - - THE PHARISEES.

RUDOLF HESS: PRISONER OF THE "PEACE"

Sixteen years have passed by since the day when Rudolf Hess, with unparalleled courage and in full knowledge of the risks, went to meet his fate in a last desperate endeavour to save the peace of Europe and ward off the victory of communism. Eleven years have passed since he received before the court of Nuremberg the judgment of his bitter enemies—without any regard to the historically unique action he had tried to perform.

Rudolf Hess now, as a prisoner of the peace, waits behind prison walls for the day when the world at last will wake up to an understanding of the great moral worth and the real purpose of the feat which, on the 10th of May 1941, caused his name to be known throughout the world.

Hess was the deputy and the closest confidant of Hitler. In the late spring of 1941 he knew the plan of the German Fuhrer to break with Moscow and attack the Soviet Union, whose menace to the western world he well knew. For a year he had pondered on means of escape to put an end to the enmity between England and Germany—France being already knocked out since the summer of 1940—and had finally come to the conclusion that nothing but an absolutely uncompromising personal stake of a responsible German statesman in the highest position could offer any chance to ward off the course of fate. Hess thus made up his mind to take this task upon himself, and he did it solely upon his own initiative and his own responsibility. He resolved to fly to Scotland for talks with the British Government, alone—without the permission of Hitler; indeed Hitler and the government of the Reich were to be totally ignorant of his plan.

After methodical secret preparations—so secret in fact that not even his beloved wife nor his son had the slightest knowledge of his intentions—Rudolf Hess on the 10th of May, 1941, took his place in a Messerschmidt hunting plane, specially prepared and outfitted for the feat. Thanks to his very great skill as a flyer, and also to good luck,

he succeeded in reaching his destination, Scotland, where he jumped in a parachute into the immediate vicinity of the castle, where his old friend, the British General Sir Ian Hamilton, was living. He was the one man, who, Hess hoped, could act as his intermediary and spokesman with the government of London.

Hess was immediately interned in England as a prisoner of state without any chance to lay his fears of a communist war victory before the London government.

For five years Hess then remained isolated in a British prison. After the end of the war he was brought by aeroplane back to Germany—to the prison for war-criminals in Nuremberg.

Here in 1946 he was to receive his judgment: imprisonment for life in Spandau. That was the end, many wished, of the man who was possessed by the thought of making possible a British-German peace and thereby hindering the development of the war into a world war, won by the Communists.

Rudolf Hess had decided to sacrifice his life, his honour, his family, his position as the deputy and closest confidant of Hitler—everything which was of weight and great value to him.

The victorious powers' treatment of Rudolf Hess was *the most abominable judiciary crime of our time*. If there really were a world-conscience, or at least a conscience common to the peoples of the West, it would be unthinkable that a man of Hess's character should up to this day, twelve years after the end of the world war, be kept a prisoner, still misunderstood and forgotten by the world. Every talk of Hess's "mental disease" or abnormality has been definitely disproved. Rudolf Hess is, in fact, still a man of supreme clearness of mind and of exceptional willpower. That his exploit brought forth no fruit of any kind was not due to any shortcoming of the man who performed it but solely to the blind hatred of the enemy milieu.

Rudolf Hess has not been crushed by the hard blows of an unkind fate. He has courage, tranquillity and complete mastery of mind. Sooner or later the day will come, when his name will be put down in the books of history as one of the most fascinating although most tragic in our time.—Holger Mollman-Palmgren, Stockholm, Sweden, reprinted from *The American Mercury*.

MORE ON FRANCE AND DE GAULLE

Last month THE REVERE ran an article on the political situation in France (A New Era For France?).

One point that we feel should be clarified is that we in no way intended outright endorsement of Gen. de Gaulle. We did, however, let our hopes get out of hand, it would seem, when we left the mistaken impression with some of our readers that we supported de Gaulle.

Gen. de Gaulle's present Jewish affiliations are now coming into the open. His cabinet is made up of Jews, Jew stooges and the same type of sub-human parliamentary scum that has made France the degenerate nation she has become.

A leopard cannot change his spots and apparently de Gaulle is the same old Jew-loving fool he always has been — the same traitor to the French people who was responsible for the shameful treatment of Marshal Henri Petain and the Vichy government patriots.

● (PARIS)—Michel Debre, Minister of Justice in the new de Gaulle cabinet, was reported here to be a Jew who is very active in Jewish communal activities. He was said to be a grandson of Dr. H. Schwartz, chief rabbi of Strassbourg.

● (PARIS)—Premier Charles de Gaulle confirmed France's close friendship with the State of Israel, in a message from Israel Premier David Ben Gurion on his investment as Chief of Cabinet.

The de Gaulle message, handed to Israel Ambassador Yaacov Tsur by Premier de Gaulle's secretary, declared: "I thank you for your kind message which expresses such noble sentiments. I greet the courageous Israeli nation with which France has solid links of friendship and shares the same spiritual ideals."

THE FAILURE OF CONSERVATISM

Most of our aroused patriots still take great pride in being CONSERVATIVE. But somehow their conservatism has noticeably failed either to conserve any part of what they believe worth of conserving or to check the relentless march of the Pharisaic Conspiracy toward world rule and ruination of the goyim (all the rest of humanity!). It is obvious that something is basically wrong with the reasoning of conservative patriots. Time never marches BACKWARDS! The CONSERVATIVE intellect is always a week late and a mile behind in any contest with the AUDACIOUS intellect. The rulers of the Conspiracy are intellectually audacious. It is painfully obvious who is winning!

Our conservative patriots talk unrealistically of voting our Pharisaic Masters out of power. One could just as realistically vote the fleas off a dog. How in heaven's name can we vote them out of power? All the instruments controlling public opinion are gripped tightly in their deadly clutches. Pharisaic control of our economy is absolute. The government obeys them exclusively. Any and all resistance to the Conspiracy has been publicly proclaimed "illegal, insane, immoral, and unChristian". And millions of brainwashed Americans have unwittingly fought for their own enslavement.

Cannot our wiser conservative patriots see that they are unwittingly following the path leading off to NOWHERE, pointed out to them by the Conspirators themselves? A new road to salvation is being blazed out of the Wilderness of Zion. The way is unmarked and hazardous, but our people must follow it bravely, OR PERISH!

In spite of all wishful dreaming about past freedoms and well-being under the Constitution, we must now face up to the awful reality of our predicament: THE CONSTITUTION IS DEAD, and we lie a demoralized, conquered people, ruled by a murderous alien enemy who is dedicated to destroying us utterly as a free White Christian people.

Pharisaic columnist Lillian Reznich Ott, writing in *The California Jewish Voice*, gloatingly described the piggish level to which the "free" American Gentile has been reduced:

"The mind that is conditioned to crawl must crawl into whatever pestilence it encounters or is ordered. The American people are trained like war

dogs to bark and growl or wag the tail on signals from interested keepers. But no one knows or cares that all the shouting is about nothing but profits, profits amounting in the trillions. In short, the American people have become a nation of 'dumb driven cattle' (the standard Jewish pet name for the goyim!)."

The Conspiracy is leading our blind, foolish people like sheep into the slaughterhouse, luring us into their trap with lush clover and promises of more. Even now the door of the trap is silently being closed behind us.—The Patriot.

POISONOUS DRUGS IN OUR FOOD

Dr. Harvey W. Wiley was installed as chief of the Chemical Department of the Department of Agriculture in 1883 and held this position until 1912. Through his efforts the Pure Food and Drug Act was passed by Congress in 1906. That Act is still on the books. *It made it a crime to adulterate foods. BUT THE LAW HAS NEVER BEEN ENFORCED.*

Today poisons are being injected into food without limit, while the people believe they are protected by this law. A recent compilation shows that approximately 500 chemical materials are being added directly to food for various purposes. The Food and Drug Administration estimates that 150 of these 500 chemicals have not been adequately tested to show that they are harmless.

The Consumer Reports for 1956 read, "An important group of chemicals thought to be safe are synthetic dyes used to color food, drugs and cosmetics. Today 61 have been certified by the Federal Drug Administration for use in food. Since 1945, 15 dyes have been re-examined for toxic carcinogenic (cancer-forming) allergenic properties. Only one of these has been conclusively shown to be harmless."

The poisons used in one nationally sold bottled beverage are clearly in violation of the Wiley law, but the company's business goes merrily on. A tooth immersed in this drink has been proved to be *dissolved in 30 days*. Chemicals are increasingly used in city water supplies to prevent tooth decay, without any competent analysis to indicate what deleterious effects may result.

In 1953, the production of "surface-action chemicals," many of which are used to improve the

"stability" of such foods as bread, cake mixes and desserts, reached 921,000,000 pounds. "Agene" was used for 30 years to bleach flour, until the University of Aberdeen, Scotland, found it caused running fits in dogs and affected the mentality of humans. After several years this "Agene" was replaced with a chemical called "Alloxen"—a *poison* used in experimental laboratories to induce diabetes in animals.

Over 1000 chemicals have been used in foods. About 500 have now been discarded, and of this 500, 150 have not been scientifically tested. Of those which have been tested several have been found carcinogenic.

I receive material and protests on this subject from all parts of the country. Indicating the serious danger of this practice, I quote Dr. William E. Smith, of Englewood, New Jersey, cancer researcher, who said "cancer-inducing chemical additives and dyes are going into food for human consumption."

THERE SEEMS TO BE A WELL-FORMED CONSPIRACY BETWEEN THE BIG CHEMICAL COMPANIES AND THE AMERICAN MEDICAL ASSOCIATION AND THE FOOD AND DRUG ADMINISTRATION TO LET THESE POISONOUS CHEMICALS BE INJECTED INTO FOOD, NOT FOR THE SAFETY OF PUBLIC HEALTH, BUT FOR THE PROFITS ARISING FROM THE MANUFACTURE OF THE CHEMICALS. An examination of the records leaves little in doubt as to the facts of this conspiracy.

I want the proper committees of Congress to make a thorough investigation of this matter, which they can do without any extra cost to the people. If we have ample laws now, they should be enforced. If not, then new laws should be enacted. One way to avoid cancer is to not create it by eating poisoned foods.—Usher L. Burdick, reprinted from *The American Mercury*.

FBI-ADL TERRORISM

THE REVERE has up to this point run a series of four articles exposing J. Edgar Hoover as a tool of the Pharisaic Conspiracy and shedding light on the close relationship between the FBI and the Jewish gestapo, the Anti-Defamation League of B'nai B'rith (ADL). (See "Masters of Deceit" and "The Anti-Defamation League", May issue and "FBI Seeks to Repress Patriotism" and "The Jews and the FBI", June issue.) There is, however, much more to this FBI story.

The FBI-ADL Conspiracy of intimidation and persecution of patriotic Americans is far more terrifying than the average person realizes. Just ask anyone who has really taken a positive stand against the Pharisaic Enslavers.

Take, for instance, the case of attorney J. B. Stoner of Atlanta, Georgia, active campaigner for Adm. Crommelin in Alabama's recent gubernatorial race, as reported in "The Thunderbolt":

"Mr. Stoner tells us that he has been followed from town to town on his business trips by a motorcade of FBI men. He took down the license numbers of these cars so as to get an injunction against this annoying and embarrassing bumper to bumper parade.

"When Stoner moved in to get the names of the owners of these cars, so as to get a restraining order against such terrorist activity, he found that their records at the Georgia license bureau had been pulled and it was impossible to move in legally against them.

"This is how the great FBI spends hundreds of thousands of Tax Payers' dollars, protecting the "security" of the USA, all this while the Communists run rampant through America - going and coming anywhere they please."

Everyday we receive reports of FBI-ADL terrorism. Remember Clinton, Tennessee, where 82 men investigated 16 segregationists, and Little Rock, where hundreds of FBI goons swarmed about like locusts, trying to frame the courageous Little Rock Freedom Fighters?

The only way to deal with the FBI-ADL bullies is to refuse to be intimidated by their shining badges and expensively printed credentials and to stand up against them at all times. Some sound advice: Never associate with FBI agents or Jews; they can-

not be trusted and they might be spying on you or trying to get evidence against one of your friends.

It is better to go down fighting than to let the enemy win by default, without taking losses himself. And besides, some of these FBI-ADL gestapo snoopers might wake up to the fact that a day of reckoning is near at hand and that they had better not be on the patriots' lists when it comes! DEATH TO THE TRAITORS!

"The association of the Races in public schools leads to love and marriage."--Walter White, late Executive Secretary of the NAACP.

"Integration will result in White girls being associated with Negro boys. ★ ★ ★ Naturally inter-marriage would result. We of the NAACP are committed to a program of full integration."--Albert A. Kennedy, NAACP lawyer.

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. And the end is still a long way off. We still dominate you." Marcus Eli Ravage, Jew, in *Century Magazine*, January-February, 1928.

THE JEWS AND THE TV GIVEAWAYS

An overdue investigation has been launched into the Jewish multi-million dollar giveaway show racket. The New York District Attorney's office, under pressure from mounting public indignation, has begun a probe into a number of TV quiz programs. Already, one quiz, "Dotto", has been eliminated. Others deservingly face a similar fate.

Patriots long have been suspicious of programs of the "\$64,000 Question" variety, and rightly so. Consider, if you will, the many persons who have been catapulted to national acclaim and high paying jobs simply because they rattled off the answers to a few questions. (It has been revealed that certain contestants apparently have been given the answers to questions prior to going on the air.) Consider, also, the steady procession of undesirables who have appeared as contestants on these shows, the overwhelming proportion of Jews, Negroes and gentiles of obviously un-American inclinations.

The objective of these quizzes and their Jewish sponsors would seem to be to subsidize and glorify Jews, Negroes and gentile subversives.

The Hank Bloomgardens and Teddy Naders are brought back week after week to pick up more loot and for propaganda purposes: to be extolled and exalted by grinning, groveling quiz masters.

Nader, a repulsive little Jew, has accumulated hundreds of thousands of dollars in winnings. Youngsters Lennie Ross and Robert Strom, both typically Jewish and rather freakish in appearance and manner of speech, walked off with huge sums.

The Jewish press has privately admitted to its readers that the quiz shows are designed to "upset anti-Semitic stereotypes" and "prejudices" and to promote brotherhood. One Jewish writer, Barrie Simmons, \$32,000 winner on the "\$64,000 Challenge", has gone so far as to refer to Robert Strom as "the idol of the nation's school children" (God forbid!), in an article entitled "The Quiz Shows:

They Give More Than Money", appearing in the March, 1958 issue of THE ADL BULLETIN.

Informed observers are fearful that the current investigation may go the way of most past investigations into Jewish activities, that it may be sidetracked and then derailed by the Hidden Hand manipulators. It is hoped, however, that the early publicity accorded it will help awaken the American people to the fact that their beloved television, like radio, movies and all other forms of public information and entertainment, is a Frankenstein Monster of lies, deceit and propaganda - a cleverly manipulated tool of the Pharisaic Conspirators.

RACE RIOTS COME TO BRITAIN

LONDON—Stories of America's "Little Rock crisis" were pushed off London's front pages last week by the worst race riot in Britain's history.

The outbreak came in Nottingham. A band of Negroes, armed with knives, razors, hatchets and clubs, swarmed into the streets and attacked all the white women and men in sight.

ACTS OF NEGRO VIOLENCE

Mrs. Mary Lowndes, a white woman, was leaving a "pub" when she was struck on the back by a Negro man. She recalls:

"The next thing I knew, my husband was being punched from one side of the road to the other by a group of colored men. I heard bottles being smashed and everyone started shouting and screaming."

"Charles Coyne, returning home with his pregnant wife, was bludgeoned with a club and then stabbed in the back. When his wife tried to intervene, she was kicked in the stomach. A 31-year-old miner, Leo Slater, tried to help Coyne. Here's what happened to him:

"I lifted his (Coyne's) jacket and saw four stab wounds in his back. The next thing I knew I was being slashed across the throat. Blood was everywhere, and all I could do was sit on the pavement and wait for an ambulance. I had to have 37 stitches. I was slashed almost from ear to ear."

Here, in the words of Mrs. Felix Smith, is what happened when she, her husband and a friend appeared on the scene:

"I heard some colored man shouting, 'Get the..', and they jumped us. They knocked me into a shop doorway and I felt something sharp cut into my arms. My husband and his friend were on the ground with a pile of colored men on them. A taxi swerved onto the pavement and scattered the black men. When my husband got up, he was holding his back, and I saw there was a knife in it. He pulled it out and threw it into the road. We would have been killed had the taxi not come."

Days after the riot, Nottingham remained a city of fear. A white woman complained: "We dare not go out in the evening now, not even with our husbands."--U.S. News and World Report.

SURGICAL BRAINWASHING

The act of performing a surgical lobotomy is one of the most fiendish and sadistic of all crimes. It is a crime against God, a crime against nature and a crime against man. Yet, today it is being practiced in Mental Health hospitals all across the nation. The victims are not only the so-called "insane", but also countless hundreds of POLITICAL PRISONERS -- locked up because they stood in the way of the Pharisaic Conspiracy to enslave the world.

In the House of Representatives on Thursday, June 13, 1957, Hon. Usher L. Burdick of North Dakota, described the gentle art of lobotomy in these words:

"Now let us see what a lobotomy is. First, the patient is strapped to an operating table. The straps must be tight and very strong. Then electrodes are clamped to the temples of the person about to be lobotomized. Next, three jolts of electricity are shot through the patient's brains- enough to start violent convulsions, which give way to an anaesthetic coma. Now the doctor takes his leucotomes -- pick-like instruments -- and inserts them

under the patient's eyelids. With a hammer he then drives them through the eye sockets of the skull and into the forepart of the brain. Finally, with a few deft sweeping motions back and forth, the doctor severs the prefrontal lobes of the brain from the rest of it.

"It takes only 5 minutes to perform this operation and the subject does not know what has been done to him. He loses his animation as a living object and becomes a zombie. His productive organs wither up and he is incapable of resistance.

"This practice is used here in the United States on persons SAID TO BE MENTALLY ILL (emphasis added -- Ed.), and it is estimated that 100,000 persons in the United States have been subjected to this operation upon the advice of some psychiatrist. This is murder. It is another way of putting the patients to death under the advice of skilled psychiatrists. In the United States today a large percentage of the psychiatrists are foreigners (many of them JEWS -- Ed.), MOST OF THEM EDUCATED IN RUSSIA. THE PERCENTAGE RUNS AS HIGH AS 80."

The following comment is from the outstanding newsletter, CLOSER UP:

"Surgical lobotomy is the 'extreme' treatment of the psychopoliticians. And the millions of gullible Americans who have fallen for or gone along with the insidious mental health drives which have been staged in every city, town and hamlet will say:

"'Oh, but a thing like that can never happen to ME!'

"And they're probably right. Surgical lobotomy is a treatment reserved for the incorrigible: for the one who refuses to bow his knee to the god of modernism whose prophets are building the new world empire of the anti-Christ. Lobotomy is for those who cannot be made to conform and yet cannot be murdered outright. It is a treatment for those who cannot be brainwashed, bought, bribed, blackmailed or otherwise threatened into committing the sin of silence when they should protest.

"So, surgical lobotomy is no threat to those who straddle fences, close their eyes and ears so they won't see or hear of sin and iniquity being committed in high places by the forces of darkness.

"Such Americans probably won't ever be committed to a 'mental health' clinic or concentration camp either. Those who 'go along with the planners' without complaint or protest will escape such treatment. But —

"There are other methods of making zombies of men. And these methods no American, however docile and tractable, can possibly escape. For every 'normal' American drinks water, eats processed foods, submits himself to the rites of vaccination, injection, inoculation, partakes of synthetic vitamins, wonder drugs, perhaps uses tranquilizers. And every 'normal' American reads controlled newspapers and magazines, goes to indoctrinated movies, accepts brainwashing via television and radio, and belongs to at least one club where 'orientation' lectures are given by carefully trained social scientists at regular intervals. And, worst of all, a great majority of these 'normal' Americans go regularly to a house of worship where preachers one should be able to trust but can't hand out great doses of 'social action' instead of the healing waters of spiritual action."

- The surgical lobotomy is one way to brainwash and turn a normal human being into a zombie, but there are other ways too, the flouridation of public drinking water, for example. In the words of Charles Eliot Perkins, noted worker in chemistry, biochemistry, physiology and pathology:

"...In the rear occiput of the left lobe of the brain there is a small area of brain tissue that is responsible for the individual's power to resist domination. Repeated doses of infinitesimal amounts of flouride will in time gradually reduce the individual's power to resist domination by slowly poisoning and narcotizing this area of the brain and make him submissive to the will of those who wish to govern him..."

- The following is reprinted from CLOSER UP:

"In CLOSER UP of June 27th, the new technique of supersonic surgery was not mentioned; and there's been considerable correspondence reminding us of same. Seems that sound waves now can be used to destroy any given part of the brain, without the need of actual knife surgery. It's a new use for 'sonar', the sound system by which submarines tracked down ships; and ships tracked down submarines, during World War II. The 'sonar' device

can be mounted into a truck, the truck manned by 'militarized' public health officials, can be brought right to your front door — and in a mere matter of seconds you can be lobotomized. No need for hospitalization or an operating room, or even a warrant for arrest or commitment; it can all be accomplished before relatives or neighbors even know what's going on."

VICTORY IN ARKANSAS

The record shows that on July 29, 1958, Orval Faubus won the nomination for a third term as the Governor of the State of Arkansas.

More, however, than merely a victory for Gov. Faubus, the voting was a smashing triumph for America's staunch defenders of constitutional government and the valiant Little Rock Freedom Fighters who were harassed, beaten and bayoneted in the streets and in front of their own homes by the Eisenhower-Rabb-Adams Invasion Forces.

More than merely a defeat for Gov. Faubus' two opponents, Finkbeiner and Ward, the voting was a defeat for those who would sell out Arkansas and the rest of the South and bow down before Federal Tyranny and the subversive decrees of the communist-controlled Supreme Court.

Carefully analyzed, the results boil down to this: The proponents of MASSIVE RESISTANCE to integration, the forces of SEGREGATION AT ANY COST, soundly trounced the elements of Passive Resistance and "Moderation" (only a very slight difference between the two), the combine advocating a so-called "moderate approach" (eventual capitulation) to integration.

Of tremendous significance is that the "Moderates" have up until this point posed even a greater threat than have the out and out integrationists. In most areas of the South the Mongrelizers have been driven back at every venture. It has been the "Moderates", the "I'm for segregation, BUT" people, many of them "respected" men and women in high places, who have been accomplishing the real damage, softening the public mind to the communist lie that integration is the law of the land and inevitable.

The impact of the outcome of the Arkansas balloting is, therefore, being resoundingly felt

throughout the entire South. "Moderation" has suffered a humiliating and decisive defeat at the polls.

The Patriots of Arkansas have shown us great courage and the only way to fight this war -- TO THE DEATH! MASSIVE RESISTANCE IS OUR ONLY HOPE. Let NOTHING stand in our way in this last great battle.

MRS. ROOSEVELT

Eleanaw Roosevelt, grand old lady of ill repute and uncertain pedigree, recently struck titanic blows for Democracy at the Highlander Folk School near Monteagle, Tennessee. She offered pearls of wisdom at an integration "workshop", attended by an integrated audience of 100 communists.

Long a favorite of mongrelizers everywhere, Lady Liver-Lips praised the school and its White-trash director, Myles Horton, for "doing pioneer work in interracial living", saying she knew of no other school like it.

"You are doing something that needs very badly to be done in the United States, demonstrating it is possible for people to come together as people without regard to race or creed," she said.

Holding up a faceless, honey-colored doll, Eleanaw declared that this represented the United Nations ideal, which is to have "all people of the world come together, live together and love together."

Mrs. Roosevelt castigated patriotism, saying, "Formerly people were accustomed to think only of the interests of the United States. Now we must think of the world as a whole," adding, "but it takes time to make this transition."

The most exciting feature of the day came when the old hussy went rocking and rolling with a big black ape in a risqué bongo dance. The crowd cheered the lewd display.

Although she has lent the interracial school the support of her name for years, this was Lady Eleanaw's first visit to Highlander.

At the assemblage with Mrs. FDR was James Stokely, Jr., co-author with his wife of the book,

• Did you hear about the mink who offered to buy his wife a full length Jew?

• At a political rally at Pine Bluff (Ark.), where the White Citizens Council raucously packed the front seats, Judge Ward asked if his listeners would have the Arkansas National Guard fire upon federal troops or marshalls if the events of September (1957) were repeated. The answer was a massed cry of "Shoot! Shoot!" -- Harry S. Ashmore.

THE TYRANTS MUST BE OVERTHROWN

The holy book of the Jews, The Talmud (see "Exposing the Enemy", elsewhere in this issue), calls for the enslavement of all non-Jews: "Jehovah created the non-Jews in human form so that the Jew would not have to be served by a beast. The non-Jew is consequently an animal in human form and CONDEMNED TO SERVE THE JEW DAY AND NIGHT (emphasis added--Ed.)."--Medrasch Talpioth 225L.

Communism, socialism, Zionism, race-mixing, UN, NATO, "brotherhood", mental health etc. are all means toward one specific end: THE SUBJUGATION OF THE GOYIM (NON-JEWS) IN A ONE WORLD, JEWISH CONTROLLED, HELL ON EARTH.

President Eisenhower, the Supreme Court and the Justice Department are working hand in hand with the Jews. Their current war on the South, the "integration crisis", is merely a phase of the total Jewish Conspiracy--BUT AN IMPORTANT PHASE. For if the Jews win this war, ALL AMERICANS, not only the Southerners, will be brought nearer to the day when they will be put in chains and made the slaves of the Jews.

THE TYRANTS MUST BE OVERTHROWN. There can be no compromise with the forces of Satan. The Jews and their groveling stooges must be stopped in their tracks.

Some of us must work in the open, enlightening our fellow Christians with the printed and spoken word.

Others of us must work IN SECRET, organizing an underground and carrying out swift and fatal blows against the enemy.

It isn't going to be easy. In fact, it may not be possible at all, but we have no right to call ourselves Christians--much less any hope of entering the Kingdom of Christ--unless we stand up for what is right and good. It is the obligation of every Christian Patriot to fight the enemies of Christ--no matter how overwhelming the odds may be.

EXPOSING THE ENEMY

As the result of many long years of insidious infiltration, the Jews have gained control of nearly every denomination of Christianity. The teachings of Jesus have been subverted and diluted. Our religious schools, under Jew-ized leadership, have been turning out an alarming number of brainwashed disciples of alien and satanic ideologies.

We are reminded of the words of Bernard Lazare, a Jew, in his book "L'Antisemitisme":

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant

Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, **THE ANNIHILATION OF THE RELIGION OF CHRIST** (emphasis added--Ed.)."

Our fellow Christians have been betrayed by those who should be arming them with the Protective Word of Jesus. Christian ignorance of fundamental and basic Christian principles is the main weapon in the Jewish arsenal.

How many Christians know of Christ's lifelong struggle with the Pharisees and his point-by-point exposure of the Pharisaic Conspiracy--the 23rd chapter of Matthew?

And what is even more important, how many Christians know that today's Jews are the SPIRITUAL DESCENDENTS of these very same PHARISEES (although racially they are mongrelized Asiatic KHAZARS, making them PROSELYTE Pharisees, "twice the sons of Hell")?

Read what Talmudic Professor Louis Finkelstein (the same who taught "Jewish Law" to Earl Warren, Chief Justice of the Supreme Court) wrote in "The Pharisees", published in Philadelphia, Penn., by the Jewish Publication Society of America, in 1946:

PHARISAISM BECAME TALMUDISM, Talmudism became Medieval Rabbinism and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom and adjustment of Law, **THE SPIRIT OF THE ANCIENT PHARISEE SURVIVES UNALTERED.**"

To bring you up to date we present these words of enlightenment from **THE JEWISH ENCYCLOPEDIA** under PHARISEE: "Henceforth Jewish life was regulated by the teachings of the Pharisees; the whole history of Judaism was reconstructed from the Pharisaic point of view, and a new aspect was given to the Sanhedrin of the past. A new chain of tradition supplanted the older, priestly tradition. Pharisaism shaped the character of Judaism and the life and thought of **THE JEW FOR ALL THE FUTURE.**"

How many Christians know that the bible of the devils our false men of God refer to as the "benign, righteous and noble" Jews is the **BABYLONIAN TALMUD**--that The Talmud is the **SOLE AUTHORITY** of Judaism--that within its many volumes is contained the vast body of Jewish law, philosophy and ethics?

The Talmud is a collection of filth, degeneracy and hatred of Christ and Christians. Portions of it are so vile as to be unprintable.

"The Talmud," writes Elizabeth Dilling, "teaches that Jesus was the bastard son of the hairdresser Mary--that Jesus was much lower than an ordinary criminal--that all non-Talmudists rank as animals and may be **KILLED, ENSLAVED and CHEATED** by the only 'humans', the Pharisaic Talmudists, for whom the world was made to rule."

The mask of Jewish **SHAM DECENCY** must be removed. The myths and lies surrounding the Jews must be dispelled. Only when the people know who the Jews are and what they really stand for can we begin to effectively combat the Pharisaic Conspiracy and rid ourselves of the **PHARISAIC PESTS**.

A LESSON FROM JIM THORPE

Ike was on the West Point football squad. One afternoon Jim Thorpe, the famous champion athlete, was a member of the opposing team.

During a scrimmage, Ike roughly tackled Jim but failed to bring him down. During intermission, Jim walked to the West Point players bench and, tapping Ike on the shoulder, shook his head and quietly said:

"No push Jim."

When the game was resumed, Ike saw an opportunity and again sought to tackle Jim.

As Ike was carried off the field with a broken leg, Jim quietly said to him again.

"No push Jim."

AN OPEN LETTER

Mr. Investigator:

The investigative agents of our government are being **USED** to investigate and intimidate patriots everywhere. Have **YOU** stopped to consider **WHY**?

After considering the news which you have read, have the events during your lifetime added up to make sense, or is the picture all confused? If our world is not understandable, then could it not be because the really important news was denied to you? Do you think that there could be an iron censorship right **HERE** in the United States? If there is not,

then why are YOU being USED to intimidate those who are trying to spread the forbidden TRUTH? Is not the very investigation of those who are attempting to spread the TRUTH incontrovertible witness against you that you ARE enforcing a censorship? Are you a willing party to this?

What has your investigation of Communists accomplished? What strange power diverts your reports on Communists into the dead files? Have you ever been assigned to investigate a powerful extra-governmental, private secret police force hiding under the name of The Anti-Defamation League of the B'nai B'rith, a secret Jewish men's fraternity? Do you realize that you are often USED to perform missions for this other secret police force, and that your reports often go to THEIR files? Your investigation of PATRIOTS is strictly for the benefit of this OTHER secret police.

Why is all adverse mention of the word JEW dealt with so savagely? Why is this a sacred taboo word? Could the words THE PHARISAIC CONSPIRACY explain clearly the answers to ALL the questions herein posed?

If you are an unwitting agent of this Conspiracy, are you not in exactly the same position as the Roman soldiers who crucified the Conspiracy's most celebrated opponent, Jesus of Nazareth? If you are a willing, bought agent, then what is so different between yourself and Judas Iscariot, the most celebrated TRAITOR in history?

Do you believe that in aiding the Pharisees to persecute Christian patriots that YOU are a Christian American, or a traitor to your God, your country, your people?

Have you reconciled yourself to the idea of your descendants being enslaved mulattoes? What in the news gives you any comfort that this is not the plan of the Conspiracy? Has your daughter been raped yet by a Negro savage? What is to prevent it, since it is happening continually at the instigation of the Conspiracy? What will be the inevitable fate of the United States after it disappears in the EQUALIZED New World Government? What is it like to be equalized with China, India, and Central Africa?

Are you in debt? Are you familiar with the principles of debt enslavement? Is the United States Government debt-enslaved? Are you familiar with the true nature of the Federal Reserve System? Do you believe that patriots are unChristian, Communist, Fascist, Nazi hate-mongers? Who is forcing these words upon our people in their distorted insin-

uations? Why is fighting for the salvation of our people now called treason? Treason to WHAT? Jewnited World Government? Which would YOU aspire to be, a George Washington or a Benedict Arnold? How would YOU define *actively aiding alien, anti-Christians bent on enslaving and destroying our people and our country*? Are you indeed so blind as to fail to see this?

We beg you in the name of all you hold dear to stop and ponder what you are doing. May God be with you.--The Patriot.

'HUMANE SLAUGHTER' BILL

The so-called "humane slaughter" bill recently signed into law by President Eisenhower is one of the most meaningless pieces of legislation to come out of Washington in many years. It is nothing more than an obvious and disgraceful attempt to pacify the proponents of humane slaughter. (This publication believes that if meat animal slaughter must be practiced by some it should be carried out in as humane a manner as possible.)

The measure, which becomes effective after June 30, 1960, provides that the Federal Government and its agencies may not purchase meat from slaughter houses which do not render insensible to pain food animals prior to slaughter. There are no penalties other than loss of Federal patronage for slaughterers who do not meet the legislation's requirements.

One of the most objectionable defects of this "humane slaughter" bill is that it totally ignores the most inhumane of all slaughter methods, the Jewish ritual meat animal slaughter, known as Shechita.

Shechita is as simple as it is barbaric and sadistic. Hoisted by a hind leg, its throat slashed, THE FULLY CONSCIOUS, kicking, gasping and sobbing meat animal is subjected to the cruel agony of being slowly bled to death. Only a Jew could delight in such savagery. The natives of darkest Africa have nothing over the Jews when it comes to torture!

All inhumane slaughter must be abolished. First on the list should be Shechita.

NEWS BRIEFS

● Is Sen. William Knowland a Jew? He certainly has been acting like one for a long time. According to the Jewish press, Knowland spent a good part of the month of September speaking in Jewish synagogues in behalf of Israel Bonds. In the October 3, 1958, issue of The California Jewish Voice there is a picture of the Senator WEARING A JEWISH SKULLCAP!

● Max Rabb, Marxist Jew, former assistant to President Eisenhower and secretary to the Cabinet, has been named a U.S. Delegate to the United Nations Educational, Scientific and Cultural Organization (UNESCO).

● One of the first to rush to the bedside of Martin Luther King, after the Negro agitator was almost liquidated by an anti-Communist Negro woman on Sept. 20, was Gov. Harriman of New York. Note: At the time King was attacked he was autographing copies of his vicious new book in a Harlem department store--BLUMSTEIN'S!

● The Maplewood, N.J. lodge of the Jewish B'nai B'rith last July pleaded guilty to the New Jersey Bingo-Raffles Commission to charges (six violations in all) that it raffled off a \$3,000 automobile before it purchased the car, and then tried to force the winner, Louis Mitchell of Brooklyn, to make a \$500 donation to the organization and provide a \$1,500 consolation prize to the runner up.

● Philip Klein, whose wife succeeded him as publisher of the Philadelphia Jewish Times, has been chosen president-elect of the United States Civil Defense Council.

JEW, NEGROES AND WHITES IN THE BOXING WORLD

The Jews who promote prize fights between Negroes and whites or between Negroes take from one-half to two-thirds of the receipts, plus other Jews getting TV and Radio rights. Nearly all promotions are in the hands of Jews. The Negroes and whites or Negroes pound each other, the silly white Gentiles pay from \$4 to \$50 to watch the rough-necks beaten up, and the Jews take home the bulk of the money; and whoever reports what is going on is libeled and slandered by all three groups.

What benefit is it to humanity that one Negro can smash the eye or ear or nose of another? Why is it that the Jews have the control of the financial end of such depravity? And what intelligence is there in the feeble minds of those who have been taught to criticize the superior whites who call attention to the savagery of such fights, and the money making schemes back of them? The Press uses great headlines, and pages of expensive publicity to report them—not a word is permitted of comment on the fact that the Jews take home most of the money.--Disgusted Observer.

SYMBOLIC

Symbolic of the white race in the world today is Mrs. Martha Mayfield, who for 40 years in Buffalo, N.Y., begged money from her white friends and white churches in order to distribute food baskets to needy Negroes. She arranged parties and picnics for Negro Children. Recently, on her way home, she was brutally beaten and robbed of \$3.50 by two Negro men. "I'm afraid now", she said, "so afraid I think I may give up my mission. I guess that is what I'll have to do because it doesn't seem safe to live and work in my neighborhood any more."--Selected.

THE CHICAGO JUNGLE

THE JUNGLE BEAST THAT WALKS LIKE A MAN AND KILLS LIKE A BEAST

CHICAGO MAN BEHEADS LOVER;

BY ALEX POINSETT

From his Chicago jail cell last week, 29-year-old laborer Marshall Abraham seemed totally unconcerned over the grim fact that he had hacked off his girl friend's head with a hunting knife—only disturbed over reports that news stories had given inaccurate details of his grisly crime. Newspaper accounts had indicated that he had very carefully cut off the head of 34-year-old Anna L. Jones, then lugged it four blocks before finally depositing it in a trash can. "But that wasn't true," complained the unemployed construction worker. "I was misrepresented. I didn't carry her head no four blocks like they said. It was six." Then he named in quick succession the streets along the six-block route of his post-execution journey.

For a man whose own doom now seemed certain, Abraham was not at all reluctant to discuss his version of the crime he had committed in the late near-midnight hour before Easter. He had beheaded her, he said, "because I promised her I would. She had squandered money, he said, which he had given her periodically in amounts varying from \$20 to \$25 since their first meeting last June in a tavern. She had, at times, visited him in his apartment, he added, but would not agree to live with him because she feared loss of public charity checks which she received for support of her three children. On the night of the slaying it was an argument over her refusal to visit him that led to the grisly execution. In fact, as Abraham explained it, Miss Jones had teased him about it, as well as boastfully taunting him about her romantic excursions with other men.

Marshall Abraham

"I don't play that," he said indignantly, the angry jealousy rising within him. And apparently he

was not in a playing mood either when he rapped on Miss Jones' apartment door about 11 p.m. on Easter eve. She was at home with a son, James, 11, and a daughter, Ethel, 9 (another son, Charles, 10, was visiting an aunt). It was James who heard Abraham order his mother to leave with him. "But I've got to stay with my kids," she argued.

Abraham left alone. He went home, doffed his white sport coat and cream colored trousers, and slipped on a pair of old blue jeans and a sweat shirt—the kind of clothes he wore when he went to work. This time his only work tool was a well-sharpened Sears-Roebuck hunting knife.

In a short while he returned to Miss Jones' apartment and broke down the door when she would not admit him. He faced her, he said, knife in hand. "I told you I was gonna kill you," he said angrily, then lunged at her.

"I grabbed the back of his shirt," recalled young James, "and tried to pull him back. Then he got after me and Ethel with the knife, too. But we ran too fast for him."

Miss Jones was not so fortunate. Abraham, who admitted that he had fortified himself with six drinks of whiskey before his visit, said she swung at him with an iron bar. "She didn't trip over a curb like the newspapers said," he explained. "I knocked her down. Then I stabbed her a bunch of times here and there (he pointed to his shoulder blades). Then I cut her head off."

One witness, who preferred to remain unnamed, thought she was having a terrible nightmare, when, from her living room window, she saw Abraham astraddle Miss Jones, pounding her in the back.

"I thought he was hitting her with his fists," she said. "It was dark and you couldn't tell. Then I phoned police. When I looked through the window again, it looked like he was struggling to pull up something. He got it free in about five minutes. I could see then it was the woman's head. I couldn't stand to look anymore."

What happened after that on Abraham's six-block trek

through the neighborhood with his girl friend's head tucked under his arm remained for other witnesses to fill in. About five blocks from the scene of his self-styled execution, Abraham stopped at a tavern, laid aside the head for a moment just outside the door, then walked in, lit a cigarette and ordered a glass of beer.

"I served him right away," recalled bartender Romero Berni. "Then some woman asked him 'how come you so bloody?' The guy says, 'I just cut off your girl friend's head. You wanna see?' She didn't believe him, so he took her outside and lifted the thing off the sidewalk. She nearly fainted."

From there, Abraham went on his way, found a trash can, dropped the head in and headed for home. But he had forgotten to leave his bloody sweat shirt and knife. When he returned a short while later, police were already on the scene. They scrutinized him, asked him casually if he had killed the woman. "Yeah, I killed her," Abraham admitted.

"What were you going to do if we hadn't arrested you?" police wanted to know.

Abraham shrugged. "Go home. Take a bath, change clothes and get some sleep, I guess."

Does he regret committing the crime? "I'll be frank," he reflected in jail. "I never gave it no special thought." Then, when reminded that he had been declared sane and is charged with murder, he summed it up thusly: "Murder is murder. I guess I'll die if I have to."

The above photographic reproductions are from the Negro magazine, "Jet." This heinous crime which was committed right in the streets of Chicago's famous "Loop" was given no publicity in the Negro-catering newspapers of that corruption-ridden city.

The guilt for this crime cannot be placed entirely upon the shoulders of the killer. After all, the Negro is an emotional, amoral, semi-primitive. In the dark jungles from which he comes, when one Negro becomes angry with another he simply goes into his enemy's village, seeks him out, chops off his head, and shrinks it. We must not forget that the Negroes of America are not far removed from that state. To the Negro, the only solution to a problem is the solution of the savage.

And these are the type of people that the de-segregationists want to mix with little white children in the schools; the people who should be our social equals; the people who should be allowed to move into respectable, crime-free white neighborhoods and communities.

COMPARE CRIMES AND INTEGRATION IN DAYTON WITH CHICAGO, WASHINGTON, D. C. AND OTHER CITIES

ATTENTION! Mothers, Fathers, Ladies, and Gentlemen of Dayton, and Miami Valley Area:

Enclosed you will find a true story of one of the many vicious crimes committed by the Negro. We bring this blood-curdling crime to your attention in order to try to awaken you to some of the most vicious and ungodly things that are taking place in our City. . . . Of course, the NAACP and Urban League along with other Race-mixing organizations and personalities will refer to this as "hate literature", but we ask, If this story is hate literature, why was the incident given such nationwide publicity in the Negro magazine "JET"?

To those of you who think the Negro commits very few serious crimes in Dayton, Ohio, please note the following headlines that made up the front page of the "DAYTON OBSERVER", a West Side Negro newspaper, Friday, June 28, 1957 (quote) — SEX FIENDS SPREAD TERROR . . . MOTHER OF 3 RAPED IN HOME AT KNIFE POINT BEFORE CHILD . . . BOY 11 SCREAMS AS MAN BEATS MOTHER WITH BALL BAT . . . FORCED INTO CAR, WOMAN RAPED AND ROBBED . . . WILD WEST FOURTH STREET SCENE OF SHOOTING, THREATS . . . HUSBAND IS SHOT BY EX-WIFE . . . (unquote). These horrible front page headlines surrounded . . . SCHOOL BOARD ACTS . . . followed by a long story of complete pupil and teacher integration of Dayton's school system.

Ladies and gentlemen, behind these headlines were startling and vicious stories. Yet the Daily News and Journal Herald are too busy with such issues as raising the City Income Tax, etc., to present to us the true picture of happenings on the West Side. They seem almost completely unconcerned. WHY?

We also noticed on the front page of the OBSERVER a contest being conducted to name the "Barmaid of the Week". The Negro paper states, "She will be selected by the OBSERVER Staff and be named Barmaid of the Week. Her picture will be printed in the paper along with a few facts about the lady . . ." We wonder what the Church people think of this contest, and why do they plan to state only a few facts about the lady?

How long will it take for the white people along with the self-respecting Negro to awaken to the terrible dangers that confront us? The brain-washed Negro is being agitated by the vicious leaders of the NAACP to sue the white citizen for every petty thing they can think of. They are aided by the Urban League in this disruption of America's way of life. In a single year our Justice Department processed 12,996 false allegations. With the help of seven Civil Rights attorneys four Civil Rights specialists, and 172 FBI Agents specially trained in civil rights matters, they checked and reviewed 13,000 complaints. It was found only 150 of these warranted more investigation, only nine warranted prosecution, while only four convictions were secured. Yet the Negro continues to sue and demand the right to enter even white society, no matter what the event may be. Statistics show the Negro population represents about 11% of the total population of the United States, yet they hold 23.4% of the federal jobs. With these true facts in mind, who do you think is being discriminated against?

Keeping in mind the Negro represents only 11% of our total population, will you please keep your eye on the State Liquor Stores and observe which "race" is their biggest customer? Check the "Bulletin Boards" in the Post Office and Police Station for wanted criminals, see for yourself who commits the largest number of vicious crimes. Then take a look at your Ohio drivers' license. You will notice the word "race" is not used any more. This cancels one of the most positive means of identification that our law enforcement officers had. A fact the NAACP is very proud of.

Please help curb the activities of these communist, communist-front and subversive organizations. It will cost only a few cents to mail this story on to your friends in the Dayton area after you have finished reading it. Before mailing indicate your approval by placing an X in box.

ARE THE JEWS BEHIND THE BOMBINGS?

More and more, the consensus of opinion among informed observers is that **THE JEWS THEMSELVES** are the ones actually responsible for the recent bombings of Southern schools and synagogues. It is pointed out that **ONLY THE COMMUNIST JEWS STAND TO GAIN ANYTHING FROM THESE SENSELESS ACTS OF VIOLENCE.**

The Jews dream of world conquest. They think of little else. They are fanatical about it. It is frightening to contemplate the horrors the Jews have **PUBLICLY STATED** are in store for their hated enemies, **THE CHRISTIANS**, upon the establishment of the Jewish World Dictatorship. **HATE** keeps the Jews united; it is the driving force behind their evil and wicked schemes and intrigues against mankind.

The Jews are cunning and diabolical. They will stop at nothing. They even blow up their own synagogues, and then order their flunkies--the lying press, the police and the **FBI**--to blame patriotic Christian Americans. It's a neat trick, but old hat for the satanic communist Jews.

The Jews hope to parlay their bombing successes into a victory for Jewish Communism. They plan to exploit the bombings (1) to create sympathy for Jews, (2) to destroy all opposition to the Jewish-Communist Conspiracy, (3) to eliminate the daring patriots who stand in the way of the Jewish drive to enslave the world, (4) to scare the Jewish masses into contributing huge sums of money to Jewish race-mixing and terrorist outfits, (5) to "justify" the passage of harsh and restrictive measures designed to suppress patriotic Christian Americans and hasten race-mixing in the South, (6) to further destroy Christianity and (7) to increase the powers of the gestapo-like **FBI** and its Director, J. Edgar Hoover.

Already, the hate-filled Jewish press is calling for a ban on "anti-Semitic" activities, including the distribution of "anti-Semitic" literature through the mails.

Instead of being saddened by the synagogue bombings, Jews everywhere are rejoicing. But then, why shouldn't they? For not only have they brought nearer

Relax, Friend, This Is **PROGRESS!**

the day of Christian enslavement, they have caused five Atlanta Christian white men to be indicted for a **JEWISH CRIME** (a most worthwhile achievement for the Jews, according to the bible of the Jews, The Talmud). The Jews have accomplished this feat with the cooperation and assistance of their Gentile stooges--**FBI** morons and bullies and Atlanta's **WHITE TRASH** Mayor, Prosecutor and Police Chief. (Atlanta's corrupt city government and police department are infested with communist Jews. The Jews and their controlled city press rule Atlanta. Mayor Hartsfield, a chronic groveler and trouble-maker, Police Chief Herbert Jenkins and Prosecutor Paul Webb are willing tools of Atlanta Jewry.)

THE TRUTH ABOUT THE BOMBINGS MUST BE MADE KNOWN TO ALL WHITE CHRISTIAN AMERICANS. Only when more people become aware of the GUILT of the Jews can we begin to do something about it.

The five Atlanta Patriots must be freed. The real criminals must be brought to justice for their CRIMES AGAINST HUMANITY.

SETS RECORD STRAIGHT

A sinister and vicious smear campaign has been unleashed against the Editor of THE REVERE, F. Allen Mann, and the Christian Patriots Crusade. Entirely unfounded and totally inaccurate statements, regarding the recent synagogue bombings, have been attributed to him. He has, therefore, found it necessary to set the record straight and make his position official. The following press release was issued on October 24, 1958:

"I emphatically state:

"That I deplore and oppose all kinds of illegal violence.

"That I have never and do not now advocate violence against any race.

"That I have never knowingly been associated or affiliated with any individual or organization advocating violence of any kind.

"That I indorse only peaceful and legal means for attaining my political and religious objectives.

"That it is my personal conviction that the school and synagogue bombings and subsequent publicity are part of a plan to discredit and smear patriotic individuals and organizations."

MORE FROM "THE PATRIOT"

Poor honest Christian, your Jewish "friends" somehow failed to tell you how yearly on the evening of Yom Kippur, when all good Jews are assembled together in the synagogue, the following prayer, the Kol Nidre, is thrice chanted:

"All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, beforehand, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

What are these paragons of "sweetness and light" discussing in the privacy of their synagogues about those of us who have no intention of submitting docilely to their One-World Government (Jewish-ruled, natch!) with its one-race, no-religion, hell-on-earth for Gentiles?

Listen to the soothing words of Rabbi Leon Spitz, as reported in The American Hebrew, March 1, 1946, in "Glamorous Purim Formula", subtitled, "Exterminate Anti-Semite Termites As Our Ancestors Did 2,500 Years Ago":

"American Jews too must come to grips with our contemporary anti-Semites. We must fill our jails with anti-Semitic gangsters, we must fill our insane asylums with anti-Semitic lunatics (Mental Health!), we must combat every alien Jew-hater, we must harass and prosecute our Jew-baiters to the extreme limits of the laws." (And THEY make our laws and dictate to our courts!)

Democracy (rule by the PEOPLE) means now rule by JEWS. Remember, WE are just THEIR "stupid goy cattle", to be milked, slaughtered, or interbred at THEIR pleasure! We are to be integrated (mongrelized)! The Masters have spoken! THEY decree the "Law of the land" now. Your sons, homogenized in the Army with Negroes by order of Anna Rosenberg (have you forgotten?), are going to enforce it for THEM, if they have to kill YOU! and they do mean YOU!

NEWS BRIEFS

● A bitter feud is brewing between two "charitable" (?) organizations raising funds for the same "cause" (?). The Muscular Dystrophy Association of America, headed by Jerry "Lewis" (Levitch), is planning to bring suit in Chicago against the National Foundation for Muscular Dystrophy. A similar suit in New York has restrained another "charity" (?) from competing with a better-known group of the same type. These legal maneuvers might best be described as "The War of the Racketeers".

● The American Cancer Society's refusal to test Krebiozen, a cancer drug, has brought protests from the Committee for a Fair Test of Krebiozen, Inc. The action was described as "absolute betrayal of the millions of suffering cancer victims". John M. Davis, committee president, stated: "At this time, when the Society is collecting \$30,000,000 every year for the explicit purpose of finding a remedy for cancer, we cannot understand why it refuses to even look at this one drug..." Editor's Note: Well, WE understand.

WHAT DO YOU THINK?

Forcing owners to hand over their property to the government for Public Housing is robbery.

Public Housing is Communism. The purpose of Slum Clearance is to create a scarcity, so the government can have an excuse to confiscate homes and build housing units. Urban Renewal is a federal financed program which permits city governments to seize homes. All "Federal money" comes out of the taxpayers' pockets. So we are being made to finance our own destruction. The Supreme Court says the Congress and state legislature can do anything they like to private property so long as they claim they are doing it for the public good.

Federal Housing Act (FHA) is a menace to our security. If one must borrow money let it be from an individual or private firm. Our nation was built on private ownership and free enterprise; they are our very foundation. Destroy them and watch our nation fall. If property owners do not stand up and fight for their rights they will soon find they have no rights to fight for. The Bible says, "Every man shall sit under his own fig-tree." It does not say under a government owned fig tree.--Phoenix, Arizona, October, 1958, Mrs. M. Conan.

HYPOCRISY IN "LIBERAL CENTER"

NEW YORK (AP)—Wanted: Midtown Manhattan apartment by Harry Belafonte. Negro. American.

The singer-actor said Saturday that's the basis on which he wants to obtain living quarters for his white wife and their 2-year-old son, David.

However, he added, he can't find a landlord willing to accept him in the city Belafonte regards as "The Liberal Center of the U.S."

"It has me so angry, I get tongue-tied," he said. "Look, I want a suitable place to live. I won't use subterfuge to get it."

Belafonte pointed out he could get a desirable apartment on a sublease or under someone else's name, but that's not the way he wants it.

He said Mrs. Eleanor Roosevelt, widow of former President Franklin D. Roosevelt, offered to buy a building with him. "But I'm not looking for the easy way out."

Belafonte said he plans to invoke his rights under a state law banning discrimination in private housing.

Meanwhile, the Belafontes are staying at the Waldorf-Astoria Hotel because his family has outgrown his two-room apartment in the West 70s.

"The turn-downs were very systematic," said Belafonte. "Apartments would be available till it was time to sign a lease. Then when it was discovered the apartment was for me, something would happen—a deposit by another tenant had been forgotten or a partner had promised it to his cousin—all kinds of shenanigans.

"The awful part is that some of the people involved belonged to organizations with the highest ideals of human existence—the professed liberals."

Belafonte said he had thought of buying a cooperative apartment. His wife, Julie, was quoted a price of \$35,000, he said, but when he went to see it, the figure had doubled.

STATEMENTS OF PATRIOTS

The Atlanta police have no leads or evidence against the five men they arrested for the Atlanta synagogue bombing. The five patriots are victims of Jewish persecution. Here are their first statements after five days and nights of RUTHLESS POLICE GRILLING:

CHESTER GRIFFIN—"I was sound asleep in my bed by 10 p.m., the night the building was bombed. The temple was bombed by communist Jews in an effort to discredit and smear the brave and rapidly growing National States Rights Party."

WALLACE ALLEN, polio cripple, father of two small children—"I have never bombed, nor taken part in any bombing of any temple or any building, nor have I conspired to do so. I hope that Mr. Eisenhower, who makes so many pious statements about freedom and justice, is happy with his communist-like FBI."

GEORGE BRIGHT—"I have never, in all my life, condoned, discussed, planned or participated in any deeds, acts or thoughts of any violence, including the bombing of the Jewish temple."

ROBERT & RICHARD BOWLING—"Because of my personal political beliefs I have again been framed by the Atlanta police and alien-controlled Atlanta newspapers, acting on orders and pressure of Jewish-communist pressure groups. I am a member of no organization dedicated to violence and have never associated with anyone who is. I have never planned or conspired with any persons or parties to bomb or destroy any building of any kind."

NEGRO CONQUESTS IN CALIFORNIA

Discussion of the race or the religious question is taboo in the daily press in California. Mention of either is seldom permitted in news items or letters to the editors.

On the street I live on, which is used by the colored pupils from several miles away, who live in a colored district, to go to the central high school near my house, during school opening and closing hours gangs of Negro toughs, consisting of from five to fifteen boisterous individuals patrol the streets, shouldering whites off the sidewalks. I saw one gang smash a hot dog stand in and rifle it of contents when the operators were away. Another gang surrounded a white and a Mexican girl and pushed them at each other trying to force them to fight. When I rescued the white girl, the crowd followed me onto my lawn booing and making insulting remarks. As usual, the police arrived too late to find anyone.

Two days ago an 80-year-old man, tired of being shouldered off the sidewalk by the Negro toughs, stood his ground and elbowed one of them in the belly. The gang did not attack him. He asked me where to go to obtain a permit to carry a gun.

Gangs of Negroes are strong arming one or two sailors and robbing them in the parks and on the streets, sometimes in the daytime. The word "Negro" is not used in press reports of crime but the fact that they are Negroes can be generally determined from their addresses in the colored section. Other couples of Negroes hire a taxi, order the driver to drive to some place in the Negro section, then threaten him with a knife or slug him and rob him. Of course in California no one may refuse any service, or entry into a place of business, to anyone because of race or religion; so the taxi drivers must accept Negro fares whether they want to or not.

One Negro got \$1,100.00 in damages by applying for lodging at 11 motels. When he was denied entrance on various pretexts, he filed suit and was awarded damages by the court of \$100.00 for each violation of the law. This decision was widely publicized.

Several weeks ago a troublesome, boisterous Negro bawled me out and made abusing remarks because he did not like my driving. He got out of his car and made a threatening advance toward me. Not having my gun with me I called the police. They refused to do anything.

I have a large house on the street, which I advertised for lease. An owner of a girl's school for secre-

taries phoned me and then came to see about it. When she got to my house, next door, she said, "I guess I can't use it. When I came across the street I was accosted by a Negro youth standing on the corner. I am sure the parents of my girls will not let them come to a school where they will be insulted by these toughs, and they would be afraid to come to the night classes."

Many of the Negroes going to the high school are large, fully grown men, apparently much older than the average whites, probably because they are slower to pass from grade to grade.—James H. Johnson.

MESSAGE FROM THE EDITOR

The pressure on us here is tremendous. We are forever being hounded by reporters (who misrepresent what we say to them), government snoopers and all kinds of trouble-makers. It is especially hard for us to bear these burdens when we don't hear from our friends and when we don't know where the next dollar is coming from.

THE REVERE is sustained entirely by subscriptions, contributions and literature orders. We have no other source of income.

If you are not a subscriber, won't you join with us? A year's subscription is only \$2.00, and two dollars can go a long way here at the office of the Christian Patriots Crusade, where no salaries have ever been paid.

If you are already a subscriber, won't you subscribe for a friend or urge someone to subscribe for himself? If each of our present subscribers would get behind this project, it would help a great deal.

Remember, we cannot do any kind of a job for you without support and funds. We must depend on you, our friends, to keep THE REVERE on the firing line. Please, don't let this Crusade die. Let us hear from you soon.—F. Allen Mann, Editor.

THE SECRET WORLD GOVERNMENT, or »THE HIDDEN HAND«

The Unrevealed in History

100 Historical »Mysteries« Explained

by Major-General Count Cherep-Spiridovich

Upon its publication in 1926 this book created an international sensation.

"Nothing has happened, nothing was told since 1914, that General Spiridovich did not foresee, foretell, and repeat a hundred times with the fiery, passionate stubbornness, which is the distinguishing quality of seers and prophets". — ("L'Information," in Paris, December 27th, 1915.)

"Nordic tradition, coupled with exceptional education and training, have given to General Spiridovich the spiritual ardor, the constructive impulse, and the extraordinary perseverance required to make his vast knowledge serve the exigencies of the present to his peculiar power to forecast the future, but it devolves upon the individual reader to make practical application of it, by refusing to participate in the practices, which engage "Enemies of Humanity". (Herjulf Vickingson in the Introduction.)

Without question this book stands in a class by itself, for it is the most complete expose of the Jewish Hidden Government ever put into print. It shows in the most plain language the real cause of all war, revolutions and depression from the time of the "French" Revolution thru World War I. He predicts that attack upon the United States by Japan. He quotes from some of the most valuable source material published both in this country and abroad.

This revealing book has been out of print for nearly 30 years. Now a very limited edition has been made available to Patriots. This is the most significant reprint made of any book in many years. Order today, while it is still available.
